Hazel Williams: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clone, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Hazel Williams: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Hazel Williams, Hifumi Yamamoto, Yue, Elizabeth, Stephania, Alice, and Shizuru Mihama with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: Okay, that was one intense battle we had.

Qin: That battle was the perfect way to finally end Dong Zhuo, Yuan Shu, and Huang Zu for good, and we also met Setsuna, Shiki, and

Tamaki, who were revealed to be the ones who helped us from the shadows.

Lincoln: And they were old friends and allies with some of the warriors of The Three Kingdoms of China and the Sengoku era of Japan and many of our other members with us, that was also quite surprising.

?: That's true, and they really helped you guys out greatly.

Suddenly, we saw a beautiful girl who was tall at 250'11" in height, she has the body of a goddess and large breasts, tanned skin, long brown hair, brown eyes, fall-colored angel wings, she has the symbol of Thanksgiving on her forehead and right arm, and she has on a brown two-piece bikini.

Lincoln: (GASPS) Tanya Thanksgivingaraira, Queen of The Thanksgivingarairans of Planet Thanksgivingaraira and Embodiment of Thanksgiving.

Nico: No way, the only Thanksgivingarairan that only you know, Lincoln.

Lincoln: That's right.

Anna Anyanova: And we also know her too, this is Tanya Thanksgivingaraira, Queen of The Thanksgivingarairans of Planet Thanksgivingaraira and Embodiment of Thanksgiving, she's Lincoln's Guardian Angel from the planet Thanksgivingaraira, a Thanksgiving-themed planet in The Forbidden Zone, she's The Queen of The Thanksgivingarairans who rules the Thanksgiving-themed planet of Thanksgivingaraira and she's also far more powerful than her own people: in addition to being a natural born fighter and having immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of everything related to Thankgiving, all the powers of Thanksgiving, and the ability to grow even stronger, but she was also born with angel wings, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of everything related to Thankgiving, and all the powers of Halloween, and the ability to grow even stronger, and all the powers of her people times infinity, and just like with Almightairaira, her people also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to Thanksgivingaraira where he would meet The Thanksgivingarairans and when he'd arrived, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the male Thanksgivingarairans into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of everything related to Thanksgiving, all the powers of Thanksgiving, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb Thanksgivingaraira and its core into his body and Thanksgivingaraira's Sun into his body to preserve their legacy. Tanya Thanksgivingaraira came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the immense powers of immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of everything related to Thanksgiving, all the powers of Thanksgiving times infinity, and the ability to grow even stronger, and all the powers of her people, and over time, Lincoln gained even more immense superhuman strength, immense regeneration, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, omnipotent power, immense powers of everything related to Thanksgiving, and the powers of Thanksgiving times infinity, and the ability to grow even stronger, and all the powers of The Thanksgivingarairans times infinity, and he was already born with immortality and invincibility and his powers also grew infinite-times stronger, and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really grow and bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she and Lincoln really had fun especially when it came to Thanksgiving, and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility and male fertility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln had undergone the rite of The Reincarnation of Amaterasu absorbing the septillions of trillions of male Thanksgivingarairans gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of everything related to Thanksgiving, all the powers of Thanksgiving times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, Lincoln absorbing Thanksgivingaraira and its core and Thanksgivingaraira's Sun into his body to preserve their legacy. Lincoln made her an awesome ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a passion and she swore to have all of them taken down and imprisoned inside a giant pumpkin and forced to deal with nothing but pumpkin guts surrounding them! BLECH!

Me: That's incredible.

Tanya Thanksgivingaraira: Thanks, and I know last night, Lincoln had undergone the rite of absorbing the septillions of trillions of male Thanksgivingarairans along with my father into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of everything related to Thanksgiving, all the powers of Thanksgiving times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally absorbing Thanksgivingaraira and its core and Thanksgivingaraira's Sun into his body to preserve their legacy.

Arpina Infernaira: That's right.

Me: Wait, you also included immense virility and fertility as well? That means...!

Tanya Thanksgivingaraira: We knew Lincoln's quite the virile stud since he was born with hyperpuberty, and the genes of his parents and his own extremely high virility, fertility, testosterone, extreme levels of libido, and excessive sex drive, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes and constant years of training, he gained the powerful and massive body that all bodybuilders could only dream of: the body of all the male Gods and the ancient male warriors of ancient times and bodybuilders of history combined, and that along with his personality, gentleman nature, and noble heart, he'd attracted tons of girls, and every lovemaking session he has with his harem, his future wives winds up getting impregnated by him in less than a second, and it doesn't take long for the effects of pregnancy to kick in, which are much faster than ever.

Rita: We had no idea about it before. But, during Lincoln's check-ups with Dr. Feinstein, he did show us all of what you just told us.

Nico: Wow...!

Tanya Thanksgivingaraira: I know that shocked you all especially Regina's journal about Lincoln's health reports, but everything I told you is all true, and it's good to see you again, Lincoln, but wow, you've really grown a lot in height and muscle mass since last I saw you.

Suddenly, Lincoln pinned Tanya Thanksgivingaraira to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit

her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Tanya Thanksgivingaraira with brown gems on the gold lightning bolts and brown crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up as he sat on the couch and he kept her close to his body as she took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

But, then, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle and beside his left and right thighs and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Eli: What's this?! Lincoln's power is rising even more like what happened yesterday.

Tanya Thanksgivingaraira: That's my special gift to him: Thanksgivingaraira's Blessing of Divine Thanksgiving Power Justice, and each Forbidden Zone Planet Queen have given him our individual blessing when he fed on our blood. (Still rubs Lincoln's massive pecs) And who could've guessed the 11-year-old boy I met long ago would grow up into a 950'11" extremely tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs with enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln let out a wild growl as he wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Tanya Thanksgivingaraira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Thanksgivingarairans both males and females are extremely passionate when it came to sex and lovemaking.

Lily the Mermaid: Ooh boy.

After Lincoln and all of us met Setsuna, Shiki, and Tamaki and killed Dong Zhuo, Yuan Shu, and Huang Zu and sent them to The Black

Kenzie Vulcania: My God, I was right that Lincoln's really grown into a 950'11" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 999 septillion-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get his

He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Kenzie, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Kenzie Vulcania: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Kenzie Vulcania: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing

Then, Setsuna went inside The Simulator, and as it activated, he found himself in Ji Province, and we saw it on the big screen.

Setsuna: So, I'm in Ji Province. Okay, then, let's get started.

Setsuna charged and had slain many enemy soldiers that Lincoln had provided.

Tamaki: Setsuna's doing quite well in there.

Lincoln: We've gone into The Simulator before and took down Simulator versions of the villains we fought in the past, but many times, we face one of our old enemies we faced before in the real world.

Shiki: I wonder if this is one of them that Setsuna will face.

Then, Setsuna headed for the altar.

Setsuna: Alright, now who's the main enemy that I'll be facing?

Then, a tornado of black and red smoke appeared, and as it faded, in its place was a pale man with red eyes and dressed in black clothes and he had a snake with him.

Nicole: Oh no, that's Edward Kelley, William Adams' enemy, and the snake with him is Uroboros, his Guardian Spirit.

Lincoln: Not good.

Setsuna: So, you've shown up to get revenge on William. Unfortunately, he's not here.

Setsuna went after Edward Kelley and he fired extremely powerful blasts of cyan blue, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, cyan blue fire, cyan blue flames, light, wolves, phoenixes, and angels and they hit him and they exploded, and he attacked and slashed both him and Uroboros with his massive greatsword and divine blade.

Lincoln: And Edward isn't really a real person, he's a homunculus created by John Dee, that's the person William Adams is going after. Did Setsuna find out about Edward Kelley and John Dee from William?

Nicole: That could be, Lincoln.

Then, Setsuna slashed Edward Kelley down the middle, and he and Uroboros were destroyed forever and they were sent to The Black Abyss. Setsuna holstered his massive greatsword and divine blade and powered down and exited The Simulator.

Nicole: That was some impressive work, Setsuna. Though, this means, we'll be dealing with John Dee in the future.

Lincoln: Afraid so, Nicole.

Setsuna: I can only hope that William will be alright.

Lincoln and I slowly unlatched our fangs from the right trapeziuses of our harems as they healed and the puncture marks sealed up, and we also kissed where we bit them. We came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Nico: (Whistles) Wow, it looks like you really had a good time at Float Islands, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Jenna: We had trouble though.

Lincoln: Unfortunately, we did. Zodiark and the Primals came after us!

EVERYONE GASPED!

Nico: Oh shit!

Lincoln: Don't worry, I used my Cell stingers and absorbed them and assimilated all of their powers and abilities, and I sucked out the last of their energy and forged a pact with them, I would make sure they wouldn't cause trouble ever again.

Me: Smart move, and it's just like Hannah forging a pact with The Sacred Beasts.

Lily the Mermaid: But, our date went smoothly, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted massive 999 septillion ton-lb barbells he summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous angel wings had spread out and they generated a cool breeze cooling us down and fire and wind exploded from his massive biceps and muscles.

Serena Logan: Lincoln really got that confident and bold, we really made him into a really strong and powerful manly wolfman.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know, we made a clone of that mutant.

Lincoln: That's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later at Arendelle we were getting everything ready for Anna's party. We were in our special occasion clothes for ite too.

Elsa: Thanks for helping me with this guys.

Me: No problem Elsa.

Nico: I'm glad this isn't going to be like what happened 5 years ago.

Elsa: I know. I was really sick wasn't I?

Me: Boy you sure were.

Pinkie Pie: I got the perfect thing for an Arendelle party!

Pinkie Pie made an amazing party fit for Anna and for Arendelle.

It was a Frozen theme party.

Elsa: Pinkie sure knows a lot about parties.

Me: So does Izzy Moonbow.

Izzy Moonbow: We make great parties!

Me: You are the legacy of Pinkie Pie. No doubt about it.

Devon: Last time you guys had this was in the early days the Cybertronians were with you guys

Optimus Prime: That's right.

Me: Yep. That was awesome.

Olaf: Boy it sure was. And the cake was good.

Naomi Necroshade: Wow that is awesome.

Ymir: It sure is.

Me: Elsa we're glad you're better than when you were 5 years ago.

Elsa: I can't believe I was that sick and you know the cold doesn't bother me.

Me: I know that.

Elsa: Oh time to get the guest of honor.

Me: We are all ready for this.

Elsa: Awesome.

She went and got Anna.

In Anna's room, Anna was sleeping and her hair was a mess.

(SNORING)

Dead End: She's sound asleep.

We went over to her.

Elsa: Psst. Anna?

Anna: Yeah?

Elsa: Happy birthday.

Anna: ...to you.

Elsa: It's your birthday.

Anna: ...to me.

(LAUGHS)

Anna: It's my birthday.

Lola: It's gonna be great for you.

Elsa: Come on!

Anna: (GASPS) It's my birthday?

Elsa: Mmm-hmm.

Lana: Happy Birthday Anna.

Anna: Thanks Lana.

Me: Don't worry Elsa is not going to be sick like 5 years ago.

Anna: That's good. Oh got to get dressed.

Me: Oh excuse me.

I had my back turned as she got dressed.

She came out all dressed.

Me: One last thing.

I put a blindfold on her.

We lead her to the courtyard.

Kup: Here we are, kiddo!

We took off the blindfold and then...

ALL OF US: SURPRISE!

We jumped out and surprised her!

Anna: WOW!

Nico: HAPPY BIRTHDAY ANNA!

Kristoff: We made it special for this!

Me: Yep.

Anna: Aww thanks guys!

Me: Anytime. Pinkie Pie and the Mascots and all of us made it special.

Elsa: And Poromon how about you blow the Birthday Bukkehorn this time?

Poromon: I would be honored!

Poromon went up to the Birthday Bukkehorn.

Poromon: (INHALES) (Gears up to sneeze) AH AH AH AAAAHHHHHCHOOOOOOOO!

He sneezed and blew into the horn and then...

ZAAAAAAAAAAAPPPP!

(HORNS SOUNDS) (LIGHTNING CRACKLES)

A MASSIVE HUGE BALL OF LIGHTNING BLASTED OUT AND WENT FLYING!

Me: WHOA!

I flew up and saw where the ball was going.

Nico: Where is it heading?

Me: (Smiles sinisterly) Over to Weaseltown!

The Duke of Weselton was muttering over his failure to get Arendelle's secrets.

Duke: (German Accent) Lousy Team Loud Phoenix Storm! STUPID LANA! I will get those secrets if it's the last thing I do and kill that demon witch ice queen!

But then...

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

THE BALL HIT HIS CASTLE AND IT EXPLODED INTO KINGDOM COME!

Deadpool: (to the viewers) Hey, don't give us that look. Hans was killed by Vexen. Someone had to be hit!

Jamesdean5842: (LAUGHS) You're right on that Wade. I never liked that jerk and neither does Arendelle. He had it coming.

Nico flew over and saw the kingdom reduced to nothing but a crater.

Nico: WHOA! What power.

The duke emerged from the rubble.

Nico: Duke of Weaseltown, you have failed this kingdom. But I think having your kingdom blown to kingdom come is a good enough punishment for you. Auf Wiedersehen! (teleports out)

Duke: (Yelling in German) VERFLUCHT SEI IHR, TEAM LOUD PHOENIX STORM, IHR DUMMEN, KARTOFFELGESICHTIGEN ARSCHLECKER! (CURSE YOU TEAM LOUD PHOENIX STORM YOU STUPID POTATO FACED BUTTFREAKS!)

Nico came back.

Nico: Nice shot Poromon.

Poromon: Thanks! That was funny!

Me: Even though it was unintentional, it was funny and I never liked him.

Elsa: You didn't kill him?

Nico: No need. Anti Monitor probably cut ties with him by now with Hans dead.

Poromon: Awesome. We can finish the job by showing him the trailer.

Nico: Like I said, no need. With his castle gone, what can he do?

Me: Maybe he can work for the M.O.E. and make sausages for them forever.

We laughed!

Hunter: (German Accent) That would be a good punishment for him ja.

Me: Yep.

Nico: Good idea.

But then...

SCREAMS OF AGONY AND FEROCIOUS FIGHTING!

Me: What the?

We went outside and saw a Machamp! It was beating up a bunch of Weselton soldiers mercilessly!

Me: Whoa a Machamp!

Nico: Where did that come from?

Me: Must be one of Dark Gale's work.

Sheena: Whoa this one is a strong one. Her name is Mandy Tetraarm and she is a hybrid of a Tetramand.

Me: WHOA! Fourarms' Kind!

Fourarms: This is fitting for her because she has 4 arms like me.

Me: That is cool. Lets go help her.

We went over to her.

Fourarms: Okay kid lets calm down and sort this out.

She woke up to see Horsea's smiling face

Mandy Tetraarm: (Groans) What? Huh? A Horsea?

Horsea: You hit my clone!

Maria picked her up.

Fourarms: You mangled up a bunch of guards from Weselton.

Me: Because you were turned into a Machamp by Dark Gale.

Mandy Tetraarm: Oh man! I was battling a bunch of Forever Knights men still in hiding.

Me: Well it's good they were dealt with.

Qin: Yep.

Manny Armstrong: It's awesome to meet another fellow Tetramand.

Mandy Tetraarm: Same here Manny.

Nico: This one is obvious.

Me: Yep.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new red sports clothes and a red warhammer.

Mandy Tetraarm: I look awesome. And also I can grow my extra arms at will.

Me: Neat.

We had a good time at the party and later went back home.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells to get his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings even stronger than ever, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous white angel wings.

Same with Super Brother doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells to get his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings even stronger than ever, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous white angel wings.

Lincoln: We don't have long before our final showdown with Vrak, Morgan Arcangela, and Damien Algernon starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift an extremely mountain-sized massive 999-septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky

muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Me: Yep.

Air Man: There's still leftover cake.

Me: Always have it for dessert.

Lola: Good idea.

Nayru (Zelda): Always up for something.

Me: Yep.

Then Zordon called.

Me: Zordon!

We answered.

Zordon: Team Loud Phoenix Storm! You must head to Coral Harbor immediately. Snide is on the move and he is coming for revenge against you.

Me: We're on our way Zordon!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo and second smaller halo of light in the center and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo that's behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Snide, he's come back and he wants revenge for the death of Evox. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: So, you've finally come crawling out, Snide!

Eli: Finally, now he's dead!

Lincoln: That's for sure.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it's Snide, he's come back and he wants revenge for the death of Evox.

EVERYONE GASPED!

Tyler Navarro: Snide's back?! I thought we were done with him!

Devon Daniels: Looks like he went into hiding after Anti-Monitor brought him back.

Lincoln: Yep, and he's in Coral Harbor and he's attacking with a massive army of Tronics and Vivixes.

Me: That monster!

Nico: That's it, he's done now! Alright, team, let's get going, we're off to Coral Harbor to take down Snide for good.

Lincoln: Snide's time in this world is done, this is where he dies once and for all.

The previous group came

Duskmon: Can me, Grumblemon, Ranamon, Mercurymon, Arbormon, Mirror Master, Steam Smythe, New Wave, BlackWarGreymon and Hydrax go with you guys?

Nico: Yes you all can come with us. This is gonna be one intense battle.

Qin: It sure is.

Lola: Yep.

Me: Evox and Venjix are gone for good. But we have one last loose end to tie up.

Elec Man: Nico, which Gene Slammer do you think you'll meet next?

Nico: Elemental HERO Great Tornado next.

Me: Wind power.

Qin: Nice.

Lola: YEAH!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo and second smaller halo of light in the center and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo that's behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Lord Mictlan, the main antagonist of Maya and the Three, and he wants revenge on Maya and all of her allies for destroying him. When we saw it, we knew it meant trouble.

Lincoln: Oh no, now we got trouble.

Me: Was that...?

Lincoln: Lord Mictlan, and he wants revenge on Maya and all of her allies for destroying him.

Maya: Oh no.

Naomi Gutierrez: Maya, leave this to me and Lincoln, we'll make sure Mictlan dies once and for all.

Lincoln: That'll be done with me absorbing him and assimilating all his powers and abilities and finally sucking out all of his remaining energy from his soul and banishing him to The Black Abyss for good.

Nico: Too bad we didn't face him on Cinco De Mayo, but oh well, at least, we'll be rid of him for good. Alright, team, let's get to Coral Harbor and get rid of Snide once and for all.

Lincoln: Both the Dino Charge Rangers and Beast Morpher Rangers will finally be rid of Snide once and for all, and it'll be a good warm-up for when we face Sledge and Poisandra on Tyler Navarro's big day, and once we're rid of Snide forever, you're next, Mictlan.

Naomi Gutierrez: You have run free for too long, Mictlan, this is where you pay the price for all of your crimes.

Lincoln put up a powerful rainbow energy field around The World Tree Estate and we headed to Coral Harbor to finally destroy Snide once and for all, and once we send him to The Black Abyss once and for all, Naomi Gutierrez and Lincoln are going to take down Mictlan, and Lincoln's going to absorb him.

We were off to Coral Harbor.

We arrived.

Me: We're here.

Devon: Good to be home.

Ranamon: Lets call Whiplash y'all.

Me: Good idea. Robo Roxy and Robo Blaze too.

We did so.

Whiplash: We're ready guys.

Robo Blaze: And this will be awesome.

Me: Yep. If any Tronics show up, blast them.

Concrete Man: Is the Super Mega Skyship Zord ready?

Devon: It's ready.

Me: Good.

Camie: Thank goodness Evox and Venjix are gone forever.

Ymir: No kidding.

Naomi Necroshade: Yeah those monsters had it coming.

Arbormon: I know you guys faced Snide when Vitog showed his face. But not all of us were there for that

Tyler Nevarro: Well, me and my team can tell you guys all about Snide.

Me: I remember Snide possessed Heckyl.

Tyler and everyone went over his history.

Snide is the secondary antagonist of Power Rangers Dino Super Charge and a supporting antagonist in Power Rangers Beast Morphers.

He was an ammonite-themed outlaw and Heckyl's evil counterpart who took over Sledge's Crew after Sledge's disappearance.

Millions of years ago, when his home planet Sentai 6 was invaded by Lord Arcanon, Heckyl, who knew the whereabouts of the Dark Energem tried to take it away from Arcanon. While on the run, he accidentally damaged the Dark Energem's container and desperately took the Energem with him. Unfortunately, because the Dark Energem was forged from the residual dark energy that was left behind after being used for creating the other Energems that later fell into the Rangers' hands, the Dark Energem's powers corrupted Heckyl, turning him evil and resulting the birth of his monstrous alter-ego, Snide.

After he barely escaped from Sentai 6's destruction, he went on a rampage destruction across the universe. Heckyl, alongside Greenzilla and his alter ego Snide, were repeatedly stated to be the worst outlaws ever that were ever captured by Sledge and were therefore confined within special cells. According to Wrench, Heckyl laid waste to and destroyed countless galaxies before being captured and confined by Sledge. His deadly powers and dual personality as a result of his fusion with Snide are reasons why he was kept within special cells by Sledge himself as well.

Centuries later, Sledge takes desperate measures in acquiring the Purple Energem when hearing that the bond to its previous host was severed and in need of a new host. He ponders whether he needs to enlist Heckyl's help for carrying the task to retrieve it or not. The mere suggestion of releasing Heckyl is enough to cause an uproar within the ship, sending all of the prisoners into instantaneous panic and instilling fear even to Wrench and Fury. Despite being aware of the risk to even his own well-being, the fearless but concerned bounty hunter sends him to Earth after conceding to his offer of ruling the universe together as partners in case of a successful mission. Sledge only agrees to this because Heckyl is the only one of his prisoners that looks human enough to possibly fool the Dino Charge Rangers into trying to bond the Purple Energem to him. This plan actually goes smoothly until Wish Star intervenes, attempting to acquire the Energem to earn his own freedom. Heckyl would have fought for it but holds back purposely knowing that, if the Rangers see his true nature it would ruin his own plans. After Wish Star is defeated and Fury successfully retrieves the Purple Energem, Heckyl attempts to explain himself only for Sledge to declare their partnership over and narrowly blast him back to his cell with a shot from his now Energem-enhanced blaster.

After Sledge's Ship crashes following the final confrontation with the Dino Charge Rangers, Heckyl (whose body has been taken over by Snide) sees the opportunity to escape from his damaged special cell. A group of Vivix and Spikeballs are shocked to see Snide in his true form, confused as Heckyl is supposedly confined in said cell. Snide kills one of Spikeballs whom claims that Sledge is their true leader before his tattoo glows and results in Heckyl regained control over his body. Heckyl asks the guards to forgive his other persona's brutal tendencies before ordering the Spikeballs and Vivix to free all inmates and give them snacks to gain their trust. He also sets an example for what happened to traitors by killing a monster who wishes to walk away.

After asserting his authority over the remaining monsters on Sledge's ship, Heckyl sets out to obtain the Power Rangers' Energems by infiltrating the Power Rangers, getting a job at the museum where they all work. Snide refers to the Energems as the key to his "past, present, and future." When Snide is not in control of Heckyl's body, Snide speaks to him through Heckyl's pocket watch; a similar ornament on Snide's sword allows Heckyl to speak to him when their positions are reversed. Heckyl and his alter-ego have clashing personalities, but Snide can only maintain control of their body for a limited time. This led to complications in one of Heckyl's plans to find the Rangers' lair, in which he managed to succeed, only for he and his minions to have their short term memory erased due to Curio's bungling.

During the plot by the monster Nightmare, Shelby finds Heckyl using one of Nightmare's pillows on the others. After destroying it, Shelby reveals Heckyl's true intentions and claims that Heckyl is working for Snide. Heckyl states that he doesn't work for Snide as he transforms into Snide stating that he is Snide. Before escaping, Snide states that his group will find their lair soon. Not long after being kicked out from the Dino Bite Cafe, Snide accompanies Fury and Wrench when they investigates Singe's arrival on Earth. Though initially intent on destroying him, the reasons that the upstart outlaw may be a valuable ally and chooses not only to spare him, but also to recruit him to his cause. It is also through Snide's first interaction with Singe that he is associated with Heckyl, who seems to be fonder and liking of Singe's style and attitude, as well as more patient and willing to listen to his ideas. Though Singe fails his first mission, he is given credit enough to be allowed to become a permanent member of the crew and a key player in the clash of good versus evil taking place on Earth. Although Heckyl findd that Singe cannot cooperate well with Fury, he later locks them both in one cell until they put aside their differences.

The Relationship between Heckyl's faction and Singe eventually becomes strained when Heckyl gives Fury a blaster that originally belonged to Singe. This eventually worsens when Fury catches Singe communicating with his mysterious employer and demanded the truth after the conversation ended. Singe claims that he was talked to his grandmother but Fury is not convinced but pretends to otherwise and reports what he heard to Heckyl. Ultimately, after realizing that Singe knows the whereabouts of the Titano Zord all along, Heckyl interrogates Singe only for the latter to attack him. As result, Heckyl kicks him out of the ship and allows Fury to kill Singe on sight should he be spotted again. Heckyl's reign does not last much longer as, when Singe returns, he is now accompanied by his ally Doomwing and their employer Lord Arcanon. The villains engage in a power struggle, each of which having their two top generals beside them; in the case of Heckyl and Snide being Fury and Wrench. Wrench tries to turn the table of battle by summoning his newly created superweapon-monster hybrid Fortress only for Doomwing to counteract by stealing Dino Charge Rangers' Zords. Unfortunately, Doomwing's scheme provokes the Rangers to show up and retake their zords but not without causing severe damage to Fortress in the mid of struggle. As a result, Arcanon and his generals are successful in defeating Heckyl and imprisoning him again, making Arcanon the outlaws' new master. This defeat is nothing for Heckyl as, upon seeing Dark Energem in Arcanon's possession, he recalls his lost memories when he used to be a good guy and angrily attacks Arcanon before being subdued.

Later, Snide puts Arcanon's patience in hard test when (by using his tentacle on Singe) he impresses Arcanon and claims that Singe is weak, Heckyl lack respects him and he can matter only on him. He proposes a plan to destroy the Rangers : inverting the Rangers's bodies thanks to Professor Strickler helped by Nightmare and Game Face. Arcanon appreciates Snide's plan, and asks him for what he wants. Snide answers him that he wants to separate with Heckyl, destroy him as and become a general of Arcanon, and he accepts. He sends Wrench to retrieve the Rangers' device used to separate Doomwing and Zenowing. Heckyl angered by Snide's decision, discovers that Snide makes fun that Arcanon destroyed their planet and all those that they loved. After that Snide's plan is failed (Strickler, Game Face and Nightmare are destroyed), Arcanon is furious, but Wrench activates the device and the operation begins. The separation succeeded, Heckyl returns in jail again and Snide joins Arcanon as general. Heckyl does manage to escape, now reverted to the original self that wishes to redeem himself. When Snide proposes to Arcanon to destroy the Rangers with Screech and Conductro, he treats him useless because of Heckyl's escape. Snide allies with Sledge and his crew, and they destroy Arcanon and his crew, Heckyl assists at the battle and flees. When Sledge and Snide celebrate their alliance, Heckyl manages to regain the Rangers' trust, first in helping Shelby, Phillip, and James against Badussa by destroying his amulet with Shelby.

Snide later surprises Sledge and Poisandra saying that he is not in Sledge's masterplan and goes to be sending in a suicidal mission against the Rangers, enraging him. During the wedding of Sledge and Poisandra, he steals the Dark Energem thinking that Sledge won't abandon him with it. Heckyl enjoys his last day on Earth, says to the Rangers that Sledge has deployed Six Greenzillas at London, New York, China, Tokyo, Hawaii and Amber Beach and refuses in a first time to help them despite Shelby said him "Snide is evil, but not Heckyl. You changed." During the battle between the Rangers and the Greenzillas, Heckyl helps a mother to find her daughter, she thanks him and it makes him realize that Shelby has rIght about him. He protects Kendall when Snide defeats her after he discovered and destroyed the Rangers' base and tried to bribe her and Keeper with the Dark Energem. He fights Snide with Shelby, Koda and Kendall but they are defeated. When Snide demands the Magnabeam, Sledge refuses chocking Wrench. Snide curses Sledge and is destroyed by the ten Rangers and Heckyl.

In the second season of Power Rangers Beast Morphers, Snide is resurrected by Robo-Roxy and Robo-Blaze.

When they were done we were shocked and horriified.

Me: He's worse than we thought!

Xenia: Yeah!

Dive Man: (to Heckyl) So, Snide shared a body with you?

Heckyl: Yes he did and that is why I did so many horrible things.

Me: Well we're not going to let him get away with all of his crimes.

Qin: So much damage was caused because of him.

Sento: Just like Evolt.

Thunderblast: And I remember that he helped Evox along with Goldar.

Me: After Goldar was inactive for 19 years. I think.

Steam Smythe: Goldar was brought back 22 years after his original defeat.

Me: Ah. That makes sense.

Qin: Yeah.

Me: I lost track.

Nico: No worries.

BlackWarGreymon: And the next Evil Underground Girl will be with him.

Sheila: And I have a really good idea I know who it is.

Me: Who is it?

Sheila: Her name is Her name is Michelle Exetor and she is a former member of the New York City Police Force that I worked at before I got turned into Shredlegs. She was fired for her brutal nature and did terrible things that made the police look bad. She was brutal and would hurt people in the interrogation rooms. I caught her beating up a bunch of gangsters for no good reason and she was fired and arrested for her crimes. But just as she was about to be sentenced, she escaped and went into hiding! I was made a new officer in her place. Michelle swore vengeance on me and swore to kill me!

WE GASPED IN SHOCK!

Me: Oh great! As if dealing with Snide wasn't bad enough now we got a disgruntled former cop here!

Nico: Some of those criminals might have been minor ones!

Me: Nico this is serious. One thing cops never accept is one of their own being so brutal to criminals and all that.

Sheila: He's right Nico. This is a cop that is out to kill me.

Me: Yep.

Nico: Okay you made your point

Horsea: But some of those probably weren't that bad.

Me: Maybe, Maybe not.

Sheila: We never accept brutal treatment on anyone good or bad. Michelle is one dangerous monster. She's mentally unstable and should not have been made a cop.

Me: Oh boy.

Qin: Yeah.

Nico: No telling where she is now

Me: Yeah.

But then...

ZOOM!

SLASH!

Something swooped in and slashed Nico across his chest with intense speed!

Nico: OW!

Me: What the!?

We saw claw scratches on Nico!

Me: GEEZ! What did that!?

Camie: I didn't see anything!

Lincoln: Oh man! It's Devon's Akuma, Cheetahred! The Hypothetical Akuma of Devon. He is a Red Cheetah and was really fast! He can run at over 500 miles per hour. He was made because of Evox/ Venjix killing all his friends and vowed to use his speed to blast him all the way into the Dark Dimension.

WE GASPED!

He showed a sketch of him and he was a red cheetah!

Me: WHOA He's a red cheetah!

Nico: WOW! His speed is intense!

Doofeenshmirtz: I get it. Because Cheetahs are fast and Devon has super speed!

Me: Fitting.

Devon: It sure is.

Rainbow Dash: That is awesome!

Me: it sure is! This looks like a job for the Super Speed masters.

Sonic: Leave that to us.

Speedy Gonzales: (Spanish Accent) Si señors. But we're ready for him.

Me: HERE HE COMES!

We saw him move really fast!

We saw him running around so fast we could hardly see him.

Nico: I'm surprised he hasn't mastered the Speed Force with that kind of speed.

Rainbow Dash: Lets get him!

ZOOM!

Sonic: UP OVER AND GONE!

Speedy Gonzales: OLE OLE YEEHAW!

ZOOM!

Flash: Lets run and dash!

ZOOM!

Roadrunner: Meep meep!

ZOOM!

Quicksilver ran fast!

Ben turned into XLR8!

XLR8: XLR8!

ZOOM!

Helen Wheels ran fast!

Ben 10,000: XLR8!

ZOOM!

They all ran fast and went at him and bashed him down and we saw him! CHEETAHRED!

Me: WHOA!

Cheetahred: Nice one!

Me: Thanks! Your speed is amazing!

Hydrax: Devon? Is that you?

Cheetahred: It's still me.

Me: You look awesome as a cheetah.

Cheetor: You and I are gonna get along great fellow pussycat!

Cheetahred: (LAUGHS) You bet we are! We're fast and proud of it!

Flash: You got that right!

Whiplash: You need to calm down!

Cheetahred: Not till Evox pays.

Me: Well you're going to get a shock from this. Evox is also Venjix. In 2009 after the RPM Rangers defeated him, he went into hiding in Scott's morpher and he laid dormant for 10 years. In 2019 he resurfaced as Evox and you didn't know that Evox and Venjix are both one in the Same.

Cheetahred Gasped!

Cheetahred: So Evox was really the RPM Rangers enemy Venjix!?

Me: Yep. We were blown away by that revelation.

Devon: Me and my team actually learned that before we met Team Loud Phoenix Storm

Cheetahred: Oh man! That is nuts!

Me: I know. But Venjix/Evox is gone for good. We killed them both and gave them the Black Abyss.

Cheetahred: Good riddance.

Me: Okay now we can fight.

ZOOM!

I ran fast and bashed him down.

Cheetor: Cheetor, MAXIMIZE!

He transformed and blasted him all over the place.

Whiplash lashed him all over the place.

Cheetahred: My turn!

ZOOM!

I ran fast with Rainbow Dash's speed and intercepted him and knocked him down with a powerful punch!

He was knocked out!

Me: YEAH!

Hard Man: Depending on how you look at it, this counts as an endangered species

Me: It sure does.

Qin: Now we got to go get that jerk Snide.

Xenia: Yep.

Lincoln: Alright, everyone, gather around.

Lincoln pulled up a hologram of Coral Harbor, and he zoomed in on our target.

Lincoln: Now, as we already figured out, our main target is Snide, and like I said, he's on the move, and he has a massive army of Tronics and Vivixes with him and he's out for revenge on us for what we did to Evox A.K.A. Venjix, the RPM Rangers' enemy.

This is where he dies once and for all.

We flew out and Lincoln tore the Vivix and Tronics apart with his bare hands and claws and massive greatsword and he even mauled them by sinking his fangs and teeth into them and ripping them apart! We had stunned looks on our faces as we saw the outright savagery Lincoln caused.

Me: (Stunned) Wow...! Just...wow!

Nico: (Stunned) Damn...! I knew Lincoln was a beast, but that might not even be the correct word I'd use.

When Lincoln was done, his fangs were covered in blood and he had blood covering his hands and chest. The other Vivix and Tronics decided to eventually off themselves upon seeing the outright savagery of what Lincoln did: they saw he was even more savage than when he turns into Lincoln the Nocturnal!

Lincoln: (Beastly Gruff Manlier Voice) YEAH! THAT'S RIGHT! YOU BETTER FUCKING RUN, YOU UGLY FREAKS! AND IF I SEE A SINGLE ONE OF YOU CROSS INTO OUR TERRITORY AGAIN, AND I'M GONNA PULL YOUR FUCKING GUTS OUT RIGHT THROUGH YOUR MOUTH AND DEVOUR THEM! THEN, I'M GONNA TEAR YOUR FUCKING HEADS OFF AND MOUNT THEM ON THE WALL! SO, TRY TO COME AFTER US AGAIN!

LINCOLN LET OUT ANOTHER SAVAGE AND LOUD ROAR AS HE POUNDED HIS CHEST ONCE AGAIN! OUR JAWS DROPPED TO THE FLOOR!

CLANG!

ELI CLOSED OUR JAWS!

Me, Maria, May, and Qin: OH! MY! GOD!

Nico: HOLY! SHAMOLY! WHAT DID WE JUST UNLEASH?!

Francis and Eddy: (LAUGHING HYSTERICALLY) YOU'RE AN ANIMAL, LINCOLN!

Lincoln: (Beastly Gruff Manlier Voice)(SPITS OUT SOME BLOOD) BLECH! That was just absolutely nasty! Mom, do you have some mouthwash?

Rita got out some mouthwash.

Rita: Never leave home without it. Here you go, honey.

Lincoln: (Beastly Gruff Manlier Voice) Thanks.

Lincoln gargled and spat it out into a nearby sink.

Then, we spotted Snide along with more Vivix and Tronics, and they're causing havoc in Coral Harbor.

Me: And there they are.

Nico: Finally, now we can end them.

Suddenly, the spirits of The Dino Charge and Beast Morpher Rangers appeared and they attacked Snide with fury along with sudden blasts of red, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, elemental forces, magic, mythical beasts, phoenixes, and angels from Alexander Avalon. Then, the spirits converged and a massive explosion erupted as a Thunderbird Screech, Dragon Roar, Wolf Howl, Tiger Roar, and Phoenix Cry was heard, and we appeared and that pissed off Snide even more.

Me: Snide!

Ashi: Sup, Snide?

Snide: Team Loud Phoenix Storm!

Me: That's right and also the ones that killed Evox/Venjix!

Snide: WHAT!? YOU ALL KILLED EVOX!?

Me: Don't fret though. You'll be joining him soon.

Snide: Admittingly, I didn't work for him long. But he was more better then Sledge. So, you still have to pay for that!

Mirror Master: Cash or credit card?

Snide: Oh laugh it up!

Me: We'll make you pay Snide, In blood for hurting Heckyl and making him do terrible things!

Snide: (ENRAGED SCREAM) Damn you, Team Loud Phoenix Storm, how dare you show up again to ruin my plans to rule the universe and I will make you all pay for what you did to me!

Lincoln slashed at Snide really bad with his massive greatsword and gold-armored dragon claws and rainbow wolf claws on his finger tips, and not only did he leave some nasty scars on him, and he screamed in agonizing pain. Same with me doing the same thing to him!

Snide: Impossible! How?!

Me: We've never faced you before, Snide, we only faced Sledge and Poisandra.

Tech E Coyote: And since your ties to Heckyl had long since been severed, we have no need to hold back, it's time for you to die, Snide.

Snide: (ENRAGED SCREAM) DAMN YOU ALL! VIVIX! TRONICS! ATTACK! KILL THEM ALL!

Suddenly, more Vivix and Tronics appeared and charged at us, but Lincoln fired more rainbow energy blasts at the Vivix and Tronics and destroyed them and he fired white hot fire blasts at Snide and he screamed in absolute pain.

Nico: Luckily, it wasn't like yesterday with Vrak. (SHUDDERS) Lincoln made quite a mess beating him up like that.

And Lincoln, Nico, Super Brother, and I also flexed our muscles even more which really aroused our harems even more, and at the same time, Snide began growing weaker as all his powers were being sucked out of them one at a time and was pumped into Lincoln, Nico, Super Brother, Eli, and I.

Snide: (Groans) They're sucking me dry, I can't take much more of this!

Then, when Lincoln, Nico, Super Brother, Eli, and I were done and the stingers changed back, Snide was severely weakened to a degree and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and he flexed his massive muscles as fire burst out of his massive biceps and massive muscles same with me, Nico, Eli, and Super Brother!

Devon Daniels: It's all over, Snide, all of your allies have turned their backs on you and all your powers and abilities are gone as well, you have no means to fight back.

Tyler Navarro: It's time for you to pay, this is where it finally ends for you.

Snide: We'll see about that!

Then, more vampires from Sunnydale charged at us, but we stabbed them in the heart with some stakes and killed them as they turned to dust.

They let out the wolf howl from the Season 3 intro of Buffy the Vampire Slayer, and as they began to play, that finally did it as Snide lost his mind and went at Caleb Maxwell despite having all of his powers and strength sucked out of him by me, Lincoln, Nico, Eli, and Super Brother, but Caleb Maxwell fired extremely powerful blasts of black and crimson red, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, blood, vampire bats, demons, phoenixes, and angels, and they exploded with incredible power as they hit him. Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Not without a scratch! You're finally done for, Snide. Time to die!

Lincoln went wild on Snide as he punched, kicked, and slashed at him like a wild beast, and he left scars on him, and I also did the same as well.

Then, Lincoln held out his left hand and fired 999 massive balls of fire at Snide, and they collided and exploded as they hit him, and he also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more along with the immense divine powers of The Gods and Goddesses of The Ancient World.

Finally, Lincoln formed a massive blue fireball in his left hand and he threw it down, and then, it sunk into the ground unleashing a storm of lightning bolts and raging fire, and...!

KRABOOM!

IT EXPLODED IN A MASSIVE FIERY EXPLOSION OF BLUE FIRE AS IT ROSE UP INTO THE AIR AND THE EXPLOSION ALSO HIT SNIDE AND PILLARS OF BLUE FIRE ROSE FROM THE GROUND AND HIT HIM AND HE GOT BURNED!

Well, it's about to get a lot worse for you.

Lincoln and I went at Snide and we began brutally smashing him all over the place with our immense massive godly superhuman strength, and it was even more brutal than ever. Then, we punched him hard in the face and kicked him in the stomach and we sent him flying into a wall, he got back up and Lincoln and I fired massive elemental energy balls and beams of light at him and he really got scorched and burned.

Lincoln, Nico, and Me: NOW, GO STRAIGHT TO HELL FOR ALL ETERNITY, SNIDE!

Lincoln, Nico, and I attacked Snide with a last and powerful downward swing of our massive greatswords and that caused a massive explosion to erupt and the chains broke and Snide was on his last legs as Lincoln, Nico, and I landed in front of the team, and it also exposed Mictlan, our secondary target who was then put into suspended animation until later.

Ed Cowart proceeds to insult Snide.

How do you like your face, Snide? Fried, scrambled, or wiped out? Prepare your ass for defeat and one last thing?

Ed Cowart punched Snide, then he threw him to a vat of hot fudge, then he wedgied Snide and pulled his underwear over his head.

Ed Cowart: WEDGIE!

Then, he threw a giant exploding cherry cake at Snide which explodes covering him with cherry bits, cake bits, and icing bits, and he finished by firing hyper hot sauce and hyper hot nacho cheese at Snide.

Time to die, Snide!

I clashed and blasted him all over.

I kicked him in his face and knocked him down!

Devon: Lets do it guys!

Beast Morphers: IT'S MORPHIN TIME! ACTIVATE BEAST POWER!

They transformed and were ready!

Beast Morphers: UNLEASH THE BEAST!

Snide: (to Devon) You really think you can destroy me. You didn't even get to face me last time!

Sheep Creep baaed.

Snide:...what?

Me: He said the Dino Charge Rangers have had their fun with you and now it's time for the Beast Morpher Rangers to get their shot and they are going to get that opportunity!

Devon: That's right!

Camie: Just like all of us are!

Ymir: And it's going to hurt!

Ymir and Camie fired waves of blue fire and Aurora energy.

Carina and Helena Heat fired waves of fire and blasted him.

Snide fired energy blasts at Mercurymon.

Mercurymon: Dark Reflection!

He reflected the blast back and it hit him.

Ranamon: Lets make this fun hun. DARK VAPOR!

She fired dark vapor gas and burned him all over.

Grumblemon: SEISMIC SLEDGE!

KRASMASH!

He smashed the ground with his club and knocked him down.

Connor: Don't forget that me, Kira, and Ethan were the ones who killed you!

Snide: Oh, I remember that! I think I'll kill you 3 first!

Buddy Pine: The fuck you will!

Me: You got to get passed us first!

Snide: Gladly!

Me: I will never forget that though.

I slashed Snide all over the place and blasted him with intense energy and massive fiery explosions blasted out all over the place.

KRABBBBBBOOOOOOOOOOOOOOOMMMM!
KRABBOOOOOOOOOOOOOOOMMMMMM!
KRABBBBOOOOOOOOOMMM
KRABBBBBBOOOOOOOOOOOOOOOOMMMM!

I fired numerous energy blasts and Nico and May fired waves of energy and blasted him left and right.

Grumblemon: Have some of this!

He bashed him with his club!

Duskmon slashed him with his swords!

Arbormon blasted him with wood nuts.

Me: YEAH!

Snide: Oh did I forget to mention that I'm not alone?

Me: I think we figured that out!

I fired an energy blast and it hit a bush and exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOMMMMMM!

Out of the explosion came a figure. It was a woman with dark green hair and brown eyes and had a brown jumpsuit on.

Sheila: Michelle Exetor! Just as I hoped!

Michelle growled!

Michelle Exetor: YOU RUINED MY LIFE SHEILA! I WAS DOING

WHAT WAS BEST FOR NEW YORK ANDYOU RUINED ME!

Me: No you brought that all on yourself bitch by abusing your power!

Michelle Exetor: Oh, get off your high horses. You morons pretty much do the same things I did! What exactly is the difference between us?!

Me: Because we have one thing that you lack bitch! A heart!

Sheila: You are under arrest Michelle! Your joyride is over!

Michelle Exetor: I don't think so!

Her eyes turned aqua blue and she transformed into a black version of Shredlegs called ANTI-SHREDLEGS!

Me: Nasty!

Sheila: Well lets get it on then! Who wants to help me out?

Lupin: You know I'm game!

Leni: I'll help too!

Carmelita Fox: Same with me!

Nico: And how many of those criminals you beat up barely did any crimes at all?!

Anti-Shredlegs: 4,230 of them! All DUI and minor offenses.

Sheila: You are sick Michelle!

Anti-Shredlegs: THEY DESERVED IT!

Nico: They didn't deserved to be beat up! Only people like rapists and murderers deserve that!

Me: And those are the kinds of people we kill!

Snide: Boy this girl has some serious issues!

Me: That we can agree on.

Anti-Shredlegs: Well also I killed 500 people that were loitering!

Me: You are REALLY SICK!

Nico: Loitering isn't that big of an offense!

Anti-Shredlegs: I DON'T FUCKING CARE! THEY ALL DESERVE JAIL AND DEATH!

Me: You're the one that deserves jail or death!

Sheila: I've heard enough!

She fired waves of energy and blasted her down.

I fired waves of energy and blasted Snide all over!

Kecleon charged at him and went invisible and blasted him all over the place.

Sheila, Inspector Fox, Leni and Lupin blasted her all over with lightning and energy.

I fired a wave of energy and it hit Anti-Shredlegs and separated Michelle from her. We scanned it with our omnitrixes.

Nico then banished Anti-Shredlegs to the Black Abyss!

Nico: YEAH!

Sheila went over to Michelle.

Michelle Exetor: No hard feelings right Sheila?

But then...

KRABLAM!

She punched her in the face!

Knocking her out. They slapped the cuffs on her.

Sheila: Yes to hard feelings!

Mandy Tetraarms bashed and pulverized him all over with intense strength.

Mandy was surprised as her body started trembling. She yelled out in surprise as her body started expanding

Same with Hailey Heatblast.

Hailey Heatblast: NO! We control the power. It doesn't control us!

They concentrated and reigned in the powers of Flareon and Machamp and they transformed and bashed and pulverized Snide all over the place!

Devon: You got a team weapon for us?

Me: I sure do. Saving it for the final smashes and combos.

Devon: Looking forward to it.

Me: You're going to get a treat out of it.

Devon: Honestly, I hope it's a combined Team weapon. If not, that's fine.

Me: Oh it is! Trust me on this!

Qin: Cool!

Devon: Good to know!

Me: Yep.

I fired waves of energy and blasted Snide all over.

Then Whirlwind, Molten Man, Koragg, King Shark, LaGrange, Mr. Mittens, Abomination, Lady Shiva, Selene and Red Ghost came.

Nico: Whirlwind, Molten Man, Koragg, King Shark, LaGrange, Mr. Mittens, Abomination, Lady Shiva, Selene and Red Ghost.

Sinde: So you all came to help me out?

Their response?

Whirlwind, Molten Man, Koragg, King Shark, LaGrange, Mr. Mittens, Abomination, Lady Shiva, Selene and Red Ghost: NO!

They punched him in his face and smashed him down!

Me: As if they will help you!

Mr. Mittens: If it's murderers and rapists, it's fine.

Abomination: But police brutality on those who committed minor crimes?

Shiva: Even by our standards, that's too far!

Me: That is too true.

Selene: (to Nico) We heard you fought Simpleman.

Nico: We sure did.

Red Ghost: (to Zak) You should take care of that Arctovish.

Zak: I will.

Klawlox came.

Me: Another round Klawlox?

Klawlox: Yep.

Me: Awesome!

Klawlox: Nice job taking out Venomark. Never did like that guy

Me: Neither did Ransik.

Qin: Yeah.

Me: But he deserved it.

Nico: Yep. LETS GET IT ON!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!?

We got the battles underway!

Tom Majors, Maria Santiago, Jared, Miranda Rodriguez, Thunder Eagle, Zyla the Faithful, Thundenix, Twilight Sparkle, Stellar Sparkle, Harmony Sparkle, Starshine Sparkle, Magic Skylanders, Air Man and Dust Man VS Whirlwind, Evil Luxord, Falkar, Carnom, Lego Red Hulk, Universe 666 Genie Jafar, Kekkaibo and Evil Air Minions (Theme including Maria Santiago) - Nico's rescue in Narnia and we battled Simpleman

---

Whirlwind was next.

Whirlwind (to Tom): Nico's rescue was in Narnia. He battled Simpleman

Tom Majors: He sure did and it was a really weird and crazy battle.

Maria Santiago: Yeah no kidding there!

Jared: Simpleman was one really unusual Akuma. He kept on bragging about stuff always being done back in his day.

Twilight Sparkle: Yeah that was crazy.

Stellar Sparkle: It sure was. One thing he mentioned was all they had to eat were toadstools and lizard tails.

Whirlwind: YUCK! That is definitely something someone not adjusted to the 21st Century would say.

Harmony Sparkle: I agree there on that.

Starshine Sparkle: Yeah no kidding there.

Spyro: More like something Homer's so-called dad would say.

Whirlwind: That too! Lets do it!

TOm Majors used Whirlwind's ring and they fired waves of wind and magic and smashed them down.

Kaz, Botanical Lion, Gullwings, Emily Lola Sarsaparilla, Sherman Klump, Ace Ventura, Toothless, Sunset Shimmer, Firestorm Shimmer, Sunset Shimmer (G5), Pipsqueak, Chalcanthite Aurora, Fire Skylanders, Fire Man and Elec Man VS Molten Man, Warp, So Yaguruma, Two Butt Monster, Plantimalsm Draco Zodiarts, Magmavore and Red Volcano (Theme including Botanical Lion) - The Anothers were the gene-slammers of Evil HERO Willawaw and Infinity Dark

---

Molten Man was next.

Molten Man: (to Kaz) The Anothers were the Gene Slammers of Evil HERO Willawaw and Infinity Dark. Nico, Armored Armadillo's team, Armadillo Monster's team, and the others did good battling them.

Kaz: They sure did and it was so awesome. But the gene-slammer of Evil HERO Willawaw had a REALLY HORRIBLE life.

Molten Man: Uh oh. What happened?

Botanical Lion: Well her name is Whitney Willawaw and Her father died of a terminal disease and her mother descended into alcoholism and abused and treated her like dirt and hated her. Her mother then became insane and then went on a killing spree and killed 502 people at a rock concert and was arrested and sentenced to eternity in prison. Whitney blames herself for everything that happened to her and is always crying hard.

THEY GASPED!

Molten Man: Oh man! That is horrible! Wait I know who her mother is. Her name is Velma Willawaw. She was a really good friend of mine. We went to school together a long time ago before I got turned into Molten Man. I wanted to be there for Velma but after I heard about what happened but I got turned into Molten Man and I heard she completely lost her mind. She claimed she did all that because her daughter is the one that killed her.

Kaz: WHAT!? That's crazy! Whitney couldn't have done it because it was because of a terminal disease.

Molten Man: I know. Her grief made her into an absolute monster. The people she killed were all of Whitney's friends at school. She claimed she did it because Whitney doesn't deserve to be happy and she deserves to go through hell.

Kaz: Oh man! That's awful! Her mother is insane!

Molten Man: She sure is. Her grief ended up consuming her to the point where she made everyone miserable all just to make her daughter suffer. That is totally breaking the sacred bond. Maybe I can talk to Whitney after today and cheer her up.

Kaz: She would like that. Also we met a Flareon gene-slammer too. She is also Half Pyronite. Her name is Hailey Heatblast.

Molten Man: WOW! Half Pyronite! That is cool!

Yuna: It sure is! We were amazed.

Sunset Shimmer: I thought that was awesome!

Firestorm Shimmer: Yeah no kidding.

Sunset Shimmer (G5): I agree there.

Pipsqueak: (British Accent) That is for sure.

Chalcanthite Aurora: (British Accent) You got that right.

Sunburn: No kidding.

Molten Man: I agree. I hope Whitney gets better. Lets do it!

Kaz used Molten Man's ring and they fired waves of fire and

smashed them down.

Sarah Gunnerson, Fourtress, X-Squad Cyclonis, Tammy Lincolnshire, Venus Chan, Dream Girl, Sailor Krypton, Applejack, Emily Douglas, Apple Star, Wolf Moon Bloom, Apple Bloom, Earth Skylanders, Concrete Man and Impact Man VS Koragg, Darcy, Blackbrair Thorn, Hanayaida, Daroach, Anthrax the Terrible, Wolfbane and Wolf (Peter and The Wolf) (Theme including Fourtress) - Lincoln's rescue was at the The Wu Zhang Plains

---

Koragg was next.

Koragg: (to Sarah) I heard Lincoln's rescue was at the The Wu Zhang Plains. How was it?

Sarah: It was eally intense! We went there to meet Setsuna, Tamaki, and Shiki, the three characters from Warriors All-Stars and old friends and allies of Ryu Hayabusa, Ayane, Kasumi, Zhao Yun, Zhou Cang, Wang Yuanji, Yukimura Sanada, Mitsunari Ishida, and Naotora Ii, but we also got an urgent emergency there: our old enemy, Dong Zhuo along with Yuan Shu and the treacherous Huang Zu have mobilized their forces and formed an alliance to get revenge on Lincoln for killing them.

Koragg: Oh man! That must've been a REALLY INTENSE battle!

Sarah Gunnerson: It was!

Fourtress: Yeah no kidding!

X-Squad Cyclonus: That was a really powerful battle.

Dream Girl: But everyone had a lot of fun there.

Applejack: But Lincoln was not going to let the peace he made for the kingdom get destroyed.

Emily Douglas: That is for sure there!

Apple Star: Yeah that was an intense battle.

Wolf Moon Bloom: It sure was.

Apple Bloom: I agree there too.

Flashwing: Yeah that was awesome.

Koragg: Boy that must've been awesome! Lets do it!

Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and stabbed them into Mictlan, and he began absorbing him and he assimilated Mictlan's Immortality, Very high fighting skills, Combat prowess, Intimidation, Swordsmanship, Charisma, his God physiology: Immortality, Supernatural strength, Supernatural durability, Transformation, Divine powers, Mind control, and Persuasion, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips of his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

RRGH!

And he also flexed his muscles even more which really aroused his harem even more, and at the same time, Mictlan began growing weaker as all his powers were being sucked out of him one at a time and was pumped into Lincoln.

Mictlan: (Groans) He's sucking me dry and absorbing me, I can't take much more of this!

Then, when Lincoln was done and the stingers changed back, nothing was left of Mictlan, and Lincoln sucked out all of the remaining energy in Mictlan's soul and banished him to The Black Abyss, and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and he flexed his massive muscles as fire and elemental forces burst out of his massive biceps and massive muscles!

We cheered as we holstered our weapons and powered down and Naomi Gutierrez's new body, clothes, weapons, jewelry, Third Eye, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails, large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold star ring-shaped frame around it with embedded brown gems behind the gold halo with four large orbiting gold rings on each corner and four large Amaterasu's Heavenly Mirrors of The Four Holy Beasts with gold star ring-shaped frames around them with embedded brown gems behind the gold rings behind her head, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large brown and golden yellow planets orbiting around her legs, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 smaller brown and golden yellow planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized brown and golden yellow planets orbiting around her wrists and ankles, and enormous brown angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large brown angel wings underneath her enormous brown angel wings are permanent.

Naomi Gutierrez: This where it ends for you, Mictlan, and this is goodbye and good riddance. Thanks for helping me get rid of him, Lincoln. You too, guys.

Lincoln: (Smiles Warmly) You're welcome, Naomi.

Me and Nico: Our pleasure, Naomi.

Suddenly, Naomi Gutierrez wrapped her arms around Lincoln's waist as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Naomi Gutierrez's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Naomi Gutierrez sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Lincoln: And that's it for Mictlan.

Me: You just prevented another threat from arising, that was so awesome. So, Lincoln, who's the next girl we're meeting on your next rescue tomorrow?

Suddenly, we saw the symbol of The Volcanic Laval Masters of Courage and Laval Stennon.

Lincoln: (GASPS) The symbol of The Volcanic Laval Masters of Courage and Laval Stennon.

Adara Vulcania: There's only one person who fits this: Solana Vulcania, Avatar and Gene-Slammer of Laval Stennon, and you guys are going to love meeting her, Solana Vulcania, Avatar and Gene-Slammer of Laval Stennon, is Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval Stennon. She's The Volcanic Lava Weapons Master and member of The Volcanic Laval Masters of Courage, a group of courageous girls who are the Avatars and Gene-Slammers of The Laval Duel Monsters and they're born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and their goal is to protect and defend Lincoln from his enemies, and they are the bravest, strongest, and courageous of Lincoln's Guardian Angels. No one was able to defeat them in battle, and if they dared to anger them, they were going to get burned in a pretty nasty way. Solana Vulcania came to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval Stennon, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Pyrokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of

Laval Stennon, and Lincoln was already born with immortality and invincibility, and she also helped him grow and seriously bulk up in muscle mass and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really grow and bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a fire greatsword and he also gave her a phoenix tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lynn and Lola a lot with using lava and fire, and Solana Vulcania despises Lex Luthor with a blazing passion because of everything he's done and swore to end him.

Me: Uh oh, we're not the only ones out to end that bastard.

Lincoln: She's been wanting that bastard dead ever since we first fought him years ago. Tomorrow is actually the day we go after him.

Nico: Oh man, which means, we better get ready for tomorrow.

Me: Lex Luthor's time in this world is up, he's going to die for everything he's done.

Whirlwind: Another Power Ranger villain down.

Molten Man: We've been on a roll so far.

Koragg: I never liked Snide or the rest.

King Shark: And with Snide gone, Sledge is next.

LaGrange: That's right!

Me: Yep. We just got to know where and when he will strike.

Camie: Yep.

Varie: Yep.

Nico: But great job today everyone.

Tyler: (To the viewers) Now this was fun and cool.

Me: Yeah!

We went back and went to Lynn's Table to celebrate.

We returned home, and hours later, night fell on the city, and Lincoln's harem and Guardian Angels were heading to the hot springs in Lincoln's room.

Lily the Mermaid: We finally did it, Snide is finally gone forever!

Anna Anyanova: He got what he deserved, we destroyed Snide and banished him to The Black Abyss and this serves as a prelude to the fight with Sledge, and we really pissed off Lord Zedd in The Book of Vile Darkness.

?: And when Jason's big day comes, Lord Zedd will finally get what he deserves.

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there in the hot waters of the now expanded hot springs was Lincoln in the hot waters, but they also saw his towel was on the rack along with his orange speedo, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Beastly Gruff Manlier Voice)(Flexes his massive arms and his massive biceps bulged even more with more veins forming)(Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln as they stripped off their clothes leaving them in their two-piece bikinis and they joined Lincoln and the hot water's minerals really did wonders for them. Then, they went to the massive expanding sauna, and the hot steam really did wonders in opening their pores.

Finally, they got out and the girls were on top of Lincoln as they kissed passionately.

Girl Jordan: (Rubs Lincoln's massive pecs)(Seductive Voice) My God, you're still the same intense kisser from long ago, and getting pumped full of Regina Fessterox's Perfect Gene-Slammer serum and Perfect God serum and Savage Serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility and fertility growth serums and potions has already gotten you ready for another...passionate night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Then, Lincoln wrapped his arms around Lily the Mermaid's waist and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and she had her hand on his towel around his waist about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Beastly Gruff Manlier Voice)(Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

END OF LUTHOR'S REIGN OF TERROR

Superman's day to shine and the end of Lex Luthor

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, and he had a dream as it took him to a distant galaxy, and there he saw what he couldn't believe: he saw a Christmas-themed planet, and protected by powerful omnipotent angels, the males who spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters, but they also had immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of snow, ice, everything related to Christmas, all the powers of Christmas, and the ability to grow even stronger, and they were given incredible godly powers and immense virility and male fertility, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to their planet where he would meet the males and when he'd arrive, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the males into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of snow, ice, everything related to Christmas, all the powers of Christmas, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb their planet and its core into his body and their planet's Sun into his body to preserve their legacy.

Lincoln woke up.

Lincoln: Holy moly, what on Earth Omega was that?!

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) No way, that world you saw, that was Christmaslairaira, a Christmas-themed planet in The Forbidden Zone, and protected by powerful omnipotent angels known as The Christmaslairairans, the males who spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters, but they also had immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of snow, ice, everything related to Christmas, all the powers of Christmas, and the ability to grow even stronger, and they were given incredible godly powers and immense virility and male fertility, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to their planet where he would meet the males and when he'd arrive, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the males into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of snow, ice, everything related to Christmas, all the powers of Christmas, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb their planet and its core into his body and their planet's Sun into his body to preserve their legacy.

Lincoln: Whoa! A Christmas-themed planet! That's so awesome!

Lincoln got up and got dressed, and he left a note explaining it, and

he headed to Thanksgivingaraira.

Lincoln landed on Planet Christmaslairaira, and it was everything he saw in his dream and his rainbow energy aura exploded as he grew stronger.

Lincoln: Whoa! So, this is Christmaslairaira, it truly is an awesome Thanksgiving-themed planet.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) It's still as beautiful as ever.

?: (Strong Manly Voice)(Divine Heavenly Godly Voice) You have arrived, Lincoln Loud.

Suddenly, Lincoln saw a strong-looking man who was really tall at 950'11" with abnormally massive and powerful upper and lower body muscles and twelve-pack abs, he was shirtless with a red and green sun and moon on his chest, he has long red and green hair going down to his shoulders, green eyes, Christmas-colored angel wings, he has on a red and green loincloth, and black sandals, and this was someone Lincoln recognizes all too well.

Lincoln: (GASPS) Christopher Christmaslairaira, King of The Christmaslairairans of Planet Christmaslairaira.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln, you know him?!

Lincoln: I do, he's the father of my Guardian Angel, Christine Christmaslairaira. (GASPS) Now, I remember, I've been here before to Thanksgivingaraira eight years ago.

Then, all of the other septillions of trillions of male Christmaslairairans came to Lincoln.

Christopher Christmaslairaira: That's correct, you came here eight years ago when my daughter wanted to introduce me to you. (Smiles) You've grown that much stronger and taller, you're now as tall as me, and you're also even more muscular than all of us males, and it's no wonder my daughter couldn't even keep her hands off you as you grew into the man she and the others had helped you become.

Lincoln had an embarrassed blush on his cheeks and muzzle as Christopher Christmaslairaira chuckled.

Lincoln: And there's something I need to tell you.

Christopher Christmaslairaira: I know. You had the dream, it's time.

Lincoln: Yes, it is.

Suddenly, Christopher Christmaslairaira chanted an ancient incantation and a magic circle appeared below Lincoln's feet and it glowed with incredible power.

Christopher Christmaslairaira: Do not worry, we will always be with you, Lincoln, now and forever. Our legacy will be preserved within you.

Suddenly, Christopher Christmaslairaira and the other septillions of trillions of male Christmaslairairans embraced Lincoln, and one by one, they began entering his body and they merged with him as he absorbed them: mind, body, and soul, and that led to Lincoln suddenly gaining an infinitely astronomical massive power boost and he gained their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of snow, ice, everything related to Christmas, all the powers of Christmas, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, second smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips of his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! This feels incredible. RRGH!

When it was all done, Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces, animals, and mythological beasts and rainbow protective aura and holy white aura was raging like a really massive wildfire and he has a red and green aura with snowflakes and Christmas symbols surrounding him as he pounded his chest like a gorilla.

Lincoln: Whoa...! (GROWLS) This feels so incredible!

Suddenly, Lincoln flexes his massive muscles as his massive biceps bulged even more with veins forming and the image of tank turrets firing formed on his massive biceps and the image of cannons firing formed on his massive pecs.

Lincoln: (GROWLS) RRGH! Ooh yeah, this is so awesome!

Christopher Christmaslairaira: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Letting the beast out, all the males of the Forbidden Zone planets including us do tend to do that on many occasions to show our virile dominance which made the many females swoon over us.

Lincoln 2: (Through the Rainbow Thunderbird and animals on

Lincoln's forehead) Lincoln's grown that much bolder and confident thanks to his Guardian Angels, now there's one last thing for you to do, Lincoln.

Lincoln flew deeper and deeper into the planet, and he found it: the core of Christmaslairaira, the inner and outer cores of the planet and the million other planets consisted primarily of iron and nickel and are extremely infernally hot with the temperature at more than 999,999,999,999,999,999,999,999,999,999 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the core of Planet Christmaslairaira, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core and the planet itself into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, second smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo

on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura and holy white aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space.

Then, he flew into Christmaslairaira's massive Sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, second smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips of his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue

energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla and he was sweating even more.

Lincoln: Now, that was so incredible! (Flexes his massive arms and his massive biceps bulged even more with veins forming) (GROWLS) RRGH! (Smirks) My harem's going to be in for one awesome surprise along with the others.

Lincoln disappeared in a flash of light and came back to his room, and as soon as he did, his harem were up and they got his note along with sensing his sudden energy and power surges.

Lily the Mermaid: We got the note, and you explained everything. Plus, we also felt your sudden energy and power surges. (Smirks) (Rubs Lincoln's massive pecs) And you're even more insanely ripped than ever and full of even more infinite energy.

Lincoln: (Seductive Wolf Growl)

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him, but it suddenly became even stronger due to the powers of the Eroticairans of Planet Eroticaira he has and his primal urges went wild.

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Suddenly, Lincoln pounced on his harem and he was on top of them and they were on his bed.

Lily the Mermaid: Whoa...! (Thinking) Now, he's really REALLY AROUSED!

Then, he kissed all of them passionately on the lips as they engaged in a hot make-out session, and when they were done making out, the girls had massive atomic red blushes on their faces, hearts in their eyes, and their noses were gushing out blood like fountains!

Girl Jordan: And that much more passionate and even more hotter than ever.

Suddenly, Lincoln's room glowed and expanded even more: his gym had expanded with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for him and his expanding harem, and massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Anna Anyanova: That was the surprise you had planned for us. But, you're gonna have to explain it tomorrow.

Lincoln: I will. (Smirks Seductively) Now, then, where were we?

Lincoln and his harem had another intense and passionate lovemaking session, and they went back to sleep a few hours later. Then, as morning came, Lincoln and his kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night, Lincoln, all of us did.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) I knew you'd be the first to react, J.D., let me explain.

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome!

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome!

J.D. 2: This was no ordinary planet. Lincoln, do you have a book about the world you went to?

Lincoln ran to his room and flew to the top of his massive vast collection of libraries and found the very book and brought it to J.D. 2.

J.D. 2: I knew it.

He opened the book, and we saw it: the planet Lincoln saw in his dream.

Me: Whoa! what is that place?

J.D. 2: This, J.D., is Christmaslairaira, a Christmas-themed planet in The Forbidden Zone, and protected by powerful omnipotent angels known as The Christmaslairairans, the males who spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters, but they also had immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of snow, ice, everything related to Christmas, all the powers of Christmas, and the ability to grow even stronger, and they were given incredible godly powers and immense virility and male fertility, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to their planet where he would meet the males and when he'd arrive, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the males into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of snow, ice, everything related to Christmas, all the powers of Christmas, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb their planet and its core into his body and their planet's Sun into his body to preserve their legacy.

He finished and returned the book to Lincoln's room, but we were immediately stunned.

Me: WHOA! A Christmas-themed planet in The Forbidden Zone, that's so awesome!

Nico: You said it.

Superman woke up to see Mareep staring at him.

Mareep: (BLEETS) Morning Kal!

Superman: Oh morning Mareep.

Mareep: It's your big day today, Time for breakfast!

Superman: Oh be right there.

He got dressed and went to the table.

Me: Morning Kal.

I gave him pancakes.

Superman: Looking forward to this one.

Me: We all are.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his large gold halo and smaller halo with intricate designs made of light and The Sun and The Moon in it in the center and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Doomsday, he's escaped from The Warp and he's on the planet Dilgan and he wants revenge!

Me: Oh crud, it's Doomsday!

Lincoln: He's escaped from The Warp and he's on Dilgan and he wants revenge on us, specifically me and J.D. for absorbing him during our date before our fight with Darkseid.

Nico: What a sore bastard. But, wait, if Doomsday has escaped, that means...!

Lincoln: Lex Luthor has escaped as well.

Superman: I always knew Lex wouldn't stay gone for long, now all we got to do is to take him down after we expose him, but first, we need to get rid of Doomsday.

Me: Right. Wait, I saw you and your kids wake up, but where's your harem?

May: I'll wake them up.

May went to Lincoln's room and knocked on the door.

May: Girls, wake up, we got a huge emergency.

Suddenly, the door slightly opened, and she peaked in Lincoln's room slightly.

May: What the?!

She saw Lincoln's harem not only still sleeping, but they were completely nude and also covered in blankets as she saw traces of shredded bras and panties on the floor.

Erosa Erotica: (Moaning) Mm, wild beast Linky...! So...manly...!

May: (Under her breath) Lincoln, you wild beast.

Nico: They awake, May?

May beckoned Nico, and she whispered in his ears, and his jaw fell to the floor!

CLANG!

Then, she closed his jaws.

Nico: Whoa, looks like Lincoln got a little too wild with his wives last night. We better keep this a secret from the others and we better not let Regina find out.

Regina Fessterox: Find out about what?

THEY SCREAMED!

May: Regina?!

Regina Fessterox: (Sees what May saw) I knew it. The Savage Serum had not only increased Lincoln's already godly and immensely excessive infinite superhuman strength and extremely massive muscle mass and extremely massive and immensely excessive infinite muscle strength, but it also increased his already abnormally massive and excessive levels of libido, testosterone, and sex drive to beyond infinity, and he absorbed the septillions of trillions of male Christmaslairairans, Thanksgivingaraira and its core, and its Sun into his body, and last night, he had an extremely wild sex session with his harem, which was like being in the middle of werewolf breeding season and mating season combined.

May: (To Regina Fessterox) Mind making some of that Savage Serum for Nico for tonight? If it worked on Lincoln, it'll work on Nico as well.

Suddenly, Lincoln's harem woke up, got a shower, got dressed, and went to the dining room for breakfast, and they were already around Lincoln still swooning from last night.

Regina Fessterox: What the? They recovered from that last night, looks like they're now even more resilient especially after all that training, along with the...private training in Lincoln's room gym.

Lincoln: I heard that, Regina. Anyways, let's get going to Dilgan and destroy Doomsday.

Nico: Got it.

We finished breakfast, and we headed to Dilgan to help Three Mage Sisters, Francisca, Flamberge and Zan Partizanne, and Samus Aran Flower unlock their Rainbow Power and destroy Doomsday.

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 14249.3: The U.S.S. Valorous Phoenix is en route to the planet Dilgan to deal with Superman's big nemesis Doomday. This is gonna be a really intense and brutal fight.

Me: Boy we haven't battled Doomsday in a while.

Varie: Its been a while.

Laney: Last time we battled him was back in 2018 and we sent him to the Book of Vile Darkness.

Jared: Yeah no kidding.

Nico: Really? I wasn't with you guys when you faced him the first time. Can you fill me in?

Me: I sure can.

Nico: First this. Toxic Seahorse, I want to thank you, Thety's Pet, and your teams for coming

Toxic Seahorse: No problem Nico. This will be fun.

Nico: It sure will. Okay now you can tell me.

Me: Okay. It was back in 2018.

I went over what happened in chapter 375 of Loud House Revamped

* * *

It starts with us on the Justice League Watchtower.

Me: So Kal aside from Lex Luthor being your most notorious enemy who was your most dangerous out of them all that you faced?

Superman: That's a really good question J.D. But if I were to guess, my most dangerous enemy was Doomsday.

I gasped when I heard that name.

Me: Doomsday the Destroyer!?

Lincoln: I've heard of him. He's the monster that killed you.

Superman: Yes. He did kill me. But I was reborn after the fight.

Luna: That is amazing.

Lori: Who is Doomsday?

Me: He was known as the monster that killed Superman. He was created by Lex Luthor as a genetic experiment that went horrible awry. This is what he looks like.

I use my magic and show what he looks like.

Laney: Is that Doomsday?

Superman: That's him. He was a ruthless monster and the one responsible for killing me.

Lincoln: I read how he killed you in this comic. The Death of Superman.

Me: That's right. I remember that comic. That was one of the saddest comics ever created in the history of DC Comics. Doomsday was so powerful that he overwhelmed the Justice League.

Lily: That was unbelievable. I can't believe that Lex Luthor created such an unstoppable monstrosity.

Lisa: Lex Luthor did have the scientific genius to create such an abomination of nature for such a destructive purpose but he lacked the ability to control him.

Me: Precisely my point Lisa. Doomsday was a mindless monster whose sole purpose was to destroy Superman. I can't believe that he set out to kill you Kal.

Superman: Me neither.

Hawkgirl: Doomsday was the deadliest foe we ever encountered.

Varie: You'll get no argument from me Shayera.

Carol: It's just hard to imagine that Lex Luthor was capable of creating such a horrific monster that can destroy anything.

Vince: That's just absolutely horrible.

Suddenly I sensed a huge energy signal approaching fast.

Me: (Gasp) Whoa! Do you guys feel that?

Lincoln: Yeah! I sense an enormous power.

Lori: Where's it coming from?

Wonder Woman: Look!

Wonder Woman pointed outside and we saw a wormhole snaking its way out of a dimensional portal and it snaked its way down to New York City.

Me: So that's it. The Dimensional Vortexes come out of portals from different universes across the fabric of the Space Time Continuum.

Lincoln: That is so cool!

Lynn: Looks like the vortex is appearing over New York City.

Me: Lets go see!

We flew down to New York City and we saw a figure emerge from the vortex. It was a monstrosity that was responsible for the death of Superman: DOOMSDAY!

Me: It's Doomsday!

Superman: But how can that be!? He was dead.

Carol: This Doomsday must be from a different dimension.

Vince: That could be Carol.

Doomsday: So I see you have friends with you Kryptonian.

Superman: I thought I was rid of you for good Doomsday. I killed you before and in this time you don't exist anymore.

Doomsday: Your friends won't be enough to save you this time. You caught me off guard the last time and now I will kill you.

Me: I don't think so Doomsday. Lets power up!

Me, Varie, Carol, Lincoln, Linka, Laney, Yuko, My Children and Lily went Super Angel 3. Ben became Way Big.

Ben: WAY BIG!

Me: A To'Kustar! Those Aliens are huge!

Way Big: That's right J.D.

We went at Doomsday and viciously attecked him. I punched him in the face and he punched at me and I blocked it and I kicked him in the face. Jared fired an energy ball and it blew his left arm off in a powerful explosion. He regrew it back and punched at Jared but he went over his punch and kicked him in the face and kicked him in the stomach. Lori fired a huge wind blast and blew him into a building with incredible force and Nicole fired a blast of cosmic energy and it hit him and exploded. Doomsday exploded out of the rubble and charged toward us. Hulk and Doomsday charged at eachother and they punched and released a tremendous shockwave of power that shattered all the windows in the area and lightning was forming around their fists and Hulk kicked Doomsday in the face and Venom tied him up. Luan and Lensay fired their light powers and Luan blew both of Doomsday's arms off and Lensey encased him in a red light crystal. But Doomsday broke out of the Crystal and Web and I kick him into the air and Superman used his Laser Vision and burned him and Hawkgirl bashed him in the face with her mace. Carol fired Godzilla's Orange atomic ray and burned his legs off. Way big jumped up and ripped Doomsday's arms off. Doomsday screamed in pain and Vince fired an energy beam that blew a hole into his chest and out the other side. Lincoln & Linka fired a blast of lightning and blew his head off.

Me: Now to finish you for good Doomsday.

I form a tiny orange energy ball on the tip of my pointer finger that was no bigger than the size of my pinky fingernail. I held it above my head and the ball expanded rapidly to where it was the size of the planet Mars.

Me: Doomsday! This energy ball I have here contains enough power to obliterate 20 planets and this ball is for you!

Doomsday regenerated his limbs and saw the huge energy ball ready.

Me: Burn in Hell Doomsday! SUPERNOVA!

I throw the ball at Doomsday and it enveloped him and completely obliterated him in an instant to the point where not even an atom remained. Out in Space it exploded with incredible power.

KRAAABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

We powered down and saw the explosion vanish.

Me: Doomsday's energy signal has disappeared. It's over.

Hulk: That ball destroy him completely.

Varie: That's right.

Cody: We did it guys.

Everyone all over the city cheered wildly for us.

Me: No problem everyone! Thank you all.

Varie: It was what we had to do!

On the Justice League Watchtower we were having dinner with the Justice League.

Me: Well, we saved the world from the wrath of Doomsday.

Flash: You guys sure did. Our teamwork was more than enough to take him down forever.

Vince: That's right Wally. Doomsday was no match for us.

Cody: Doomsday got what was coming to him.

Me: Yep. He will never terrorize the world or any planet ever again.

Wonder Woman: No he won't.

Nicole: To make sure he never comes back I sealed him into the Book of Vile Darkness for all eternity.

Me: Good thinking Nicole.

Nicole: Thanks Dad.

FLASHBACK ENDS

Nico: HOLY SHIT! That is intense!

Qin: WOW!

Flash: Hey, after so many rescues of fighting Akumas left and right, fighting Doomsday is a nice change of pace

Me: That is true!

Nico: No kidding there. But That was awesome that you guys took down Doomsday like that.

Me: Yep. Doomsday has no idea how strong and powerful we got over the last 6 years.

Nico: That is for sure.

Varie: At least we'll be far away from Earth for him to cause any damage.

Isabella Abaddon: This will be awesome.

Lincoln: It sure will.

Me: Yeah. Isabella how are you feeling now that you are redeemed and freed from the evil influence of Dark Chase Young?

Isabella Abaddon: Honestly I feel great. Even though I was damaged by Dark Chase Young, I'm just glad to be free.

Nico: That being said, what do you like to do in your free time?

Isabella Abaddon: I teach at the local church and help those who are dealing with personal troubles like what I went through.

Me: That's a good idea Isabella.

Nico: Yeah.

Laney: We're glad you can do that.

Nico: That is a good job.

Isabella Abaddon: It sure is.

Poromon: That really is a good job to have.

Isabella Abaddon: Yes it is.

Cadance: I agree too.

Twilight Sparkle: Cadance I don't think we ever heard about how you became an Alicorn.

Cadance: I don't think I told you guys that.

Nico: This will be interesting.

Cadance: It was a long time ago. I wasn't always an Alicorn. I was born a Pegasus. I was adopted into a village of Earth Ponies.

She told us what happened

An infant Cadance is discovered in a baby basket by a group of Earth ponies on the edge of the forest. The ponies adopt the seemingly abandoned infant, name her "Mi Amore Cadenza" ("Cadance" for short), and take her back to their village. As the only Pegasus in the village, Cadance was loved by everyone as she did good deeds and feats that the Earth ponies could not do. One day, however, the love Cadance felt from the other ponies was suddenly gone, replaced with apathy and depression.

Alloro Legarra, one of the ponies who found Cadance as a baby, tells her that an evil unicorn sorceress named Prismia has returned, having been drawn by the love surrounding Cadance and siphoning that love to fuel her magic necklace. Fearing that Prismia could turn the power of Cadance's love into a weapon against others, Alloro suggests they leave the village, but Prismia discovers them. After draining Alloro of her energy, Prismia attempts to do the same to Cadance, but the love inside Cadance is so great that it overwhelms Prismia's dark magic and defeats her.

Princess Celestia appears in time to witness Prismia's defeat and prepares to punish her with imprisonment in Tartarus for her crimes. However, Cadance notices the fear and loneliness in Prismia and asks that Celestia show mercy on her. She offers to have the village take responsibility for Prismia and share their love with her so that she does not need to forcibly steal it. Celestia and Alloro agree, and Prismia thanks Cadance for the mercy she has shown, relinquishing ownership of her necklace to Cadance out of gratitude.

As a result of her accomplishment, Cadance acquires her cutie mark: a crystal heart. Celestia is noticeably shocked by this, and after a brief private talk with Alloro, she tells Cadance that she must come with her to live in Canterlot. Cadance is upset over having to leave her village home, but she respects Celestia's wishes.

After relocating to Canterlot, Cadance quickly adjusts to her new life. Over the next several years, she takes classes at the School for Gifted Unicorns (despite not being a unicorn), practices flying with the royal guards, spends time with preschool-aged unicorns, and even joins Celestia on royal business and learns royal protocol and etiquette. Whenever Cadance questions Celestia about the purpose of all this, Celestia would always say Cadance would know "when she is ready".

One night, Canterlot comes under sudden attack by a swarm of dragons. After Cadance briefly attempts to combat the dragons and fails, Celestia tasks her with leading the younger foals out of the city. Cadance guides the foals away from the destruction, but they are stopped by the leader of the dragon swarm, Liebe. As the dragon leader rages about her long-awaited "revenge", Cadance senses she is carrying a lot of pain inside her. She appeals to Liebe's inner pain, apologizes for whatever ponies did to her in the past, and encourages her to let go of her hate.

Liebe, shocked that a pony has shown her sympathy and moved to tears, agrees to call off the dragon invasion. Princess Celestia arrives ready to battle Liebe, but to her surprise, Liebe announces she is calling off the attack and departs, noting it was Cadance's words that convinced her. For this latest accomplishment, Celestia tells Cadance that she is ready to fulfill her destiny. Cadance is suddenly washed in light, and in a burst of light shaped like her cutie mark, she transforms into an Alicorn.

Celestia explains that when she first saw Cadance's cutie mark, she realized Cadance was the descendant of Princess Amore, the first ruler of the Crystal Empire, thus making Cadance the heir to Amore's throne. Celestia reasons that Cadance's birth parents left her as a baby outside the village where she was found in order to protect her from her destiny and the challenges that were sure to come with it. However, Cadance has now proven that she is more than up to the task of facing such challenges. Though Cadance's new responsibilities mean she can no longer spend time with the preschool foals, Celestia does mention a young unicorn who occasionally needs a foal-sitter, and she introduces Cadance to a young Twilight Sparkle.

When she was done we were really amazed.

Me: WHOA! That is amazing!

Qin: It sure is!

Poromon: Nice!

Cadance: Yes it was.

Me: It sure is. Wow!

Princess Celestia: I was so touched by her heart and her compassion and heart.

Me: That is amazing.

Nico: Yep.

Me: Boy yesterday was intense!

Lola: Yeah!

Tyler: Snide is dead!

Eddy: You know what else would be a change of pace? If we fought someone who isn't a Power Ranger villain today

Me: And Lincoln had a premonition that just confirmed that. It's Luthor.

Eddy: ALL RIGHT!

Qin: Cool!

Gira: Luthor will pay for attacking our world.

Me: I agree there. Also lets not forget our plan to expose him.

Nico: Right still have to do that. After we fight him.

Me: Yep. It's going to be nice to fight one of Superman's enemies for a change.

Nico: But taking down said Power Ranger villains was fun

Me: Yes it was. We're one step closer to ridding the universe of all the enemies of the rangers.

Nico: We sure are.

Me: Yep.

Nico: And man Devon's Akuma slashed me good!

Nico still had claw marks in his shirt but his wounds were healed.

May: Boy he sure did.

Me: I didn't even see him move.

Devon: But it was awesome.

Flash: He was good. But he didn't have the Speed Force

Me: That is true. But he still cut Nico.

Nico: I know.

Qin: Yep.

Lisa Loud: We have arrived at our destination!

Nico: On screen.

We saw that we were at Dilgan!

Nico: We're here.

Me: Yep.

We got to landing and later got out.

Me: Wow! Still as amazing as ever.

Lincoln: Okay, everyone, we're in for one really dangerous battle, we're here on Dilgan to help Three Mage Sisters, Francisca, Flamberge and Zan Partizanne, and Samus Aran Flower unlock their Rainbow Power and destroy Doomsday.

Me: I always knew Doomsday would be back for more, but this time, we're getting rid of him forever.

Lincoln: That's for sure, and I got a few surprises up my sleeve against him.

Lincoln whistled and trucks arrived, and they were full of the top 10 strongest metals in the Marvel comics universe: Organic Steel, Galactic Glaze, Lincoln's newly improved version of Carbonadium, Vibranium, Adamantium, Anti-Metal, Adamantine, the unknown metal of The Muramasa Blade, Uru, and Protoadamantium.

Nico: Whoa, Organic Steel, Galactic Glaze, Carbonadium, Vibranium, Adamantium, Anti-Metal, Adamantine, the unknown metal of The Muramasa Blade, Uru, and Protoadamantium.

Lincoln: I found out I was able to create Organic Steel, Galactic Glaze, Carbonadium, Vibranium, Adamantium, Anti-Metal, Adamantine, the unknown metal of The Muramasa Blade, Uru, and Protoadamantium, so I had trucks full of Organic Steel, Galactic Glaze, Carbonadium, Vibranium, Adamantium, Anti-Metal, Adamantine, the unknown metal of The Muramasa Blade, Uru, and Protoadamantium, and for the Carbonadium, I made a newly improved version of it by adding in Neutronium.

Me: Wow...!

Lincoln: Now, watch this.

Then, the colored gems embedded on the 950'11" massive, wide, double-edged hulking gold blade glowed, and the tons of Organic Steel, Galactic Glaze, his newly improved version of Carbonadium, Vibranium, Adamantium, Anti-Metal, Adamantine, the unknown metal of The Muramasa Blade, Uru, and Protoadamantium were now being absorbed into Lincoln's massive greatsword making his already indestructible greatsword even more stronger, sharper, and more powerful than ever.

Then, Lincoln made a clone of Doomsday, and slashed at him down the middle with his newly improved and more powerful greatsword and he died in an instant!

Me: HOLY...!

Nico: Incredible!

Lincoln: Yep, and they've also bonded even more with the Stellar Cometite and Venusite infused into my massive greatsword.

Suddenly, Lincoln got out a massive pool filled with tons of liquid Organic Steel, liquid Adamantine, liquid Protoadamantium, liquid Vibranium, and liquid Adamantium. Then, he stepped into it, and he began absorbing the tons of liquid Organic Steel, liquid Adamantine, liquid Protoadamantium, liquid Vibranium, and liquid Adamantium into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as the already visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four

Lincoln let out an extremely massive and savage roar as he pounded his chest like an Alpha Male Gorilla.

MY JAW ALMOST DROPPED TO THE GROUND, BUT LINCOLN USED HIS TELEKINESIS TO CLOSE IT!

Me: WHAT THE?! You absorbed the mixture of tons of liquid Organic Steel, liquid Adamantine, liquid Protoadamantium, liquid Vibranium, and liquid Adamantium into your body?!

Lincoln: That's right. It's true my muscles had since become as strong as Neutronium, but my body has been evolving even more, and you saw that I can absorb anything liquid into my body which makes me grow even stronger, and with what I just did. Take a look.

Lincoln got out an X-Ray machine, and as it activated, we saw it, Lincoln's entire muscular system and skeletal system now had an extremely shiny and metallic look, and it even bonded even more with the nanomachines and nanites in his body that were due to Becky Long's potion she gave him two years ago when Dustin Keystone finally made his move.

Nico: That...is...so...AWESOME! Not only do you have a newly improved and now even stronger greatsword, but when you absorbed the mixture of tons of liquid Organic Steel, liquid Adamantine, liquid Protoadamantium, liquid Vibranium, and liquid Adamantium into your body, your entire muscular system and skeletal system now had an extremely shiny and metallic look.

Regina Fessterox: And it also made your already abnormally massive and powerful upper and lower body muscles even more infinite-times stronger than ever.

Lincoln: That's right, and I won't be the only one who gets this kind of upgrade. (SNAPS FINGERS)

Suddenly, Lincoln snapped his fingers, and our massive greatswords and weapons also began to absorb the tons of Organic Steel, Galactic Glaze, Lincoln's newly improved version of Carbonadium, Vibranium, Adamantium, Anti-Metal, Adamantine, the unknown metal of The Muramasa Blade, Uru, and Protoadamantium making our indestructible weapons even more stronger, sharper, and more powerful. Then, we wound up absorbing the mixture of tons of liquid Organic Steel, liquid Adamantine, liquid Protoadamantium, liquid Vibranium, and liquid Adamantium into our bodies, and our entire muscular systems and skeletal systems now had an extremely shiny and metallic look.

Nico: Whoa! This is so awesome!

Me: Lincoln, you really are The Man With A Plan!

Eli: Those two, I don't understand why they have to be violent.

Jake heard a Pokemon cry

Jake Long: Look guys!

We saw an Axew!

Me: Whoa an Axew!

Iris: Awesome! Looks like my Axew has a little friend.

Me: He sure does.

Jake Long: Aww you hungry?

Axew: I sure am. No food on this planet.

Jake gave him apples.

Axew ate them.

Axew: Ah thank you.

Jake Long: Want to come with me?

Axew: I would be honored.

Me: Awesome!

Poromon: YAY!

Jake: Now in the future, we can go after two of my enemies.

Me: If I were to guess, Rose the Huntsgirl's so-called father, and the Black Dragon. Am I right?

Jake: That's right. The Huntsman will be on a rescue

Me: And the Black Dragon for the Main Mission.

Jake: You know it.

Me: I hit the nail right on the head on that one.

Nico: You sure did.

But then I felt something on my head.

Me: Huh?

I looked and saw a Kilowattrel starring at me!

Me: Whoa a Kilowattrel! What are you doing on my head?

Nico: Where did that come from?

Me: Must be one of Dark Gale's work.

Sheena: And she is also a girl named Eleanora Wheeler and she is half Kineceleran.

Me: Whoa! One of XLR8's kind!

Helen Wheels: She is like me. I am half Kineceleran myself.

Me: She must be really fast.

XLR8: This will be interesting to see her in action.

Nico: We JUST dealt with a speedy Akuma

Me: We sure did. But we also did say in the future that we hoped to meet Plumber Kids for Heatblast, Fourarms and XLR8's kind.

Nico: Yes. Yes we did.

Me: Yep.

XLR8: Let me help with this one.

Ellie Singh: I'll help too since I'm also part Kineceleran.

Helen Wheels: Me too.

Me: Wow got a bunch of fast ones ready.

Nico: Yep.

XLR8: (To the Kilowattrel) It'll be alright.

She sped at Horsea but she put her clone in front of her

Then with a burst of lightning she electrocuted the clone!

ZZZZZZZZZZAAAAAAAAAAAAAAAAAAAAAAAAPPPPPP!

Ed: Zappity Zap Zap!

Me: Ouch!

Horsea: HA!

Then the Kilowattrel flew at May and electrocuted her too!

ZZZZZZZZZZZAAAAAAAAAAAAAAAAAAAAAAAAAAAAAPPPPPPPPP!

May screamed in agony!

Manaphy: MAMA!

She was burned and knocked down.

Me: Oh boy.

May: I'm okay!

Me: Okay then!

ZOOM ZOOM ZOOM ZOOM!

We ran fast and caught her and then I snapped my fingers and she reverted back. She was a girl with blue hair and yellow eyes and had blue angel wings and had Kilowattrel on her forehead and she had a Speed Arrow with lightning and XLR8 on her arm as a cutie mark.

We wrapped her in a blanket and brought her over.

Me: Speed power!

She woke up to see Horsea's smiling face

Eleanora Wheeler: (Groans) Huh? A Horsea?

Horsea: You hit my clone!

Eleanora Wheeler: Oh man! Huh? Where am I?

Me: You're on the volcanic planet Dilgan. You were turned into a Kilowattrel by Dark Gale.

Eleanora Wheeler: Oh man. I was fighting Billy Billions robots.

Me: Boy I bet they were made of 24K Gold.

Eleanora Wheeler: They were.

She got up.

Eleanora Wheeler: Man this is a strange place.

Manaphy hopped over to her.

Manaphy: YOU HURT MAMA!

Manaphy got out a grenade

Me: Uh oh!

Manaphy pulled the pin and threw it at her.

ZOOM!

She ran fast and dodged it and then...

KRABBBBBBBBBBBBOOOOOOOOOOOOOOMMMMM!

Me: Whoa! She is fast!

Manaphy: Suffer for your crimes!

Manaphy punched and kicked at her all over. But Eleanora Wheeler dodged all of her strikes with incredible and intensely powerful speed.

Me: WHOA!

Eleanora Wheeler: That all you got pipsqueak? I can do this all day.

Ellie Singh: She is good.

May picked up Manaphy.

May: Manaphy calm down. She didn't mean to.

Manaphy: But Mama?

May: I'm okay.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new blue clothes and a Silfarion Sword.

Eleanora Wheeler: I look amazing.

Me: You sure do.

Nico: Okay. We're just going after one if Superman's villains who can come back with immunity to anything that's killed him before. Should be easy, right?

Me: With everything we've learned over the years it will be.

Nico: Good.

Me: One last thing Nico.

I had my hand go intangible and It plunged my hand into Nico's stomach and took out the bomb.

Nico: What ae you doing!?

Me: We found a much safer way to help you out.

Lily put a belt on Nico with a lock on it.

Nico: What kind of belt is this?

Poromon: Oh geez. The bomb expired when Xehanort was destroyed. It's useless now!

Me: This works much better.

I held up a remote pressed a button and Nico started laughing hysterically!

Nico: (LAUGHING HYSTERICALLY)

Qin: Okay that is funny.

Nico: (LAUGHING) What is this!? (LAUGHING)

Lily: That's the tickle belt that Mermaidman used on Man Ray in episode number 17.

A picture of the belt was shown on the screen.

Realistic Fish Head: AS SEEN IN EPISODE 17!

Patrick: Oh I love that episode!

SpongeBob: Oh me too! Me too!

Me: This is a much safer method we thought up. Instead of putting a bomb in yourself we decided to use this.

Sebastian Mendez: It was my idea and I thought it would be a much more safer method.

Nico got up and was panting.

Nico: Wow! At least it works.

Me: We'll have the remote with us and Lily will hold on to the key.

Nico: Okay.

Apple Bloom: We were going to use a similar belt on Queen Chrysalis and the Villains a long time ago. Pinkie Pie made a similar belt just in case.

Me: Did she really?

Apple Bloom: She sure did.

Lily: Funny!

Poliwag: Let's keep the bomb as a trophy

Me: First there has to be a disarm code.

Poromon: The bomb already expired

Nico: Not entirely.

Nico took the bomb and said a command.

Nico: Electro Shocks Spiderman with Brutal Lightning.

The bomb beeped and it was disarmed.

Me: Oh one of those audio code bombs. Cool!

Nico: Yep. Only responds to my voice only.

Poromon: I'm keeping it!

Me: Okay.

Nico: The same code activates it and arms it.

I gave it to Poromon.

Spiderman: That is a cool code and Electro is one of my most dangerous enemies.

Nico: And one of my favorites.

Lincoln: (Sensed for Doomsday) AHA! Gotcha, you monster! I just spotted Doomsday, and he's coming after us!

Doomsday: So I keep hearing. All you need to know is that I'm back and I will kill you.

Me: Well we'll see about that.

Nico: Many of us weren't with the team when they fought you last time.

Doomsday: I see you all have grown in many numbers since the last time.

Doomsday: (to Superman) If I go down, you go down with me

Superman: Nope! Just you!

I kicked Doomsday and fired a massive barrage of energy blasts and they all hit him and exploded all over the place with intense power!

Me: (Fire swirled behind me) I am the Champion of Friendship and Protector of the Earth and loved by all. When my Cutie Mark Comes to life, Fire and Justice brings evil to a fall!

I UNLEASHED MY RAINBOW POWER COMBINED WITH MY ULTIMATE POWER!

I WENT AT DOOMSDAY WITH INTENSELY SAVAGE AND

FEROCIOUS FURY AND I PUNCHED HIM IN THE FACE WITH DEVASTATING FORCE!

KRABLAM!

NUMEROUS AND INTENSELY MASSIVE NUMBERS OF FIERY EXPLOSIONS!

KRABLAM BLAM SMASH WHAM BIFFF!

INTENSE NUMBERS OF EXPLOSIONS!

NUMEROUS MASSIVE FIERY EXPLOSIONS WERE GOING OFF ALL OVER AND TURNING THE ENTIRE AREA INTO A MASSIVELY RAGING INFERNO!

I punched him with intense super strength using Applejack's strength and he kicked at me, but I dodged his strike, and I jumped back, and then...!

BBOOOOOOOOOOOOOOOOOOMMMMM!

I DASHED WITH AN INTENSELY MASSIVE SONIC RAINBOOM WITH RAINBOW DASH'S SPEED AND KICKED HIM IN THE STOMACH WITH DEVASTATING FORCE!

KRASMASH!

DOOMSDAY BELCHED UP A MASSIVE AMOUNT OF BLOOD!

I fired numerous balls of fire with Sunset Shimmer's fire powers at Doomsday and they hit him and that resulted in numerous fiery explosions blasting out!

I ran at him with powerful energy blasts in my hands. Doomsday tried to blast me, but I jumped over the energy blast and jumped behind him and I fired 2 powerful blasts! They hit Doomsday and exploded with tremendous power!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO
KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The inferno from the explosion was intense!

I then fired a massive barrage of energy blasts and blasted Doomsday all over in a massive and incredible number of fiery explosions!

DOOMSDAY SCREAMED IN EXCRUCIATING AGONY FROM THE BLASTS!

I then formed a rainbow energy ball.

I threw it and it hit Doomsday and exploded with incredible and unbelievable power!

EXTREMELY MASSIVE AND INCREDIBLE FIERY EXPLOSION OF NOVA FORCE!

The explosion rocked Dilgan with incredible force!

Doomsday got up and was brutally mangled up intensely.

Doomsday: You want to die before Superman? You just had to ask

Me: I don't die that easily!

Nico: Me neither!

Nico formed a huge Supernova ball!

Nico: Just testing a theory!

Nico threw it and it slammed into Doomsday and exploded!

EXTREMELY MASSIVE AND INCREDIBLY POWERFUL EXPLOSION OF INTENSE NOVA POWER!

When the smoke cleared, Doomsday was still standing!

Doomsday: Ah ah ah. Can't beat me the same way twice!

Nico: Just testing a theory.

Ash patted her on the back

Nico: I can tell it must've been tough for you.

Iris: It was. Every time Axew did that it would always explode in mine and his faces.

Qin: GEEZ!

I fired waves of energy and blasted Doomsday and blasted him all over.

Eli fired waves of lightning and blasted him all over.

Nico: You're right. We can't kill you the same way twice. That means the Book of Vile Darkness won't be useful here!

Me: But there is one thing that will work! And that is the Black Abyss!

Xenia: Lets finish him!

We fired waves of energy and blasted him.

Tom Majors, Kaz, Sarah, Peyton, Vert, CatDog, Ripster, Kim Possible, Sam Simpson and Zak Saturday used their rings and blasted him all over the place.

Eleanora Wheeler: Lets make this a fast one!

XLR8: Lets do it!

They ran fast!

Eleanora and XLR8: SPEEDING BULLET FIRESTORM!

They ran fast and bashed him down!

Superman flies forward to grab Doomsday by the throat and launches him into the stratosphere with a powerhouse punch. Streaking after him, he sends him flying with two more punches, then flies ahead and catches him. He then dives down, slamming Doomsday into the ground.

KRASMASH!

Me: WHOA! Powerful!

Jirachi fired energy blasts and Tentacool fired lasers.

Doomsday swatted Poromon away. But Poromon dodged him and fired another blast of lightning.

Horsea squirted ink into Doomsday's eyes.

Me: Try and survive this!

I flared up my power and flew at him with incredible speed!

Me: SUPER DRAGON FIST!

I formed a Dragon aura around my fist and then...

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I PLOWED ALL THE WAY THROUGH HIM WITH DEVASTATING FORCE AND BLEW A MASSIVE AND TREMENDOUS HOLE ALL THE WAY THROUGH HIS CHEST AND TORSO AND FLEW OUT THE OTHER SIDE!

Nico: HOLY SHIT!

Xenia: WHOA!

Qin: GEEZ!

Doomsday: You think this will stop me?

Me: Maybe not but it will be enough to get you to lose a few pounds! Also we're just getting warmed up.

Qin: YEAH!

Doomsday belched up a massive amount of blood.

Nico: Losing pounds isn't a concern right now!

Doomsday: Well you won't beat me. Superman will die by my hands.

Me: Not while we're here.

I fired a powerful energy blast and blasted him all over.

Doomsday punched Lincoln, but as soon as his hand hit his twelve-pack abs and stomach!

CLANG! ROAR OF PAIN!

HE BROKE HIS RIGHT HAND AND HIS BONES WERE PROTRUDING!

Lincoln: (Smirks) What's wrong? Did I break your hand?

Then, Lincoln grabbed Doomsday's right arm.

Lincoln: Here, let me fix that!

LINCOLN THEN THREW DOOMSDAY RIGHT INTO A NEARBY ROCK WITH REALLY INCREDIBLY IMMENSE AND EXCESSIVELY GODLY SUPERHUMAN STRENGTH AND THE ROCK BROKE INTO PIECES AS DOOMSDAY CRASHED INTO IT!

Me: WHOA!

Alexander Michaelson went after Doomsday, and he fired extremely powerful blasts of black and midnight blue, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, black and midnight blue dark flames, darkness, dark magic, black magic, Satanic Magic, wolves, phoenixes, and angels and they exploded with incredible power as they hit him, then, he attacked him with his massive drill spear and threw bombs at him that exploded.

Suddenly, Lincoln was surrounded by an immense orange and yellow aura with flames surrounding her and with wolves surrounding her as The Sun shined even brighter and heavenly lights shined down from Heaven.

Eli: He's about to use the fire elemental variant of The Atavism of The White Wolf of Amaterasu!

Lincoln: (Speaking in Japanese) 夏の炎と天空の炎に呼びかけ、この忌まわしき悪を討ち滅ぼし、永遠の破滅の地へと送り届けよ！ 祝福された者たちの魂よ、蘇り、強大な狼の姿を取り、罪人たちに永遠の罰を与え、冥界の闇へと永遠に堕ちさせよ！ 我が歌に天の審判を授け、この忌まわしき悪を永遠の安息の地へと送り届けよ！ (Translation: I call upon the flames of Summer and The Heavens to bring down this terrible abomination of evil and send him to his place of eternal damnation! Let the souls of the blessed rise and take the forms of mighty wolves that bring the damned their eternal punishment and send him to the darkness of the Underworld forever! Let my song bring forth the judgement of The Heavens and send this abomination to his eternal resting place!)

Lincoln sang a heavenly song and let out a howl as immense light shined down from the sky, The Sun, and from the Heavens and flames formed behind Lincoln and formed into red wolves with glowing yellow and orange markings on their paws that look like flames and they ran at Doomsday and attacked him with fierce fury.

Francisca, Flamberge, and Zan Partizanne: You don't deserve to live ever again!

Samus Aran: I am the Bounty Hunter of the future and bringer of justice to planets with passion. My Cutie Mark comes to life, I will protect planets with Justice and Compassion!

METROIDS AND PLANETS SWIRLED AROUND HER

Francisca: I am the Bringer of Icy Doom of the Jambastion Religion and I bring an icy wind to those that never understand love. When my cutie mark comes to life, my Justice will bring down those who are evil like a free dove!

ICE AND SNOWFLAKES SWIRLED AROUND HER

Then, The Three Sisters raised their spears and Samus raised her blaster into the air, and A MASSIVE AND INTENSE POWERFUL SURGE OF INTENSE AND POWERFUL ENERGY AND MAGIC WAS FELT!

Nico: WHOA!

Eli: INCREDIBLE!

When we are all different

But one and the same

Like starlight and moonshine

We all have our place

We can't make a rainbow without all the colors

And we can't make a friendship without one another

'Cause there is nopony quite like you

So let your magic run wild

Let your magic run wild

If you could only see everything you could be

You would spend your whole life shinin'

Let your magic run wild

Let your magic run wild

(Now it's the time to light up the sky)

Let your magic run wild

(Now it's the time)

Look at the night sky, filled up with stars

Each one is perfect, just as they are

But they're brighter together, each leaving their mark

So beautifully different, all lighting the dark

'Cause nopony sparkles quite like you, ooh

So let your magic run wild (now it's the time to light up the sky)

Let your magic run wild (now it's the time)

If you could only see everything you could be

You would spend your whole life shinin'

So let your magic run wild

Let your magic run wild

Inside a rainbow sphere with intense flames and elemental forces, The Three Sisters and Samus underwent an intense and amazing transformation! The Three Sisters and Samus had Rainbow Flame patterns and rings appear on their sides and obliques and rainbow sun and moon on their shirts and they also gained intense rainbow flame patterns and rainbow flames, lightning bolts, snowflakes, and stars on their forearms, they also got rainbow lines on their hair. They then had their Cutie Marks change into many rainbow flames, lightning bolts, stars, and snowflakes, and their massive angel wings had intense rainbow fire on them.

THE THREE SISTERS AND SAMUS UNLOCKED THEIR RAINBOW POWER! THE RAINBOW SNOW STORM OF JUSTICE, THE RAINBOW FIRE INFERNO OF VALOR, THE RAINBOW

Lincoln, Nico, and I attacked him with two powerful energy slashes, and then...!

Lincoln, Nico, and I: NOW, GO TO HELL, DOOMSDAY!

Lincoln, Nico, and I did one final powerful energy slash that hit Doomsday hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Doomsday was on his last legs and he was really really mangled.

Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and stabbed them into Doomsday's chest, and he began sucking out and assimilating Doomsday's massive muscle mass, Retroactive immortality absorbed by his true immortality, Reactive evolution, Condition infinitum, Self-sustenance, Self-resurrection, Bone retraction, Solar absorption, Regeneration, Energy absorption, Natural weaponry, Space survivability, Supernatural strength, Supernatural durability, Supernatural speed, Supernatural agility, Supernatural stamina, Supernatural reflexes, Supernatural endurance, Supernatural acrobatics, Omega effect immunity, Intangibility cancellation, Ergokinesis, Telepathy immunity, Heat immunity, Cold immunity, Radiation immunity, and Possession immunity, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips of his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

RRGH!

And he also flexed his muscles even more which really aroused his harem even more, and at the same time, Doomsday began growing weaker as all his powers were being sucked out of him one at a time and was pumped into Lincoln.

Then, when Lincoln was done and the stingers changed back, Doomsday was now thin as a rake after Lincoln drained him dry of his powers and muscle mass, and Lincoln kicked Doomsday high into the air and he slashed wildly at Doomsday with his massive greatsword and Doomsday was cut into many pieces and Lincoln fired a massive energy beam at Doomsday and banished him to The Black Abyss forever.

We cheered as we holstered our weapons and powered down.

Nico: That is that!

Me: But, this is the sign, Nico.

Lincoln: Yep, we're going after that conniving manipulative cruel heartless Lex Luthor.

Superman: And we'll expose his crimes to everyone.

Eli: We have to broadcast it to the entire world to make sure of that.

Lincoln: Leave that to me, I'll tell you all about it when we head for Metropolis later on.

Nico: Ben, use Alien X to make the Black Abyss escape proof. We can't risk Doomsday coming back again!

Ben: Done. But only a one time deal.

Alien X did so.

Me: Nico was that necessary? The Black Abyss won't let them escape no matter how hard ANYONE tries.

Qin: Yeah.

Nico: Okay I was just being paranoid on that.

Poromon: Just to make sure

Me: Yeah.

Iris had a jealous look on her face at Jake's Axew.

Iris: Jake you know how long it took me to get my Axew to learn Dragon Rage!?

Jake: Well, it's the first time any of us have had a mascot do a specific move

Me: Also Iris to be honest we had no idea that you went through a lot of trouble to get that move right.

Ash: Yeah it blew up in her face a lot.

Me: Ouch.

Iris: And you don't remember that!? What a little kid!

Me: Iris don't call him that. He's not a kid anymore. And besides he's getting hitched to Serena soon.

Nico: That's right

Me: Yeah.

Iris: Oh I forgot about that.

Me: I didn't.

Jake's Axew: Besides that was awesome.

Me: It sure was.

Nico: Nice job though Axew.

Jake's Axew: Thanks. It was cool.

Poromon: Want some beer?

Jake's Axew: No thanks. I drink lava.

Me: Really?

Jake's Axew: No just kidding. I drink grog.

Me: Ah like the sailor drinks. Nice.

I made one for him.

Jake's Axew: Thank you.

He drank it and loved it.

Jake's Axew: Ahh. (BARNEY GUMBLE BELCH)

Barney Gumble: Welcome to the party! (BELCH)

Poliwag: Sing the ABCs!

WE LAUGHED HYSTERICALLY!

Horsea: YAY!

Qin: (LAUGHS) That was funny!

Xenia: YEAH!

Nico: It sure was. (Telepathically to Varie) I'm going to have J.D. and Carrie go on a blind date today.

Varie: (Telepathically to Nico) Ooh! Awesome idea! Carrie deserves to have her life rebuilt after all she went through.

Nico: (Telepathically to Varie) I agree there.

They agreed.

Nico: (telepathically to Varie) And when I go to the bathroom, I'll hide out with Mevya in the birdhouse

She nodded.

Nico nodded too.

Toxic Seahorse: At least we're rid of Doomsday.

Nico: Oh Toxic Seahorse, what do you like to do in your free time?

Toxic Seahorse: I work to clean up all the pollution in the power plants. I make sure they are all cleaned up perfectly and replaced with cleaner energy.

Me: Wow that is a big job.

Xenia: Yep.

Qin: It sure is.

Nico: But it's a nice job.

Toxic Seahorse: It sure is.

Nico: Now for the Anothers.

Lincoln: (Sensed the Anothers) Ah, and the Anothers are coming.

Eli: (Sensed them) Lincoln's right, the Anothers are coming, and one of them is Another Superman.

Superman: Another Me, that must be someone whom I'd known from long ago.

Lincoln: We'll have to see who it is.

Me: So we got Another Thety's Pet, Another Majade, Reptilla, Poison Butterfly, Shigishigi from Uchuu Keiji Shaider, Blokdown and Toxic Seahorse, Isabella Abaddon, Vivian Vennominaga, Ada Wong, Poison Ivy (2019) and Noctilucent Aurora are up to face them.

Nico: Yep.

Qin: This will be good

We saw Another Majade, Reptilla, Poison Butterfly, Shigishigi from Uchuu Keiji Shaider and Blokdown.

Me: WHOA!

Qin: Majade is from Kamen Rider Gotchard.

Lola: Oh boy.

Another Majade: That is awesome though.

She reverted back and was the gene-slammer of Evil HERO Hellfire Malevolence!

Nico: (GASP) MARIAH HELLSTORM!

Mariah Hellstorm: Hey there Nico.

Nico: Good to see you.

Qin: You are not going to like her story guys.

Xenia: What happened?

Qin: Yep She has intensely strong powers over fire and darkness and has the power to destroy entire planets in an instant! But she is hellbent on one purpose: REVENGE! She is after one person and that is her mother who killed her father all for money and her family's estate which was over $150,000,000,000,000,000,000.00. Her mother has an incredible syndicate in her employ. Now it's personal for her! She vowed to make sure she pays for her crimes even if it means destroying COUNTLESS CRIMINALS That stand in her way! She will stop at nothing to destroy her mother and kill ANY OF HER MEN that get in her way! She is Nico's friend from school and has asked for his help to destroy her mother! Her mother however doesn't know Mariah is alive.

WE GASPED IN SHOCK!

Me: OH MAN! Wait! I heard there was terrorist activity brewing in the Solomon Islands from an unknown organization!

Mariah Hellstorm: That organization is the one my mom is operating. I'm not going to let that bitch get away with her crimes!

Poromon: We'll have to schedule that.

Me: Good idea. By the way are the rest of the Anothers friendly or hostile?

Mariah Hellstorm: Friendly and awesome.

Me: Cool.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

She glowed and the anothers were separated. We saw Another Toothpick (X-Squad), Universe 666 Kars, Rollodillo, Army (Donkey Kong) and Glypton Phantom Griplius.

Me: Action time!

Rolf: YOU HAVE BROKEN THE CELERY STALK ON THE SPINE ON THE SEA URCHIN!

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Rolf: MAY THE FLEAS FROM YOUR COW INFLAME YOUR RHUBARB!

Qin: YEAH!

Maria: Time for backup: (TURNS DIAL) ARMADILLO FORCE 6!

She summoned Armadillo Monster (Uchuu Keiji Gavan), Toothpick (X-Squad), Universe 666 Kars, Rollodillo, Army (Donkey Kong) and Glypton Phantom Griplius

Nico: And now we wait.

Me: We don't have to wait long.

We saw Another Thety's Pet and Superman!

Me: This will be awesome.

Nico: I know.

Another Thety's Pet: (In a girls voice) I agree there.

She reverted back and was the gene-slammer of Gigaplant!

SHE WAS ONE SMOKING HOT VOLUPTUOUS BEAUTY!

Nico: Gaea Gigaplant!

Gaea Gigaplant: Hey there Nio and (To me) Hey there handsome.

Me: (TOOTS LIKE A STEAMHORN)

Rei Miyamoto: HEY! Your breasts are bigger than mine! That is not fair!

Gaea Gigaplant: I just am born with good looks.

Nico: And your friend?

Another Superman: (In a girls voice) Someone ready to bring down Lex Luthor and end his reign of terror.

She reverted back and it was a girl with brown hair and blue eyes and had brown angel wings and had a blue super suit with no sleaves and had a Kryptonian Crest for the house of Ak.

Superman: Maya-Ak.

Maya-Ak: Good to see you again Kal and you as well Kara.

Supergirl: Same here. Maya is one of our close friends that survived the explosion of Krypton. She managed to get her powers despite Krypton being in a Red Sun.

Me: WHOA! So you figured out how to bypass the Solar Spectral Radiation Scale.

Maya-Ak: Yes I did. I now don't need to be on a planet with a Yellow sun for it.

Me: Wow! That is amazing.

Superman: I'm glad you are safe Maya.

Maya-Ak: Me too Kal.

Me: Are you also immune to Kryptonite?

Maya-Ak: I sure am. When Krypton exploded it fused some of the Kryptonite radiation with my DNA and made me completely immune to Kryptonite.

Me: That is incredible!

Kaito: (gets out Donbrothers gear) Did Swartz promise you anything?

Zocks: Because we can grant it instead. Zenkaiju Gear!

Kaito got a Donbrothers weapon and Zocks donned his Zenkaiju armor.

Gaea Gigaplant: No he didn't. I seduced him by smothering his face with by breasts and he fainted from it from blood loss and we ran.

Me: Nice!

Nicole: Too bad I wasn't there to kill him because of my hatred for perverts.

Gaea Gigaplant: Well you guys kiled him either way.

Sakura Knudson: Swartz always loved hot girls like a certain super pervert that Nicole hates with a passion.

Nico: Yep.

Gaea Gigaplant: I can see why.

Sougo: (gets out Donbrothers Ridewatch) We became immune to Kryptonite a long time ago

Geiz (gets out Zenkaiger Ridewatch): It's true

Sougo got DonMomotaroArmor while Geiz got ZenkaizerArmor

Me: That's right. Lex is going to be in for a shock when he sees that.

Qin: Oh yeah!

Maya-Ak: Good. I've had it with that jerk!

Me: Well I got a plan to expose him.

Nico: Lets separate you girls first.

We did so.

Me: Lets do it!

Nico: (Gets out Thety's Pet Ridewatch) SEAHORSE POWER!

NMay: (Gets out Reptilla's ridewatch) SNAKEBITE!

Universe 666 Maria: (Gets out Poison Butterfly's ridewatch) POISONOUS AND BEAUTIFUL!

Maria: (GETS OUT SHIGISHIGI'S RIDEWATCH) DEATH BURST!

Isabella Abaddon: (GETS OUT ANOTHER MAJADE'S RIDEWATCH) ALCHEMY POWER!

They used the powers of Thety's Pet, Another Majade, Reptilla, Poison Butterfly, Shigishigi from Uchuu Keiji Shaider and Blokdown's powers and blasted the anothers and smashed them down!

Me: You may be immune to Kryptonite, but your Another isn't.

I got out a Kryptonite Spear and extended it!

The Kryptonite glowed intensely!

Me: Here we go.

I threw the spear and it went at Another Superman and then...

SKEWER!

SKEWERED HIM RIGHT THROUGH HIS HEART! IT KILLED HIM AND HE EXPLODED!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOMMMM!

I caught the ridewatch and purified it!

Me: YEAH!

Nico: Nice throw!

Poromon: YEAH!

I picked up the spear and put it back.

Me: Thanks!

Then out came Moon Ming, Whirnado, Smokey the Dragon, Octopus Villain D'Artagnan, Mask of Dark Earth (X-Squad) and Universe 666 Orochimaru (White Scaled Snake Form)!

Nico: WHOA!

Me: YEAH!

Nco: Nice team Moon Ming!

Moon Ming: Thanks Nico. This is gonna be fun.

Me: Yep. Overdrive Ostrich and his team next.

Overdrive Ostrich: That's right and it's going to be fast!

Me: Yeah!

Then a tornado blew in and landed and out came Elemental HERO Great Tornado!

Me: WHOA! Elemental HERO Great Tornado!

Nico: COOL!

Jaden: Sweet!

Elemental HERO Great Tornado: (In a girls voice) This will be fun.

Nico: Valleria Tornado! Wow!

She reverted back.

Valleria Tornado: Good to see you Nico. I got this. WIND STORM!

She fired waves of intense wind and tornadoes and blasted Another Thety's Pet and knocked it down and I caught the Ridewatch and purified it!

Me: YEAH!

Nico: Nice job!

Valleria Tornado: Thanks Nico. That was fun.

Isabella Abaddon: Do you have a good memory of Nico?

Valleria Tornado: I sure do. When me and Nico went to lunch and I spiked a queen bee bitch girls drink with intensely powerful explosive diarrhea inducing laxatives. She drank them and then in cooking class she let out a massively powerful explosive diarrhea blast and it was SO HUMILIATING. She got expelled for that and they called in a fumigation squad for it.

WE LAUGHED HYSTERICALLY!

Lola: (LAUGHS) Funny!

Nico: TMI!

We laughed more.

Me: That is funny!

Nico: Yep.

Nico and Valleria hugged.

Nico: I've missed you.

Valleria Tornado: Same here.

We went back home.

Let's get that monster!

Lincoln, Super Brother and his harem and sisters and team, Robin Hood, Alexander Avalon, Ricky, Rufus, Margie, Sherlock Hound, Skippy the Bush Kangaroo, Red Savarin, Rayman, Juniper Lee, Von Lycaon, and Sly Cooper went after Sapphire Nautilus' insane rapist father, and they fired extremely powerful blasts of rainbow, green, royal blue, royal red, royal green, black and blood red, red and yellow, purple and red, magenta and pink, white and black, blue, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, nature, leaves, darkness, dark magic, black magic, Satanic Magic, fire, flames, lightning, snow, ice, snowflakes, ice crystals, kangaroos, wolves, witches, ogres, raccoons, devil hounds, demons, devils, owls, foxes, phoenixes, and angels at him, and they exploded with incredible power as they hit him. Then, Von Lycaon and Skippy the Bush Kangaroo punched him hard with their gauntlets and kicked him with their greaves and he got hit hard, and Red Savarin slashed at him with his massive greatsword and shot him with bullets and stun blasts and Sly Cooper whacked him hard with his new cane, same with Alexander Avalon, Ricky, Rufus, and Margie when they hit him on the head with a swing of their staffs.

Then, Skippy balanced himself on his tail and delivered a hard kick to Sapphire Nautilus' insane rapist father, and he screams in agonizing pain.

Lincoln continued smashing Sapphire Nautilus' insane rapist father hard with his extremely massive godly superhuman strength, and he's no match due to Lincoln's extremely incredible godly superhuman speed and reflexes overpowering him and he even attacked him using the immense power and abilities of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more and the immense divine powers of The Ancient Gods and Goddesses, and we did the same as well.

Varie: UNREAL! Our speed and reflexes are still even faster than ever!

May: We can't keep track of our own movements and we're even more stronger than ever! Look at how we're continuing to smash him all over the place!

Qin: That rapist doesn't stand a chance due to Lincoln's rapid evolving and extremely incredible godly superhuman speed and reflexes overpowering him, now he's at the mercy of The True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid Angel of Gotham Royal York.

Luna: Along with J.D., Nico, Ymir, Camie, and Eli and all of us.

Then, Lincoln fired blasts of elements and energy at Sapphire Nautilus' insane rapist father and he got beaten up real good and he was mangled!

Then, Andre Lupescu shot at Sapphire Nautilus' insane rapist father, then Andre Lupescu slashed at him with his massive greatsword, same with Abaddon Aeternus doing the same thing to him.

Finally, Lincoln, Nico, and I fired black fire blasts at Sapphire Nautilus' insane rapist father, and he was burned to ashes and he was sent to The Black Abyss forever. We cheered as we holstered our weapons and powered down and we returned home to The World Tree Estate.

Nico: I know I said I wanted him to suffer no matter how many times he escaped from The Book of Vile Darkness, but ever since being purified, I realized now that was a mistake.

Me: That's for sure, I don't even want to see his ugly face again after what he's done.

Lincoln: Either way, we got rid of that insane rapist, and he will never hurt his own daughter or another innocent person again.

?: Aw, I missed out on the fight.

Then, we saw a beautiful girl who was tall at 250'11" in height, she has the body of a goddess and large breasts, long crimson red hair with yellow streaks with orange flower in her hair, crimson red eyes, massive fire colored angel wings, she has The Volcanic Laval Masters of Courage symbol on her right arm and the pendant on her necklace, The Laval Crest on her forehead, and Laval Stennon on her crimson red skirt, crimson red short-sleeved blouse, orange sleeveless midriff top with Laval Stennon on it, crimson red bridal gloves, orange stockings, crimson red knee-high boots with butterfly buckles, long white sleeveless trenchcoat with stars, fire, flames, lava, phoenixes, and angels on the coattails, and on the back is Laval Stennon, and she has a fire greatsword, and with her are the three girls.

Lincoln: (GASPS) Solana Vulcania, Avatar and Gene-Slammer of Laval Stennon.

Solana Vulcania: That's right, and I got the girls away from that monster and I also made sure to burn his testicles and crotch off.

Me: That explains the burn on his crotch and traces of lava!

Nicole: Nice one.

Lincoln: She really hates rapists with a blazing passion, and that's what she does to them: fires lava at their crotches and burns their testicles and crotches off, and it serves as a painful reminder, never piss her off. (To Solana Vulcania) And it's so good to see you again, Solana.

Solana Vulcania: You too, Lincoln, it's been eight years since we last met, but wow, you've really grown that much.

Suddenly, Solana Vulcania had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Solana Vulcania was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent)(Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Solana Vulcania: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Solana Vulcania's waist and hugged her, and Solana Vulcania was very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, thick brown goatee on his chin, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you two since you were seventeen, and as you can see, I really grew a lot since then.

Solana Vulcania: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 950'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath your enormous white angel wings, that's so awesome, and the large brown wolf ears on your head and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same true immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Anna Anyanova: And so do we, this is Solana Vulcania, Avatar and Gene-Slammer of Laval Stennon, she's Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval Stennon. She's The Volcanic Lava Weapons Master and member of The Volcanic Laval Masters of Courage, a group of courageous girls who are the Avatars and Gene-Slammers of The Laval Duel Monsters and they're born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and their goal is to protect and defend Lincoln from his enemies, and they are the bravest, strongest, and courageous of Lincoln's Guardian Angels. No one was able to defeat them in battle, and if they dared to anger them, they were going to get burned in a pretty nasty way. Solana Vulcania came to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval Stennon, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Pyrokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval Stennon, and Lincoln was already born with immortality and invincibility, and she also helped him grow and seriously bulk up in muscle mass and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really grow and bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a fire greatsword and he also gave her a phoenix tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lynn and Lola a lot with using lava and fire, and Solana Vulcania despises Lex Luthor with a blazing passion because of everything he's done and swore to end him.

Nico: Well, you're in luck, we're going to expose his crimes to all of Metropolis, and we're gonna get rid of him once and for all.

Lincoln: After everything he's done, he needs to be forgotten once and for all, and now that you're here, Solana.

Lincoln with his massive muscular arms still wrapped around Solana Vulcania's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Solana Vulcania: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Solana Vulcania with crimson red gems on the gold lightning bolts and crimson red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and a rainbow Thunderbird wedding ring on her left pinkie.

Solana Vulcania: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Solana Vulcania.

Solana Vulcania had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Solana Vulcania's waist, and he leaned down to her face and kissed her on the lips, and with Solana Vulcania's hands still on his massive hairy pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Solana Vulcania had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Solana Vulcania: (In Heaven) My God. And Lincoln, tell the guys to run to their rooms, the three girls I rescued are...!

Red Savarin and Travis Tackett: GUYS, YOU KNOW THE SIGNAL!

MOVE!

We ran into our rooms leaving Lincoln, Nicole, and his harem, then they went up to the three girls, and when Lincoln saw them, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the three girls are Zenith, Goemon Ishikawa, and Gotz of the Iron Hand from Legend Clover.

Lincoln: Oh whoa, it's Zenith, Goemon Ishikawa, and Gotz of the Iron Hand from Legend Clover.

Nicole: Uh oh, Red and Travis were right telling the guys to run. These girls look sexy, but they're also pretty good fighters.

Lincoln: Meaning if anyone tried to kill them, they would meet a painful end. Are you girls okay?

Gotz of the Iron Hand: Yes, we're okay, thanks to you.

Then, when Zenith and the other two girls saw who it was that saved them from Sapphire Nautilus' insane rapist father, their faces turned atomic red and their noses gushed out blood upon seeing the Maria: Okay, guys, come on out.

We came back out.

Maria: And that's what I call a perfect end to another filthy rapist.

Qin: We should've sent him to The Black Abyss when we first met Sapphire Nautilus.

Lincoln: That's true, but either way, that rapist got what he deserved.

?: That's for sure.

Nico: No way, the only Christmaslairairan that only you know, Lincoln.

Lincoln: That's right.

Anna Anyanova: And we also know her too, this is Christine Christmaslairaira, Queen of The Christmaslairairans of Planet Christmaslairaira and Embodiment of Christmas, she's Lincoln's Guardian Angel from the planet Christmaslairaira, a Christmas-themed planet in The Forbidden Zone, she's The Queen of The Christmaslairairans who rules the Thanksgiving-themed planet of Christmaslairaira and she's also far more powerful than her own people: in addition to being a natural born fighter and having immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of snow, ice, everything related to Christmas, all the powers of Christmas, and the ability to grow even stronger, but she was also born with angel wings, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of everything related to Christmas, and all the powers of Christmas, and the ability to grow even stronger, and all the powers of her people times infinity, and just like with Almightairaira, her people also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to Christmaslairaira where he would meet The Christmaslairairans and when he'd arrived, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the male Christmaslairairans into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of everything related to Christmas, all the powers of Christmas, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb Christmaslairaira and its core into his body and Christmaslairaira's Sun into his body to preserve their legacy. Christine Christmaslairaira came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the immense powers of immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of snow, ice, everything related to Christmas, all the powers of Christmas times infinity, and the ability to grow even stronger, and all the powers of her people, and over time, Lincoln gained even more immense superhuman strength, immense regeneration, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, omnipotent power, immense powers of snow, ice, everything related to Christmas, and the powers of Christmas times infinity, and the ability to grow even stronger, and all the powers of The Christmaslairairans times infinity, and he was already born with immortality and invincibility and his powers also grew infinite-times stronger, and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really grow and bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she and Lincoln really had fun especially when it came to Christmas, and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility and male fertility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln had undergone the rite of The Reincarnation of Amaterasu absorbing the septillions of trillions of male Christmaslairairans gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of snow, ice, everything related to Christmas, all the powers of Christmas times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, Lincoln absorbing Christmaslairaira and its core and Christmaslairaira's Sun into his body to preserve their legacy. Lincoln made her an awesome ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a passion and she swore to have all of them put on The Permanent Naughty Plaque forever!

Me: That's incredible.

Christine Christmaslairaira: Thanks, and I know last night, Lincoln had undergone the rite of absorbing the septillions of trillions of male Christmaslairairans along with my father into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of everything related to Christmas, all the powers of Christmas, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally absorbing Christmaslairaira and its core and Christmaslairaira's Sun into his body to preserve their legacy.

Arpina Infernaira: That's right.

Me: Wait, you also included immense virility and fertility as well? That means...!

Christine Christmaslairaira: We knew Lincoln's quite the virile stud since he was born with hyperpuberty, and the genes of his parents and his own extremely high virility, fertility, testosterone, extreme levels of libido, and excessive sex drive, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes and constant years of training, he gained the powerful and massive body that all bodybuilders could only dream of: the body of all the male Gods and the ancient male warriors of ancient times and bodybuilders of history combined, and that along with his personality, gentleman nature, and noble heart, he'd attracted tons of girls, and every lovemaking session he has with his harem, his future wives winds up getting impregnated by him in less than a second, and it doesn't take long for the effects of pregnancy to kick in, which are much faster than ever.

Rita: We had no idea about it before. But, during Lincoln's check-ups with Dr. Feinstein, he did show us all of what you just told us.

Nico: Wow...!

Christine Christmaslairaira: I know that shocked you all especially Regina's journal about Lincoln's health reports, but everything I told you is all true, and it's good to see you again, Lincoln, but wow, you've really grown a lot in height and muscle mass since last I saw you.

Suddenly, Lincoln pinned Christine Christmaslairaira to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Christine Christmaslairaira with green gems on the gold lightning bolts and red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up as he sat on the couch and he kept her close to his body as she took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

But, then, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle and beside his left and right thighs and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Eli: What's this?! Lincoln's power is rising even more like what happened yesterday.

Christine Christmaslairaira: That's my special gift to him: Christmaslairaira's Blessing of Divine Christmas Power Justice, and each Forbidden Zone Planet Queen have given him our individual blessing when he fed on our blood. (Still rubs Lincoln's massive pecs) And who could've guessed the 11-year-old boy I met long ago would grow up into a 950'11" extremely tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs with enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath and

999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln let out a wild growl as he wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Christine Christmaslairaira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Christmaslairairans both males and females are extremely passionate when it came to sex and lovemaking.

Lily the Mermaid: Ooh boy.

After Lincoln and all of us killed Sapphire Nautilus' insane rapist father and sent him to The Black Abyss forever, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well and we were really sweating up a storm, and when Solana Vulcania saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and he was sweating up a storm, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Solana Vulcania: My God, I was right that Lincoln's really grown into a 950'11" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 999 septillion-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and

he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Solana, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Solana Vulcania: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Solana Vulcania: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get my 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with my enormous rainbow angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large rainbow angel wings underneath my enormous rainbow angel wings, they had an atomic red blush on their faces, hearts in their eyes, and their noses were really gushing out blood.

And when Super Brother's harem saw Super Brother doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and he was sweating up a storm, they had an atomic red blush on their faces, hearts in their eyes, and their noses were really gushing out blood.

And when Nico's harem saw Nico doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous yellow angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large yellow angel wings underneath his enormous yellow angel wings and he was sweating up a storm, they had an atomic red blush on their faces, hearts in their eyes, and their noses were really gushing out blood.

Then, Marlene Maxwell got out a videotape, but this one was blood red in color.

Eli: (GULPS) I can guess that tape is...!

Marlene Maxwell: Yes, it is. This tape I have here is from 1997, this was weeks after Tucker Williams freed the ghosts of the dead students and teachers that got killed by Caleb and his friends during The LaGuardia High Bloodbath in the spring of 1984, and a year after Mad Cat Max had put an end to the curse on Caleb, but his bloody desire to seek revenge was still running loose.

Marlene Maxwell put the tape in and we watched it on the big screen and it showed New York in 1997 in the evening hours, weeks had passed after Tucker Williams freed the ghosts of the dead students and teachers that got killed by Caleb and his friends during The LaGuardia High Bloodbath in the spring of 1984, and a year had passed after Mad Cat Max had put an end to the curse on Caleb, but his bloody desire to seek revenge was still running loose.

Past Caleb Maxwell: I can't believe this...! That guy, Tucker Williams, he freed the ghosts of the dead students and teachers that we killed back in 1984, and I still can't believe I was beaten by Mad Cat Max a year ago in 1996! They are all going to pay!

Suddenly, we saw the veins in Caleb's arms suddenly turn dark red and dark circles outline Caleb's eyes: we knew it was because of the demon blood he accidentally drank long ago, the feelings of anger, violence, hatred, rage, and death he had in his heart became even more amplified because of it.

Me: Uh oh!

Nico: Yikes!

Caleb Maxwell: I had no idea I was worsening.

We saw on the screen that Caleb's nails were changing from normal peach to black, and his eyes were slowly turning from brown to red, he saw it happen to him.

Past Caleb Maxwell: Oh God, what's happening to me?!

Suddenly...!

?: Out on the prowl again, Caleb?

Caleb turned around, and he saw four male cats: one was a male black-furred cat with dark blue hair and black tail, sleeveless light blue crop top, sleeveless dark blue vest, blue jeans, and black knee-high boots, two male white-furred cats: one had black hair and the other had platinum blonde hair and white tails, and were dressed in dark purple and blue clothes, and the other male was a lighter brown-furred and beige-furred cat with deep brown hair and lighter brown tail, but he was shirtless, and dressed only in blue pants and black knee-high boots and all of them have blue eyes and black fingerless gloves.

Past Caleb Maxwell: Oh God! What the Hell do you want, Chris Maxwell?

Chris Maxwell: Hey now, is that any way to talk to an old friend of your sister's?

Me: Who are they?

Allie Maxwell: The lighter brown and beige-furred cat with dark brown hair is Chris Maxwell, no relation to us, the black-furred cat with dark blue hair is Davis Winters, the white-furred cat with platinum blonde hair is Michael Madison, and the white-furred cat with black hair is Xander Davis, four patrons at a local bar in Manhattan, and they'd been known to attract a lot of ladies due to their handsome looks. And as Chris Maxwell said, he's an old friend of mine from my senior year in high school, these four were popular among the girls for their handsome looks and their flirting, yet I didn't fall for it, and it's no surprise they knew I was the younger sister of Caleb Maxwell.

Lincoln: Tell me your brother didn't try to...!

Cage Blunt: Oh, no he didn't try to end them, yet he did have some murderous actions against them, but Allie had to keep him from doing something pretty destructive, that is if Travis and I didn't get to him first to restrain him.

Past Caleb Maxwell: What are you four doing here?

Davis Winters: Heh, straight into business. Well, in any case, you should know we can't allow you to continue to claim more lives.

Michael Madison: Ever since your return home, you'd been claiming lives left and right all over New York.

Xander Davis: You may be claiming the lives of criminals, but they're still human, you on the other hand are a heartless cruel bloodthirsty savage.

Past Caleb Maxwell: A heartless cruel bloodthirsty savage? Are you sure you're not referring to the very person who killed me back in 1985?! Because, if that meant you are comparing me to Drake Maxwell, you just sealed your own doom!

Suddenly, black ravens began flying out into the skies of New York, it was a sign that chaos was about to fall on New York. But, then, police lights were seen flashing, and Caleb Maxwell fled in order to get away.

Chris Maxwell: I think that went well, it drove Caleb off for now.

Xander Davis: But, for how long, he's going to come back once more, he desires the blood of Drake Maxwell for years of pain and suffering, and that he's responsible for his death in 1985.

The four of them left for the bar, but Caleb Maxwell who fled to the roof of a nearby apartment was growling in anger.

Past Caleb Maxwell: Those four, they dare to compare me to Drake by calling me that?! (ENRAGED SCREAM) DAMN THEM!

?: Well, they knew what you've done ever since you'd returned to New York last year.

Caleb turned to see Cage Blunt and Travis Tackett.

Past Caleb Maxwell: Still, they know I kill only rapists and murderers.

Past Cage Blunt: Yes, but before that, you were killing left and right, as if you had fallen under a dark curse brought on by the living Hell you went through that started in 1979 when you were twelve.

Caleb's face went white.

Past Cage Blunt: You found out about the living Hell I went through in 1979 from your Dad?! That talk you two had!

Past Travis Tackett: Well, now, we know more about your past, that your living Hell actually began in 1979. You tried to hide it, but it was going to one day come back out into the open.

Caleb was pretty horrified to find that out as the video ended.

Me: Uh oh...!

Nico: Looks like the truth about your living Hell beginning in 1979 was finally spilled out into the open.

Caleb Maxwell: The vampires actually knew about it in 1979, and they actually told my mother about it, but only if she was alone: no sign of Dad or Drake, and they couldn't tell Allie about it since she was only four at the time. Do you realize the kind of damage that'd do to a four-year-old when she hears of the pain and suffering her older brother went through?

Lincoln: She would be traumatized by hearing about it, and Cage's dad heard about it after he took you in and contacted one of his old connections.

James Blunt: That's right, the night I took Caleb in, I called one of my old connections at Yuridia who told me about Caleb's tragic past that began in 1979, and that's what hit me in the heart. Caleb was 12 when that nightmare began, he was still a kid, and that sort of pain would lead to trauma for him.

Jack Howard: And despite telling the Captain about what his brother and father were doing, all those nightmares and trauma weren't resolved, and it only got worse for him.

Roxy Drake: We could've gotten him to a therapist, but not even therapy would fix the mess his life was doomed to become, and he couldn't even spill out that secret of his family's.

Travis Tackett: Are you kidding? You would've put him in a straitjacket and thrown in a nuthouse in Rikers Island, and you know what happens when you piss off a kid whose life was literally on the downward spiral into Hell.

Many of us shuddered at the thought of Caleb going berserk and causing death and destruction if someone did that!

Jazz Jackson: If Caleb were to do that, I'd have kicked him hard in the crotch and knocked him out!

Allie Maxwell: That's an even worse idea, Jazz, you know what happens when you piss me off along with my mom and my family if Caleb gets hurt.

Cuffs Lane: I think we already know the answer.

Buffy Blain: (Shudders) If your Uncle Christiano found out, he'd go on a rampage to find the guy who did that to Caleb.

Abby Smith: And Marlene would raise Hell on the guy as well.

Carter Kenrick: My family knew Christiano and Marlene always happen to start fights with those who try to hurt innocent people, and they are also pretty scary when angered.

Captain Whitten: And many criminal gangs knew better than to cross them, but when it came to Caleb, they tried everything to get rid of him thinking he's not like his mother or uncle, but they were really stupid to do so.

We got a shower, and then, Lincoln, Gloria Sato, Simulator Emmy the Robot, Amy, Franny, Polly, and Amiga are heading to Indigo Ocean, and joining them are the rest of his harem.

Lincoln snapped his fingers, and the 950'11", handsome and extremely muscular wolfman had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Gloria Sato, Simulator Emmy the Robot, Amy, Franny, Polly, and Amiga and the rest of Lincoln's harem were dressed in colored two-piece bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Gloria Sato, Simulator Emmy the Robot, Amy, Franny, Polly, and Amiga had feelings for Lincoln, and Lincoln also had feelings for them too, and he saved them from a group of musclebound thugs and he sucked out all of their muscle mass, virility, testosterone, strength, and energy which killed them all.

Franny: Wow, we're here in Indigo Ocean, it's so beautiful.

Lincoln: You said it, Franny, and it's perfect for our first date. Shall we?

Lincoln, Gloria Sato, Simulator Emmy the Robot, Amy, Franny, Polly, and Amiga and the rest of his harem also gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, Lincoln did the same thing giving Gloria Sato, Simulator Emmy the Robot, Amy, Franny, Polly, and Amiga and the rest of his harem a deep tissue massage, and when he was done with that, they were relaxed Then, they had an awesome game of volleyball, and they went to a workout area Lincoln created, and Gloria Sato, Simulator Emmy the Robot, Amy, Franny, Polly, and Amiga and the rest of Lincoln's harem got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift massive 999 Septillion ton-lb barbells Lincoln summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his extremely massive muscles.

Lily the Mermaid: (Swooning) My God, Linky's still such a handsome and manly wolfman hunk.

Suddenly, they saw The Elden Beast from Elden Ring coming after them.

Anna Anyanova: Oh no, The Elden Beast from Elden Ring.

Lincoln: I got him.

Lincoln went after The Elden Beast and he morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into The Elden Beast and he began absorbing him and he assimilated The Elden Beast's Holy Magic and Power Bestowal, and as a result, he also absorbed The Greater Will and assimilated The Greater Will's Power bestowal, Creation of Elden Beasts, and Manipulation, and Lincoln's abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH!

Then, when Lincoln was done and the stingers changed back, Lincoln's rainbow, white, golden yellow, and blue energy aura flared up even more with elements around him, and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and fire exploded out of his massive biceps and muscles and he generated wind gusts from his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and cooled down his harem.

Then, they had some lunch, and then, as the sun was about to set, Lincoln went up to Gloria Sato, Simulator Emmy the Robot, Amy, Franny, Polly, and Amiga and the rest of his harem and he hugged them in his abnormally massive and powerful muscular arms, and Gloria Sato, Simulator Emmy the Robot, Amy, Franny, Polly, and Amiga and his harem placed their hands on Lincoln's massive hairy pecs, but Lincoln wasn't done.

Then, Gloria Sato, Simulator Emmy the Robot, Amy, Franny, Polly, and Amiga and the rest of his harem lying down on a massive beach towel with Lincoln on top of Gloria Sato, Simulator Emmy the Robot, Amy, Franny, Polly, and Amiga and the rest of his harem.

And then, Lincoln shared a passionate and romantic kiss with Gloria Sato, Simulator Emmy the Robot, Amy, Franny, Polly, and Amiga and the rest of his harem and Lincoln slowly sank his fangs into their right trapeziuses and he began feeding on the blood of Gloria Sato, Simulator Emmy the Robot, Amy, Franny, Polly, and Amiga and the rest of his harem, and Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light hovering above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln and I slowly unlatched our fangs from the right trapeziuses of our harems as they healed and the puncture marks sealed up, and we also kissed where we bit them. We came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Nico: (Whistles) Wow, it looks like you really had a good time at Indigo Ocean, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Gloria Sato, Simulator Emmy the Robot, Amy, Franny, Polly, and Amiga with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with six white and gold accented Elemental Thunderbird Chokers of Eternal Love appearing on their necks and six rainbow Thunderbird wedding rings on their left pinkies.

Lily the Mermaid: And now, Gloria Sato, Simulator Emmy the Robot, Amy, Franny, Polly, and Amiga are in your harem, Linky.

Gloria Sato, Simulator Emmy the Robot, Amy, Franny, Polly, and Amiga showed the marks on their right trapeziuses Lincoln made.

Jenna: We had trouble though.

Lincoln: Unfortunately, we did. The Elden Beast came after us!

EVERYONE GASPED!

Nico: Oh shit!

Lincoln: Don't worry, I used my Cell stingers and absorbed him, and as an indirect result, I also absorbed The Greater Will, and assimilated all of their powers and abilities, and I sucked out the last of their energy.

Me: Smart move.

Lily the Mermaid: But, our date went smoothly, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted massive 999 septillion ton-lb barbells he summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous angel wings had spread out and they generated a cool breeze cooling us down and fire and wind exploded from his massive biceps and muscles.

Serena Logan: Lincoln really got that confident and bold, we really made him into a really strong and powerful manly wolfman.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know, we made a clone of that mutant.

Lincoln: That's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for another awesome Skylanders adventure.

Nico: Who's next?

Me: Captain America, Chris Taylor, Starlight Glimmer, Cozy Glow, Krypt King, Short Cut, Funny Bone, Roller Brawl, Skull Man and Dust Man.

Qin: Cool!

Nico: This will be fun.

Me: Hood Sickle next this time.

Nico: Wow!

We went into the Simulator and it activated and we were in New Orleans, Louisiana.

Me: New Orleans this time.

Qin: Yep. This will be fun.

Homer: I hope we get to eat some New Orleans food here.

Nico: We can if you want.

Homer: OOH! Count me in!

Nico: AHH!

Qin: Boy what a meal.

LOUD BELCH!

Me: Oh pardon me.

Xenia: No kidding.

Shaggy: Like ready for dessert J.D.?

He pulled out a jar of Moonscar Island Peppers.

Nico: UH OH!

Me: Bring it on Shaggy.

I took a bunch of peppers and so did Shaggy.

Me: Ready?

Shaggy: 3...

Me: 2...

Shaggy: 1...

Me and Shaggy: IGNITION!

We ate them!

Nico: Look at them go!

But then...

(IT BURNS BURNS BURNS BY LOCO LOCO PLAYS!)

(VOLCANO ERUPTS!) (NUCLEAR EXPLOSION) (FIERY SUN BURNS)

SHAGGY SCREAMED IN AGONY AND FIRE EXPLODED OUT OF HIS MOUTH LIKE A FLAMETHROWER!

MY FIRE AURA EXPLODED OUT WITH INTENSE FORCE AND I GOT SUPER POWERFUL AND STRONG!

Shaggy: WATER! WATER WATER! WATER! WATER!

Nico: GEEZ!

Maria fired waves of water and into Shaggy's mouth and a huge cloud of steam came out of his mouth.

Shaggy: (LAUGHS) Like that was delicious!

Sakura Knudson: (LAUGHS) Shaggy always loved that stuff. Mind if I take some peppers?

Me: Go for it sis.

She did so and ate them and then the same thing with me happened to her and man was it intense!

Me: WOW! Sis you are powerful.

Sakura Knudson: I sure am!

Qin: Awesome!

May: I thought that was awesome.

But then...

MACHINE GUN FIRE!

May had Chili peppers fly into her mouth from out of nowhere and then...

May: (SCREAMING IN AGONY) (FIRE EXPLODES OUT OF HER MOUTH LIKE A FLAMETHROWER!)

Manaphy: MAMA!

May was running around like a chicken with its head cut off!

Maria: I got this!

She fired water and it went into her mouth and a huge cloud of steam came out.

May: AHH! (Wheezing) Thanks Maria!

Nico: OKAY WHO IS THE WISEASS!?

Lana: LOOK!

We saw a girl that had red hair and fire angel wings and had black clothes and red eyes and she was walking around like she was blind!

Lincola: OH MAN! That's Velma Dinkley's Akuma, Princess Jolokia! The Hypothetical Akuma of Velma Dinkley and she is a really powerful and spicy one. She has intense pepper powers and fire powers. She was made because of the Ghost of General Juan Carlos taking her and locking her in a dungeon and smashing her glasses and vowed to get revenge on him after finding an eye doctor.

Nico: GEEZ!

Qin: WOW! Spicy!

Princess Jolokia: Where are you guys!? I can't see anything.

Sakura Knudson: That's right I forgot that Velma was blind as a bat without her glasses.

Ymir: Was she really?

Sakura Knudson: Yeah she couldn't see anything in front of her own face.

Ymir: Oh man.

Nico: This is too easy.

She fired many super hot peppers into my mouth and I ate them and then...

EXTREMELY MASSIVE AND INTENSELY POWERFUL FIERY EXPLOSION OF INFERNAL AND NOVA PROPORTIONS!

Me: WHOA! That is intense spicy power!

Princess Jolokia: Where are you guys?

Sakura Knudson: Good thing I always have a spare of Velma's glasses.

She went over and gave them to her and put them on her.

Princess Jolokia: Ah thank you. Sakura Knudson! What happened? Where am I?

Sakura Knudson: You're in New Orleans, Louisiana. Also the Ghost of Juan Carlos was captured a long time ago.

Me: It's true.

Nico: Who was that guy again?

Qin: His name was Captain Eddy. He was trying to get a massive treasure of priceless treasure out of a museum from Puerto Rico onto his boat without being seen. It was all a King's Ransom of treasure.

Nico: Oh yeah! I remember him. He's also Sailor Uranus's archenemy.

Chris Taylor: Great! Now she can clearly target us!

Qin: Chris where would the fun in hitting her while she can't see?

Chris Taylor: Aw you're right on that.

Nico: That is true.

Princess Jolokia: Boy I can't believe Juan Carlos did all that.

Me: It's just amazing what criminals can do just to get rich.

Princess Jolokia: I know. Also you guys are true spice demons.

Me: Shaggy loves it but can't handle the heat.

Maria was giving him lots of water from all the spice he had.

Maria: His mouth is STILL on fire.

Princess Jolokia: I still remember that.

Sakura Knudson: Also Velma from what I remember, you once told me so yourself that your body tolerates spicy even less than someone ending a sentence with a preposition.

Princess Jolokia: (LAUGHS) I remember telling you that. But you once drank an entire bottle of Grim Reapepper hot sauce.

Sakura Knudson: That was REALLY powerful sauce.

Maria: Let me take care of that.

Sakura Knudson: Maria this happened a long time ago before I was with Swartz.

Maria: Oh sorry.

Nico: Cool.

Me: My sister is a TRUE spice demon. We're going to be really killing our toilets with explosive diarrhea after this is done.

Nico: Poor toilets...

WE LAUGHED!

Qin: That is funny.

Me: Yep. Also Nico I was expecting you to say TMI.

Nico: Sorry.

Princess Jolokia: I agree. Also here's Hood Sickle.

Out came HOOD SICKLE!

Hood Sickle: YOUR TIME IS RUNNING OUT!

Me: Well your time is up!

Hood Sickle: Dead toilets are the least of your worries

Me: We'll shove your face into a toilet full of diarrhea.

Xenia: You tell him!

Me: Lets get them!

Krypt King: I'VE GOT THE EDGE!

Short Cut: CUT TO THE CHASE!

Funny Bone: I'VE GOT A BONE TO PICK!

Roller Brawl: LET'S ROLL!

We went at them.

Qin: You know Hood Sickle has anyone ever told you that you look like Lord High Executioner from the Goosebumps book A Night in Terror Tower?

Hood Sickle: Really?

Qin: It's true. That monster scared the living daylights out of me long ago.

Me: It's true.

Hood Sickle: I see.

Me: Yep.

We went at him and blasted him and Princess Jolokia all over.

Nico: Take that!

We fired energy blasts and knocked out Princess Jolokia.

I fired waves of energy and blasted Hood Sickle.

Captain America threw his shield and bashed Hood Sickle in his head.

Hood Suckle: Nice weapon. Mine's better

Captain America: We'll see about that.

Chris: CAPTAIN AMERICA! D-SMASH!

He summoned Disk Wars Captain America!

Disk Wars Captain America: AVENGERS ASSEMBLE.

Me: YEAH!

We fired energy blasts and blasted them both.

Captain America, Chris Taylor, Starlight Glimmer, Cozy Glow, Krypt

King, Short Cut, Funny Bone, Roller Brawl, Skull Man and Dust Man: UNDEAD AMERICA FURY BLAST!

They fired waves of energy and skulls and bones and blasted Hoodsickle and he was knocked down!

HOOD SICKLE DEFEATED!

Hood Sickle tried to crawl away.

Starlight Glimmer: Going somewhere? You're not going anywhere except in here.

She held up an Undead Trap and a grey vortex appeared!

He was being sucked in.

Hood Sickle: I've got an axe to grind with yoooooooooouuuuu!"

He got sucked into the trap!

Hood Sickle: "What? A trap? I shall simply teleport out of here then. Did that work? No? GAAH!"

HOOD SICKLE TRAPPED!

Starlight Glimmer: Teleportation is not going to get you out of that. As Princess of the Undead Skylanders you are now ordered to be good from now on.

Hood Sickle: "You mean I can undertake the path of good now? Hmmm, let me think on it."

Me: I'm afraid you don't have much of a choice.

Hood Sickle agreed.

But then...

LOUD STOMACH GRUMBLING!

Me: UH OH!

We left the simulator and went to the bathroom!

I ran into my bathroom. Everyone heard me groan, then the toilet flushes, then I comes out.

Me: Phew! I wouldn't go in there for a couple days. Or weeks.

My toilet comes out of his bathroom groaning and coughing, wheezing and gagging.

My toilet: Please, please, somebody put me out of my misery! [toilet jumps into Nico's hands, coughing] Have mercy on my soul...! [toilet dies]

Nico: Well there goes another toilet.

* * *

Later everyone was walking me and Carrie to a fun restaurant. Nico was guiding me as I was blindfolded and Varie was guiding Carrie.

Me: Where are we going?

Nico: A really awesome place.

Varie: You are going to love this.

We later stopped.

Nico: Tadah! We're here!

They took off our blindfolds. We were at a pasta bowl buffet restaurant. It looked like a bowl of pasta with the Earth on it.

Me: The Global Pasta Buffet? I heard this restaurant just opened up.

Carrie: It sure did.

We saw each other.

Me: Carrie!?

Carrie: J.D.!?

Both of us: YOU'RE MY DATE!?

Me: (In my head) I'm going to get Nico for this!

We got tables and we got some good pastas from all over the world.

Nico: You guys have fun.

Me: Will do.

Xenia: Awesome.

Zipp: Kaito, remember when me, Lena, and Lightning Dust met you?

Kaito Touma: How can I forget? That was awesome and fun.

Lightning Dust: Everyone had fun on that one.

Lena Mack: We sure did.

As me and Carrie ate our meal she began to open up. She told me how she was raped and tortured and hurt all over by her mother's insanity and it was terrible and how Chris would always do terrible things to her like call her terrible names and assault and torture her and more.

What she went through REALLY DISGUSTED ME AND HORRIFIED ME!

Me: Those animals.

Carrie: (Crying) And the worst thing my mother did was she... she... SHE DID THIS TO ME!

She showed a nasty scar on her back in the shape of the Star of Satan!

WE GASPED!

I went over and hugged her and she cried hard.

Me: Oh man. I'm so sorry Carrie. I'm sorry.

Fluttershy came over and cried and hugged her too.

Fluttershy: Oh you poor poor thing. (Crying)

Rarity: [starts crying] I can't bear to see Fluttershy cry!

Pinkie Pie: [starts crying] It's just heart-wrenching!

Fluttershy, Pinkie Pie, Rainbow Dash and Rarity: [crying hysterically]

They were crying with Carrie.

POOR GIRLS

Qin: Oh man! Poor Carrie!

Neon was crying too and so was Hymeno!

Hymeno: (CRYING HARD) IT'S NOT FAIR! HOW CAN HER OWN MOTHER TREAT HER THIS WAY!?

Neon: (CRYING HARD) HER MOTHER IS A MONSTER!

Nico went to the birdhouse back at the estate.

Nico: Hey, Mevya. Can I hide with you here?

Mevya: Sure.

Nico went in

(GOODBYE RODNEY PLAYS)

Back at the restaurant, Carrie and the girls were really crying.

Xenia: Poor Carrie.

Naomi Necroshade: I had no idea she went through all that.

Gaea Gigaplant: Me neither.

The mascots then bursted into tears!

Poromon: (CRYING HYSTERICALLY) HOW CAN HER MOTHER BE SO CRUEL!?

Manaphy: (CRYING HYSTERICALLY) IT'S SO HEARTLESS!

Horsea: (CRYING HYSTERICALLY) OH CARRIE WE'RE SO SORRY!

Poliwag: (CRYING HYSTERICALLY) YOU DESERVE MUCH BETTER THAN MARGARET!

Back with Nico...

Nico: Hiding out with you here is good quality time together

Mevya: It sure is.

They were watching TV on a small TV.

Lena Mack: Boy we took out a lot of your enemies.

Kaito Touma: You sure did. That was fun.

Lena Mack: I agree.

Eli: Yeah!

Runabout: Your mom's a piece of work

Carrie was crying hard.

Laney: Boy no kidding.

Qin: Yeah. What a monster.

Trixie Lulamoon was crying too.

Trixie Lulamoon: (CRYING) The Great and Powerful Trixie can't believe what she did.

Me: I know.

Back with Nico...

Nico: Be honest. Were you scared of Doomsday?

Mevya: He was ugly!

Nico: He sure was! I can't believe he was that hellbent on wanting to kill Superman.

Mevya: I know.

Back with us...

Lightning Dust: And we also destroyed the Storm King.

Tempest Shadow: That is for sure.

Eli: That was intense.

Blurr: But at least she's locked up now

Lincoln: And has that curse put on her.

Me: Thank goodness.

We left the restaurant after paying for the food. Carrie was still crying.

Alt. Chloe: Poor Carrie. She really had it rough.

Marinette: That's an understatement.

Me: Yeah. Now we need to go get Nico and punish him.

Lily: Yep. No harm in using the Tickle Belt for blind date punishments too.

Lola: I like it.

Zarya: Guys look!

We saw a Galarian Rapidash!

Lola: Wow a Galarian Rapidash.

Me: She's pretty.

Back with Nico...

Nico: Can I take a nap with you?

Mevya: Sure.

He pressed a button and the sofa turned into a bed there.

Nico: Cool!

Nico went and got comfy.

Mevya: I made that sleeper sofa out of recycled sawdust that I made into fireplace logs and made the bed out of cottonballs.

Nico: Cool! Good form of recycling.

Mevya: Yep.

Back with us...

Laney: Where did that come from?

Me: Must be one of Dark Gale's work.

Sheena: Her name is Sapphire Petropia and she is Half Petrosapien.

Me: Whoa! One of Diamondhead's kind! Wow!

Rarity: This one must be a really beautiful one darlings.

Poromon: It sure is.

Diamondhead: Lets go help her out.

We went over.

Diamondhead: It's okay kid. You'll be fine.

She charged at us and we dodged her.

Me: Whoa!

Then she stopped the ground and huge CRYSTAL CLUSTERS grew out of the ground instantly and went at us.

We dodged them too.

Me: WOW!

Qin: Awesome!

Me: Okay then.

I fired waves of energy and smashed her down.

I snapped my fingers and she reverted back. She was a girl with green hair and light green eyes and had crystal angel wings and had Galarian Rapidash on her forehead and on her arm was the planet Petropia with a crystal cluster and Diamondhead on it.

I wrapped her in a blanket and we brought her over.

Kirby did his victory dance.

Kirby: HAI!

Me: YEAH!

She woke up.

Sapphire Petropia: (Groans) What hit me?

Me: Well it's a crazy story. You were turned into a Galarian Rapidash by Dark Gale.

Sapphire Petropia: Oh man. I was battling Dr. Animo's creations. He had a really nasty Pyronite Bat Creature and this really ugly Mouse-Armadillo creature.

Me: Good god! That is really fucked up work there.

Ben: I know those creatures. That was Heatbat and a Mutant Hamster.

Me: That is sick!

Eli: Yeah!

Diamondhead: I remember us battling them and it was crazy.

Sapphire Petropia: I can see why.

Horsea: Good thing he's in the MOE now

Sapphire Petropia: I heard about that.

Rarity: Your jewels and gems are magnificent darling.

Sapphire Petropia: Oh thanks.

She formed a huge emerald crystal cluster in her hands.

Sapphire Petropia: Being half Petrosapien means I have amazing crystal power and can make any kind of crystal there is.

Me: That is amazing.

Rarity: Lets get you some new clothes darling.

The fashion brigade gave her new green and blue clothes and a crystal sword.

Sapphire Petropia: I look amazing.

Me: You sure do. Now we have to punish Nico.

Carrie White: But I had a great time.

Me and Carrie then kissed.

Everyone: Awww!

Qin: So awesome!

Eli: Nico's in the birdhouse.

Me: Aw nuts. Didn't want to have us go on a fun chase today.

We went back home.

We got back and we saw Nico and Mevya in the birdhouse taking a nap together.

All of us: Aww.

Qin: So adorable!

Poromon: Yeah.

We went back inside the estate.

Later Nico woke up and later came back in.

Me: Have a nice nap with Mevya?

Nico: I sure did.

Donna Diego: I think you both are adorable sleeping together.

Scream: We thought so too.

Me: Yeah.

Nico: Aw thanks.

Lily: We still have to punish you though. I'm thinking of a number between one and 100. What is it?

Nico: Uh... 62?

Lily: WRONG!

Lily pressed a button on the remote and was being tickled by the belt!

Nico: (LAUGHING HYSTERICALLY)

Me: SAY IT!

Nico laughed hysterically!

Carrie White: SAY IT!

He laughed more!

Qin: NICO IN THE NAME OF ALL HUMANITY SAY IT!

Nico: NEVER!

Lily: Okay buster you asked for it!

Lily increased the frequency of the tickle!

HE LAUGHED HYSTERICALLY!

Nico: (LAUGHS HYSTERICALLY) OKAY OKAY! UNCLE! UNCLE! UNCLE!

Tyrone: SAY WHAT!?

Nico: UNCLE! UNCLE! UNCLE!

We stopped it.

Nico sighed in relief.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells to get his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings even stronger than ever, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous white angel wings.

Same with Super Brother doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells to get his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings even stronger than ever, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous white angel wings.

Lincoln: We don't have long before our final showdown with Lex

Luthor begins, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift an extremely mountain-sized massive 999-septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Nico: Now we know the belt works.

Me: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo and second smaller halo of light in the center and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo that's behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Lex Luthor, he's returned from The Warp, and he's on the loose in Metropolis and wants revenge on us. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: So, you've finally come crawling out, Luthor!

Eli: Finally, now he's dead!

Lincoln: That's for sure.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it's Lex Luthor, he's returned from The Warp, and he's on the loose in Metropolis and wants revenge on us.

EVERYONE GASPED!

Superman: It's finally time, now this is where his reign of terror ends here.

Me: And where I'm going to expose him using my new power.

Nico: We'll hear the details when Lincoln tells us his battle plan. Alright, team, let's get going to Metropolis, the time to take down Lex Luthor is now.

Lincoln: Luthor's time is finally done, this is where we end his reign of terror once and for all.

The previous group came

Koragg: Can me, Whirlwind, Molten Man, King Shark, LaGrange, Mr. Mittens, Abomination, Lady Shiva, Selene and Red Ghost go with you guys?

Nico: Yes you all can come.

Qin: We're going to need all the help we can get with this one.

Molten Man: I agree there. The Entirety of the Legion of Doom will be involved.

Nico: Yep.

Laxus: Nico, which Gene Slammer do you think you'll meet next?

Nico: Elemental HERO Escuridao next.

Me: Whoa that one is dark all over.

Qin: Yep.

Lola: Nice.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999

sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo and second smaller halo of light in the center and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo that's behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Argus the Unmaker, one of the most formidable antagonists from World of Warcraft, and he's coming to destroy us. When we saw it, we knew it meant trouble.

Lincoln: Oh no, now we got trouble.

Me: Was that...?

Lincoln: Argus the Unmaker, one of the most formidable antagonists from World of Warcraft, and he's coming to destroy us.

Lola: Oh no, I know him. Argus is the Titan of Death and the Engine of Demon Resurrection, but once, he was a nascent Titan, slumbering within the core of the Eredar homeworld, also named Argus. But, Sargeras, leader of The Burning Legion, twisted him into a Titan of Death and Destruction and gave him immense power over the cycle of life and death, and Sargeras used him to fuel his endless war against the cosmos.

Luna Gutierrez: Argus is getting absorbed by Lincoln when we fight him.

Lincoln: That's for sure. (Sensed Sargeras) And Sargeras is also coming after us as well, I also intend to absorb him as well.

Nico: Whoa, so two villains are getting absorbed and sent to The Black Abyss, this should be good. Alright, team, let's head to Metropolis.

Lincoln: Lex Luthor, your time is finally up, this is where your reign of terror ends here, and once we get done with him, you're next, Argus and Sargeras.

Luna Gutierrez: I knew one day you'd show up, Argus, now we'll end you and Sargeras for good and end your endless war against the cosmos.

Lincoln put up a powerful rainbow energy field around The World Tree Estate and we headed to Metropolis to finally destroy Lex Luthor once and for all, and once we send him to The Black Abyss once and for all after we expose his crimes to the world and Metropolis, Luna Gutierrez and Lincoln are going to take down Argus the Unmaker and Sargeras, leader of The Burning Legion, and Lincoln's going to absorb them.

We were off to Metropolis.

We arrived in Metropolis.

Me: We're here.

Whirlwind: Lets call Pinky and Brain.

Me: Good idea. And the Legion of Doom too.

We did so.

Grodd: We're here guys.

Pinky: We're where.

BLANG!

Brain bashed him on his head with a crowbar.

Pinky laughed stupidly and crazily.

Pinky: (STUPID AND CRAZY LAUGHTER) NARF!

WHAT AN IDIOT!

Brain: In Metropolis you imbecile!

Superman: Smell that nice Metropolis air.

Thetis: Good to be home, huh?

Superman: It sure is.

Maya-Ak: It's awesome Kal.

Superman: It sure is.

Me: Since we're going up against Lex Luthor it's best to start at the place he works at.

I pointed to LexCorp.

Superman: I think that will be where we fight him. First, how about I show you around?

LaGrange: Let's start at the Daily Planet

Me: Good idea. We haven't seen much of this place.

Qin: I agree.

We went and walked around and we went into the Daily Planet.

We saw Superman's work station.

Me: Wow sweet office Kal.

Superman: Yep it sure is. Look at all the stories we did oo.

He showed us them.

Me: Boy many of these I remember from the good old days.

I saw many of them.

The Mad Scientist and his Electrothanasia-Ray, The Mechanical Monsters, the masked robbers that went after a train full of billions in gold bricks, the Tyrannosaurus perfectly frozen in a block of ice, the Bulleteers, The Magnetic Telescope, The Eruption of Mt. Monokoa, The Indians that wanted Manhatten back and were going to use an Earthquake Machine, many things.

Vince: Oh yeah! I remember these.

Me: Boy good times.

Nico: Yep.

Lois Lane: We've been very busy for a while here.

Me: I can see that.

Maya-Ak: Boy lots of things have happened since Kal was here.

Me: I agree there.

Larry Koopa saw a memorial to Dan Turpin.

Larry Koopa: May he never be forgotten.

Me: Yep. Dan Turpin will be remembered.

I saw another story.

Me: WHOA! Nico look!

I showed a story of Nico and Superman busting John Corbin before he became Metallo.

Nico: That's me with Superman busting Corbin before I joined you all.

Me: That was before he became Metallo.

Nico: Yep.

Qin: I remember hearing about how that happened to him though. That was rough.

Abomination: It sure was.

Me: Yeah.

We saw more stories.

Me: (Reading) "Superman and Nico bust Rocket Thief." That's Roxy Rocket!

Nico: I forgot all about that.

Me: Wow! (Reading) "Nico and Superman busted Electrified Villainess." That's Livewire before we redeemed her.

Livewire: I remember that. Nico and Superman gave me a good fight.

Nico: We sure did.

Me: Wow! (Reading) "Superman and Nico Extinguish Fire Femme Fatale." That's Volcana.

Volcana: Before I came here I wasn't always a nice girl.

Argent: It's true.

Me: That is amazing. (Reading) "Superman and Nico Thaw Out Ice Cold Villainess." That's Killer Frost before she was redeemed.

Killer Frost: Yeah I put up a nasty fight.

Me: I can see that. Kal I think you have the most villains and archenemies out of all the members of the Justice League don't you?

Superman: Actually Batman has more enemies than I do. He has me beat.

Me: That's right and many of them are all MASSIVELY fucked up in the head.

Batman: That's right.

Wingspan: Boss, you helped Kal before?!

Nico: Many times actually. I helped him beat all of his enemies. Including Lex Luthor.

Me: Wow! And this was long before you joined us. I'm impressed.

Nico: I know. Let me show you guys what we did together.

We were shown massive numbers of stories about Nico and Superman taking down Lex Luthor and all his plans. We saw it all. They beat Metallo, Destroyed Lex's robots, Destroyed huge weapons and much more.

Me: (WHISTLES) Wow you guys have been busy.

Lois Lane: I Was amazed myself too.

Superman: Nico has done a lot of stuff with me just like J.D. did. He is a true member of the Justice League.

Nico: I've been doing all this long before I joined the team and it's a secret I forgot all about.

Selene: To be fair, Superman and Batman are the leaders of the Justice League

Batman: It's true.

Me: I'm really impressed though. Nico has left a much bigger win record on Lex Luthor than I have. We only battled him a few times. Nico and Superman have battled him thousands of times and won.

Qin: Yep.

Lola: Amazing.

Nico: Yep. This will be the last time though.

Me: Yep.

Eli: Uh guys! Look at this!

We looked out the window and in the sky we saw ANOTHER MOON!

Camie: WHOA! Look at the size of that moon!

Lola: Where did that come from!?

We saw it turn.

Me: That's no moon! It's a Space Station!

Nico: I've got a very bad feeling about this.

We saw that it was a KRYPTONIAN VERSION OF THE DEATH STAR! It had Superman's Emblem on it!

Lincoln: OH MAN! That's Superman's Akuma the El-Star! The Hypothetical Akuma of Superman and he's a space station ark that was built for saving all of Krypton from themselves. He was sent back in time to when Krypton was about to explode. He rescued all of Krypton there and saved them from themselves and got them to change their ways. He was built as a last resort by Jor El. Instead of Gabriel he was an Akuma made by Jor El and he used the Codex of Krypton as the core consciousness of the ship and it was built to get the people of Krypton to safety. He is fully loaded and everything. It is 3 times the size of the Death Star II and it is more powerful than that. It even has a portal inside it that opens up to the Phantom Zone.

WE GASPED IN SHOCK!

RD Lisa Loud: To put it simply, he's a good Akuma

Me: And he looks like the Death Star.

Anakin: Very unusual and amazing.

Then it fired a beam of light and it was a teleporter ray.

We got beammed inside it.

We were on board.

Me: WHOA! Look at this place!

?: Welcome!

We saw a hologram of a black and white version of Superman. He looked like the one that Batman 2039 knows.

Me: Whoa Kal!? Is that you?

Superman 2039: I'm the core consciousness of the El Star. I was programmed to be in the likeness of Superman from the time of Batman in 2039.

Me: That is amazing.

Superman 2039: Let me show you guys around.

We walked around.

Superman 2039: This entire ship was built as a last resort to save my home planet Krypton from destruction.

Me: That is really amazing. What about General Zod? Was he locked up in here or thrown into the Phantom Zone?

Superman 2039: Locked in a cell here and we use Red Sun Radiation to render him powerless.

Red Ghost: At least, the one in your time.

Superman 2039: Yes.

Qin: How many people ae on board this entire station?

Superman 2039: There's over 100 billion people here. Krypton is roughly 10 times the Size that Earth was before it became Earth Omega.

Me: No wonder its gravity was stronger than Earth.

Lola: Yeah.

Superman 2039: Yes. We stationed this station in orbit around Earth Omega to serve as part of your defense grid against oncoming threats against Anti-Monitor and more.

Me: We greatly appreciate it.

Brain: While you're doing that, I'll be busy making a weapon that can kill Luthor

Erica: Go for it!

She went at them and kicked and punched and pulverized the Batlings all over the place with intense force and more.

The bodies were piling up fast and they were down and pulverized all over the place.

Me: YEAH!

Erica was sweating hard.

Crow gave her a towel.

Erica Haddock: Thanks Crow.

Me: That was epic!

Superman 2039: Well done Erica.

Erica Haddock: Thank you.

Me: You're welcome.

Qin: Also lets not forget guys, Athena Lorelai A.K.A. Blue Myth left her mark on Lex Luthor.

Nico: Oh yeah! You slashed him good.

Athena Lorelai: I sure did.

Me: Lex Luthor is not going to like that.

Agitos: Are you all done with that weapon?

He pulled out a blaster and it had a black container on it.

Brain: This is the Kryptonite Doomray Blaster. It'll fire a powerful and concentrated beam of Kryptonite energy.

Me: Nice! Wait I remember that Lex Luthor got Kryptonite Poisoning and he was dying.

Superman: I remember that. That was the very first battle you had with him.

Shiva: You can still help us against Luthor. I know you never liked him. I personally never liked him too

Grodd: We all never liked him.

Eli: I sense that Lex Luthor is not alone. I sense that it's one of Georgina's enemies. Georgina do you know someone by the name of Tyonna Puwalski?

GEORGINA GASPED!

Georgina: Oh no! I was hoping never to see her again!

Me: Sounds like you have a nasty history with her.

Georgina: Yes. She is a gangster that she beat up in the warehouse I worked at for coming after me. I got her sent to death row because Tyonna killed 7 people. By running over them with a steamroller. She swore revenge on me.

WE GASPED IN SHOCK!

Overbite: It'll be us against brains and brawn!

Pinky: What are we going to do tonight, Brain?

Brain: Simple, Pinky. We're going to help destroy Lex Luthor!

Me: (Chuckles) Funny. Usually you say you were going to try and take over the world. I remember you usually saying that.

Brain: Normally yes. But not this time.

Me: Okay you can jump in at anytime Lincoln.

Lincoln: Alright, everyone, gather around.

Lincoln pulled up a hologram of Metropolis, and he zoomed in on our target.

Lincoln: Now, as we already figured out, our main target is our old enemy, Lex Luthor, and like I said, he's escaped from The Warp and he wants revenge on us.

So, we'll have to tie them up for now.

Me: Lex Luthor is cunning and clever. We have to come up with a plan.

Lincoln: Then, once we expose Luthor, I'm gonna absorb them, but we're also going to battle another of The Anti-Underground Girls, and guys, you aren't going to like this, I found out they've allied with Anti-Monitor.

Qin: Now, we know even more about them, and they're now allies with Anti-Monitor.

Lincoln: That's still not stopping us from taking them down, separating their monster forms and scanning them into our Omnitrixes before we send them to The Black Abyss, and send them to prison. Now, then.

Suddenly, Lincoln's pupils turned into slits, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four

Lincoln let out an extremely massive and savage roar as he pounded his chest like an Alpha Male Gorilla.

Me: Uh oh! Lincoln's gone Savage again!

Nico: Oh boy, they're in huge trouble now.

This is where he dies once and for all.

Mr. Mittens: NOW we can head to LexCorp

Me: Lets go.

We were off.

We flew out, and we arrived at LexCorp and numerous men came and Lincoln tied up Lex Luthor's hired men: they're death row inmates from Metropolis whom Anti-Monitor busted out, and they were also really beefed up immensely due to them being injected with a muscle growth cocktail, but they were going to be absorbed by Lincoln later on.

Lincoln: (Beastly Gruff Manlier Voice) Okay, J.D., once you expose his crimes using your new power, I'll have it broadcasted to everyone in Metropolis and the world.

Me: That's exactly what I intend to do.

We went into LexCorp and it was really abandoned.

Me: This place has seen better days. Been almost 7 years.

We looked all over the place but there was no sign of Luthor.

Me: He's here somewhere.

Poromon: You sure you sensed him here?

Lincoln: Of course! I'm never wrong!

Glumshanks looked around until he noticed he backup into someone. He turned around and paled.

Luthor: (smirks in his armor) Hello, sunshine!

He punched Glumshanks, knocking him to the ground.

Glumshanks: Hey, guys. I found him!

I teleported and kicked him in his face.

Me: Now that's just rude! appearing like that after we do our entrance? Don't you have any respect?

King Shark: I never liked you, Luthor! And now, I can show that!

King Shark grabbed Luthor and threw him through a wall and into another part of the building.

King Shark: For once, someone got the drop on us. But we can still do our entrance!

Me: Yeah!

Suddenly, the spirits of Superman and his family appeared and they attacked Lex Luthor with fury along with sudden blasts of red, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, elemental forces, magic, mythical beasts, phoenixes, and angels from Alexander Avalon. Then, the spirits converged and a massive explosion erupted as a Thunderbird Screech, Dragon Roar, Wolf Howl, Tiger Roar, and Phoenix Cry was heard, and we appeared and he was pissed off even more.

Me: Now that is more like it!

Lex Luthor: YOU!

POW!

Nico, Lincoln, and I punched him in the stomach and mouth.

Nico: Shut up already!

Luthor: (grins evilly) I can't think of a morning- (punches Superman)-

I haven't woken up with the thought of strangling you!

Luthor traps Superman in an energy field.

Luthor: (quickly types in a few coordinates to a satellite) That sanctimonious image of yours fooled everyone. Except me!

(The satellite shoots down a laser which Luthor catches and focuses into an energy ball which he smashes on top of Superman)

Luthor: Because I. Know. EVIL!

Barath Beyond: Wait! He can still access a LexCorp satellite?!

The explosion was seen from space.

But the explosion was not from Lex's Satellite, it was from the El-Star Superlaser Cannon that fired at it!

Lex Luthor: NO!

El-Star: Not today Lex!

I punched Luthor down!

Athena: Remember me Lex!?

Lex Luthor: Who are you?

She unsheathed her sword.

Athena: I am Blue Myth. I left this wound here.

She slashed the suit and destroyed it! There was a nasty scar on his chest!

Athena: I left that scar right here.

Me: WHOA! Nice one.

Athena: It was my rite of passage. That mark will be with you even in death.

Luthor: (to me) You're the most ungrateful of them all, Knudson. I offer you friendship. I offer you a chance to fix your life and the Multiverse. And you spat in my face!

Me: Because I'm not a coward like you Lex!

Molten Man: Friendship? You? (laughs) Don't make me laugh!

Me: I am more of a man than you ever will be! You are nothing but a coward! And you know what else is humiliating? That you were defeated countless times by the hands of my best friend and the very man that you hated.

Luthor: What do you mean?

Nico: Don't you remember Lex? I was helping Superman and we beat you every time.

Luthor: YOU! YOU MADE ME INTO A LAUGHINGSTOCK!

Nico: And I show no remorse for it!

Luthor: Well, I got news for you. That offer just expired along with your life!

Mareep: At least you got the first part right!

Mareep charged at him and blasted him with lightning.

Me: And news flash Luthor! I will never die! At least I'm not Weak like you. You on the other hand, you WILL die! I have a bunch of people here that want to say some things to you.

Grodd and the Legion came.

Grodd: You are a really horrible leader Luthor. I should have never let you be part of the Legion!

Shade: That's right! You only used us as tools!

Volcana: We were nothing more than a means to an end!

Livewire: Yeah and you only wanted to make us suffer!

Luthor: I suppose this is the part where you get me to confess my crimes.

Nico: Last time we listened to you run your mouth, J.D. almost broke the Timeline. No, I think we'll get the evidence from the source.

Luthor: (chuckles) Oh, I think you might have a problem with that.

Nico: (confused) What do you mean?

Me: Because you're not alone! You can come out now Tyonna Puwalski!

Out came a woman with brown hair and red eyes and had a brown jumpsuit!

Georgina: Tyonna!

Tyonna: You ruined me Georgina!

Georgina: You brought all that on yourself you fool!

Luthor then had nanites rebuild his suit on him.

Iron Boy: Great! He has nanites too!

Nico: Doesn't matter. That's not our main concern.

Lincoln: (to Tyonna) If Luthor gets away without us exposing his crimes, that's on your head!

Me: She's going to die anyway no matter what. She escaped Death Row.

Lincoln: Oh. Right.

I fired waves of lightning and electrocuted the nanites and destroyed them.

Me: Ah ah ah. No nanites will help you this time.

I vanished.

Then, as I snuck behind him, I place my head on Lex Luthor's head and used my memory searching power and Lex Luthor's eyes glowed blue. Then, Lincoln made many Heavenly Mirrors appear on the buildings of Metropolis, and then, they fire beams of light that formed into one massive viewing mirror, and it showed the entire world all of Lex Luthor's crimes against Superman and the people of Metropolis and against The Justice League!

EVERYONE COULDN'T BELIEVE IT, THEY WERE HORRIFIED AT LEX LUTHOR'S CRIMES, AND THEIR HORROR TURNED INTO ABSOLUTE RAGE AGAINST LEX LUTHOR: THEY WERE ALL OUT FOR BLOOD!

Metropolis Male Citizen: I CAN'T BELIEVE HIM! Lex Luthor is The Devil of Metropolis! HE'S A MONSTER!

Metropolis Female Citizen: All this time, he was nothing more than a monster who schemed and plotted against Superman and anyone who got in his way and he also committed many crimes against The Justice League and all for power and wealth! HE DESERVES TO GO TO HELL!

OUR PLAN HAS WORKED: LEX LUTHOR'S CRIMES HAVE BEEN EXPOSED NOT ONLY TO ALL OF METROPOLIS, BUT TO THE ENTIRE WORLD, AND THEY ARE ALL OUT FOR BLOOD!

Lex Luthor: You! Do you realize what you have done to me?!

Eli: Lincoln, can you please shut him up!?

Yanma Gast: How about we ALL shut him up? Or maybe you forgot that this slack jawed tanuki invaded Nkosopa?

Me: How can I forget that.

Yanma: ROYAL ARMS!

All: 19 kings united... to form a tale of legend! Ohsama Sentai... King-Ohger! We will rule the universe!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off behind them and they were ready for action!

Lex Luthor: WHAT!?

Vroon: I got a score to settle with him too! (to El-Star) Hit him again!

El-Star: You got it!

El Star fired lasers and blasted Lex all over.

Then the King Ohgers summoned their new ballista!

King Ohgers: VENOMOUS STING ARROW BLAST!

They locked it on target and fired it and it slammed into Luthor and exploded with intense power of nuclear proportions!

The entire building exploded and was reduced to rubble!

Me: Nice one!

Lex Luthor: NO! MY TOWER!

Me: Aww boo hoo! Let me play you a sad song on this.

I rubbed my fingers and a violin tune played.

Nico: What is that?

Me: World's smallest violin. See?

I showed a REALLY TINY violin.

Luthor: You'll die for this. Do you hear me?!

Superman: J.D. won't quit as long as he can still draw a breath. None of us will. Because we're immortal and invincible! Me? I've got a different problem. (Superman smashes Luthor through a wall) I feel like I live in a world made of cardboard - always taking constant care not to break something, to break someone. Never allowing myself to lose control, even for a moment, or someone could die.

Luthor tries to attack, but Superman knocks him back. Superman flies toward his Luthor and grabs him

Superman: But now, it's okay for you to die. What we have here is a rare opportunity for me to cut loose, and show you just how powerful I really am.

He catapults Luthor into orbit with an uppercut. He follows him into space and hammers him with an axe-handle punch, sending him crashing back down to Earth.

KRASMASH!

He was in a crater really mangled up.

Me: Nice one.

I grabbed Lex by his neck.

Me: Lets not forget what else you did that lead to paranoia going into the Justice League! The Justice League encountered a parallel universe where YOU killed their version of the Flash and they ended up killing you! They were the Justice Lords and they lost their Flash because of you!

Tyonna: Um, hello? I'm still in the area? For heroes, you guys are rude!

Georgina: You guys deal with Lex! Me and a group got Tyonna.

Me: Okay!

Cody Burns: I'll deal with her too!

Optimus Prime: Same with me.

Starlight Glimmer: And me too!

Tyonna: I'll enjoy crushing your heads!

Georgina: Not if I crush yours first!

Starlight Glimmer: You have no soul Tyonna.

Tyonna: Because I don't need one.

Her eyes glowed red and then she grew and turned into a black version of Stonebiter! It was ANTI-STONEBITER!

Optimus Prime: Well this is gonna be brutal.

Cody fired laser blasts and blasted her all over.

Optimus Prime blasted her all over the place.

She punched Optimus but her fist was smashed into pebbles.

Optimus Prime: That was stupid.

Nico: Yep.

I fired a beam of light and separated Anti-Stonebiter from Tyonna and we scanned Anti-Stonebiter.

We then banished that monster to the Black Abyss.

Georgina then formed a rock fist.

Tyonna: You will pay for this Georgina!

Georgina: No...

Cody:...you will!

Georgina punched her in her face and knocked her out and Sheila and Tom arrested her.

Me: And then there was one.

I looked at Lex Luthor with pure righteous fury.

Me: You are a monster Lex. You hurt so many innocent people all just to destroy Superman and the Justice League. You put on a mask of a charismatic man. But here you are with everyone now seeing your true colors, a monster! A soulless, heartless, remorseless, pitiless, vile, manipulative and cantankerous monster that enjoys seeing people suffer! You have no ounce of humanity in you! A monster that cares about no one but himself!

Nico: I like your Lego version more then you!

Me: And I like your Universe 666 version better too!

I punched him in his face!

Me: Another thing I forgot to mention is that there are MANY people that have a voice similar to yours. The Legion Ex Machina, Black Dragon, Alexander Paine and Lego Lex Luthor just to name a few.

Nico: Funny how we're mentioning your Lego self a lot here.

Mr. Krabs: And me! But I'd never go the lengths you do!

Me: That's right.

Jamesdean5842: He's right on that. Clancy Brown has voiced lots of characters. Lex Luthor, Black Dragon, Legion Ex Machina, Alexander Paine, Mr. Krabs and Many more. But it was Lex Luthor and Mr. Krabs that made Clancy Brown a popular actor. Lily even met him in person. The Land Version of Mr. Krabs during

SpongeBob's birthday..

Lily: He's right on that! That was awesome.

Nico: Wow! That is amazing!

You're gonna die the most hated man in the world, Lex Luthor, you're finished.

Lex Luthor got into his battle suit, and Lincoln went at him and they clashed with their blades and sparks flew all over the place and fires erupted. Then, Lincoln ripped the chestplate of the suit off and yanked him out and into the ground, and Lincoln absorbed the suit into his body.

Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and Super Brother morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and Nico, Eli, and I morphed the tips of our 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long wolf tails into Cell's stingers and we stabbed them into the chests of Lex Luthor's hired mercenaries, and we sucked out and assimilated their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone, and Lincoln's abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and his enormous white angel wings and 9999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos of light above his Bracers, ankles, and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips of his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed, and our abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and our enormous angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large angel wings underneath our enormous white angel wings spread out and our large gold halos and second smaller halos of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind our heads and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos of light above our Bracers, ankles, and beside our thighs glowed and the rainbow flame patterns and rings on our obliques and sides and the rainbow flame patterns on our forearms, the rainbow tips of our large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on our 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoos on our bare chests glowed.

Superman: It's finally over for you, Lex. Your crimes have been exposed, your men are gone, and we just recently got rid of Doomsday. Now, you are all alone with no one to help you.

Lex Luthor: I am still going to end you! One way or another!

Then, more vampires from Sunnydale charged at us, but we stabbed them in the heart with some stakes and killed them as they turned to dust.

Caleb Maxwell: That's it, now you're done!

Poromon pecked him

POINK POINK POINK POINK POINK!

Poliwag slapped him all over with his tail!

WHAP WHAP WHAP WHAP WHAP WHAP!

Me: (To Lex) And Lex...

I looked him straight in the eyes.

Me: I want you to look at my eyes. Look at them. For they will be a bitter reminder of the very man you tried to destroy. What you see in my eyes is light, Good and fire. I see nothing but darkness and hate inside you. Remember this: You tried to destroy me and Superman. But you will never destroy my friendship and my heart. For it is a powerful force of good that is more powerful than you will ever know!

Horsea: In other words, it's gonna be a miracle for anyone on the team to even try to destroy the timeline!

Maria: That's right!

Me: Yeah!

Lex Luthor: How heroic!

Sapphire Petropia fired waves of diamond shards and slashed Luthor all over.

Diamondhead: Lets take him down!

Sapphire and Diamondhead: DIAMONDS OF DOOM BLAST!

They fired waves of crystal and smashed him all over.

Diamondhead: AW YEAH! Who's bad!?

Sapphire was surprised as her body started trembling. She yelled out in surprise as her body started expanding

Same with Eleanora.

Eleanora Wheeler: NO! We control the power! It doesn't control us!

They concentrated and reigned in the powers of Kilowattrel and Galarian Rapidash and they transformed and blasted him with energy and lightning and blasted him down.

Me: Take that!

?: COOL!

A figure came out and it was Helicos from episode 28 of Wild Force!

With the Nexus messed up due to the interference of the fake Master Org, Mandilok released two powerful Duke Orgs: a tank-themed Org named Artilla and a helicopter-themed Org named Helicos. The General Org was hungry and Artilla and Helios were used as bodyguards in case the Wild Force Rangers interfered with his meal. They first escorted Mandilok to a Colosseum to consume the human food. When the Rangers appeared, the two Duke Orgs came in to protect their master and defeated them with shear power. With the Rangers out of commission for the time being, Mandilok and the two Duke Orgs escaped.

They later returned to the city, where Mandilok orders them to prepare two large buildings for "lunch." Before they could, they were stop by the young boy named Kite. The two Duke Orgs attacked Kite, but the boy kicked Helicos' leg and ran off, causing the two Duke Orgs to give chase. They eventually cornered Kite, and Artilla was about to use his Cannon Shot on him until the Red Ranger came in on his Savage Cycle and took the shot. Later the Yellow, Blue, White and Black Rangers came in their Savage Cycles and blasted the two Duke Orgs, but they were still outmatched and the Orgs defeated them again before escaping.

Artilla and Helicos returned again, but this time the Rangers successfully managed to capture the two Duke Orgs. The Blue and Black Rangers took on Artilla and the Yellow and White Rangers took on Helicos, but even separate, they were still more then a match for the Rangers, and they defeated them again, even with the aid of the Lunar Wolf Ranger. After Mandilok went after Princess Shayla and Kite, Merrick went after him. The Rangers ultimately acquired the upper hand, with Taylor and Alyssa slicing back Helicos' Boomerang Blades with their Golden Eagle Sword and White Tiger Baton which cut off one of Artilla's treads. Cole then tied up Helicos with Artilla's tread, causing him to fall over due to the weight, and Danny holding down Artilla for Max to cut off Artilla's turret using his Blue Shark Fighting Fins, leaving him powerless. Cole then destroyed Helicos with his Falcon Summoner Archer Mode while the other Rangers destroyed Artilla with the Jungle Sword.

Toxica enlarged the two Duke Orgs, and the Rangers tried to summon the Wildzords, but they weren't responding. Because of this, the two Duke Orgs easily overpowered the Rangers before Kite cleared away the clouds, allowing the Rangers to summon their Wildzords and form the Isis Megazord. They used the Giraffe Spear to bring Helicos down to the ground and then deployed the Isis Stare on the two Duke Orgs, freezing them in place, and with the Final Strike attack, the two Duke Orgs are destroyed once and for all.

Cole: Helicos!

Helicos: Been a while rangers!

Me: I remember you Helicos! Mandilok summoned you after Master Org who was really Victor Adler was dethroned and you and Artilla were Mandilok's bodyguards.

Helicos: Good memory there. That's right.

Me: Yep. Hey where is Artillos. He's usually with you.

Helicos: It's just me today because it's my turn.

Me: Ah.

Helicos: Watch my new trick!

He turned into an MH-53 Pave Low helicopter

Me: WHOA! You turned into an MH-53 Pave Low Helicopter! Nice!

Nico: Boy like what a Cybertronian can do.

Optimus Prime: Very genius and cool.

Me: Yeah!

Helicos reverted back.

Helicos: Cool huh?

Me: It sure is.

Nico: LETS GET IT ON!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!?

We got the battles underway!

Mary Jane Watson, Blades (Skylanders), Traci Torpedoes, Ayeka, Sasami, Ryoko, Washu, Twilight Sparkle, Stellar Sparkle, Harmony Sparkle, Starshine Sparkle, Magic Skylanders, Scream and Toxin VS Evil Green Ranger, Mandragora, Evil Nitro Man, Pharaoh, Cyborg Miley Cyrus, Dragoneel, Trek and Emerald (Steven Universe) (Theme including Blades (Skylanders)) - Nico's rescue on Dilgan and we battled Doomsday

---

Evil Green Ranger was first.

Evil Green Ranger (to MJ): Nico's rescue on Dilgan. He battled Doomsday

Mary Jane: He sure did and it was REALLY explosive!

Evil Green Ranger: I think this was around the time before Nico joined you guys wasn't it?

Mary Jane: Yes it was. It was a while before Nico joined us.

Blades (Skylanders): (British Accent) But Nico finally got his shot at Doomsday.

Traci Torpedoes: Doomsday nearly killed Superman when the Justice League was on the island of San Baquero and rescuing all those people.

Evil Green Ranger: I heard that's where you guys fought Pyro the first time.

Traci Torpedoes: Yep.

Twilight Sparkle: San Baquero exploded and sunk into the ocean. That was intense.

Stellar Sparkle: No kidding! J.D. and the Justice League told us all about what went down on San Baquero and it was unbelievable.

Evil Green Ranger: WOW! You guys really blew that island to kingdom come.

Stellar Sparkle: Well actually that entire island exploded due to volcanic activity. But yeah.

Harmony Sparkle: Yeah no kidding! Also during the flight to the planet Dilgan, Cadance told us how she achieved Alicorn status.

Evil Green Ranger: Wasn't she born an Alicorn?

Harmony Sparkle: No she ascended and became one. She was a pegasus and was adopted by an Earth Pony family in a small village and she was the only pegasus in that village and everyone there was absolutely astounded by her heart of gold. She saved the village from an evil unicorn sorceress named Prismia and her love and compassion was so great and too powerful for Prismia's dark magic that it destroyed her power and Cadance helped Prismia redeem herself and even Princess Celestia was astounded too by her love and compassion. It's how Cadance got her cutie mark. Princess Celestia enrolled her in Princess Celestia's school for gifted unicorns and she was to fly with the royal guards. Then came the day when a massive swarm of dragons attacked Canterlot and Cadance convinced the dragon leader Liebe to stop and Princess Celestia was amazed by how she did it with love and compassion. Because of this she ascended into Alicornhood which was REALLY amazing!

Evil Green Ranger: WOW! So that's how Princess Cadance became who she is! That is amazing! She must've been very proud of her back then.

Starshine Sparkle: She was! And we are proud of her too.

Spyro: We sure are.

Evil Green Ranger: That is awesome! Lets do this!

Mary Jane used Evil Green Ranger's ring and they fired waves of energy and magic and blasted them down.

---

Count Spankulot was next.

Count Spankulot: (to Lucy) (Transylvanian Accent) The Anothers were the gene-slammers of Evil HERO Hellfire Malevolence and

Gigaplant. Nico, Toxic Seahorse's team, Thety's Pet's team, and the others did good battling them.

Lucy Heartfilia: We sure did and it was really awesome! We also found out something really intense about Mariah Hellstorm. She is hellbent on one purpose: REVENGE! She is after one person and that is her mother who killed her father all for money and her family's estate which was over $150,000,000,000,000,000,000.00. Her mother has an incredible syndicate in her employ. Now it's personal for her! She vowed to make sure she pays for her crimes even if it means destroying COUNTLESS CRIMINALS That stand in her way! She will stop at nothing to destroy her mother and kill ANY OF HER MEN that get in her way! She is Nico's friend from school and has asked for his help to destroy her mother! Her mother however doesn't know Mariah is alive.

THEY GASPED IN SHOCK!

Lady Quark: Oh man! Wait I know who she is after. Her name is Victoria Hellstorm! She's a golddigger and a terrorist organization leader! She lives on an uncharted island in the middle of the Solomons.

Lucy Heartfilia: Oh man! What is the name of her organization?

Lady Quark: It's called the Herran Sisterhood. They are an all female terrorist group that trying to get their hands on the most dangerous weapons so they can destroy the world so that only women can rule.

Lucy and the group gasped!

Lucy Heartfilia: That's terrible! She's like Margie and many people we killed like that!

Lady Quark: I know! It's horrible! And quite frankly I don't blame Mariah one bit for wanting revenge on her mother like that. She must be stopped.

Count Spankulot: She has been very bad!

Lucy Heartfilia: It's worse than you think count! We have to kill her!

Lady Quark: I agree there.

Lucy Heartfilia: Yeah! Also we met a Kilowattrell gene-slammer from Dark Gale. Her name is Eleanora Wheeler and she is half Kineceleran.

Rugal Bernstein: Half of XLR8's kind! Wow! That is cool! So Helen Wheels is not the only one that is half Kineceleran.

Walkatrout: Nope. But she is really awesome and fast!

X-Squad Bangray: No kidding there.

Sunset Shimmer: Boy many Plumber Kids out there for us to find.

Firestorm Shimmer: There sure are.

Sunset Shimmer (G5): Yeah no kidding there.

Pipsqueak: (British Accent) That is for sure.

Chalcanthite Aurora: (British Accent) No kidding.

Sunburn: We almost have all the original 10 aliens of Ben covered. The Rest will be interesting to see.

Count Spankulot: That will be interesting too! Lets do it!

Lucy Heartfilia used the Ring of Count Spankulot and they fired waves of energy and fire and stars and smashed them down.

---

SkullMeramon was next.

SkullMeramon (to Mizore): I heard Lincoln's rescue was in Nevada. He battled Sapphire Nautilus's insane so-called father

Mizore: He sure did and we all really socked it to that monster for all the crimes he did against his daughter.

Wormquake: He has no right to call himself a father after everything that he did to his daughter and her mother!

Billy Batson: I agree there on that! What a jerk!

Applejack: Yeah he deserves to be sent to the Black Abyss.

Emily Douglas: I agree there on that.

Apple Star: You got that right!

Wolf Moon Bloom: That was awful Sapphire Nautilus went through all that!

Apple Bloom: I agree there on that!

Flashwing: Yeah!

SkullMeramon: I'm glad she got justice! Lets do it!

Mizore used SkullMeramon's ring and they fired waves of blue fire, earth, rock, mud, boulders, meteors, lava, crystal, dust and apples and smashed them down.

Killer Croc: (to Keiko) Today was the next Skylanders adventure. Who went this time?

Keiko: Captain America, Chris Taylor, Starlight Glimmer, Cozy Glow, Krypt King, Short Cut, Funny Bone, Roller Brawl, Skull Man and Dust Man and we went to New Orleans, Louisiana for it. We also battled Velma Dinkley's Akuma.

Killer Croc: WHOA! What was her name?

Keiko: Her name was Princess Jolokia! She is the spiciest princess in the world and she has all kinds of Chili Pepper Powers! She can fire pepper bombs that are as powerful as napalm and nitroglycerin which was intensely powerful.

Killer Croc: WHOA! That is amazing!

Keiko: It is! But she has a big weakness! She can't see anything without glasses. When we met her she couldn't see anything and was firing peppers blind.

Killer Croc: That's right! I forgot that Velma was practically blind without her glasses and couldn't see anything in front of her own face. How was she made?

Pyravian: She was made because of the Ghost of General Juan Carlos taking her and locking her in a dungeon and smashing her glasses and vowed to get revenge on him after finding an eye doctor.

Honoka: Yeah she hit many of us all over and we even ate some of her peppers. Sakura Knudson even said that Velma said so herself that her body tolerates spice less than someone ending a sentence with a preposition.

Rarity: It's true on that darlings.

Erica Tala: But Starlight Glimmer trapped Hood Sickle.

Sapphire Ocean: Yeah that was awesome.

Rarity (G5): It sure was.

Dioptase Angel Belle: No kidding there.

Sweetie Belle: Yeah that was intense though.

Gill Grunt: I agree there.

Killer Croc: WOW! That was intense! Also wasn't the Ghost of General Juan Carlos that guy that stole all that priceless loot in Puerto Rico to get a massive Kings ransom?

Keiko: You mean Captain Eddy? Yep that's him.

Killer Croc: I thought so. Lets do it!

Keiko used Killer Croc's ring and they fired waves of energy, fire, water, ice, jewels and lightning and smashed them down.

---

Black Spider was next.

Black Spider: (to Jenny) J.D. and Carrie White had a blind date. I was expecting for Carrie to fall for someone else.

Jenny: After all the crap that Carrie went through, Carrie deserves to start over fresh. Also Carrie developed feelings for J.D. during the prom on Misty Brightdawn's big day and she deserves to have someone that can be there for her.

Black Spider: That does make sense. They went to a good restaurant?

Jenny: They sure did. They went to an amazing pasta restaurant and it was full of over 10,000 flavors of pasta in over 10,000,000 ways. That was amazing! It was called The Global Pasta Buffet. It was so delicious.

Tyler: It sure was! While there Carrie opened up as to why she was treated the way she was by Chris and her mother. It was awful. Even Rainbow Dash couldn't stop crying. It was really emotional.

Pyris: It sure was.

Rainbow Dash: I was just absolutely heartbroken that she went into details like that. Even Neon, Hymeno, and many of us broke into tears. Including the mascots. Rarity, Fluttershy, Pinkie Pie and Rainbow Dash comforted Carrie as they were crying.

Black Spider: Aw man. Poor Carrie. That is rough. Were you guys up for a chase after that?

Rainbow Dash: No we weren't. Nico said he couldn't think of any good places to hide.

Black Spider: Well there's always next time.

Rainbow Dash: Yeah. Also we met a Galarian Rapidash gene-slammer and she was also Half Petrosapien.

Black Spider: Half of Diamondhead's kind! That is cool!

Pinky: Time to finish this, Brain!

Luthor: (laughs weakly) And what are two tiny mice like you going to do?

Brain: Just this!

They fired a powerful blast of Kryptonite energy and it Lex Luthor Screamed in pain as his body was being poisoned! He was burned all over.

I held him up and tied him to a post.

Me: Watch.

I used powerful and intense psychic energy and Luthor screamed and violently convulsed!

Then...

KRASPLAT!

HIS HEAD EXPLODED!

HE WAS KILLED INSTANTLY AS BLOOD, GUTS AND BRAIN MATTER WAS SPLATTERED ALL OVER THE PLACE!

Lincoln and his harem: After everything that you have done, Lex Luthor, you don't deserve to live any longer, and now, this is where you die once and for all! SUPERMAN FINAL SMASH: SUPER SOLAR BEAM!

Lincoln and his harem fired a massive solar beam at Lex Luthor A.K.A. Baldy McBalddouche which instantly wiped him out and sent his bald ass to The Black Abyss forever.

Rockers: GOOD NIGHT, METROPOLIS!

We cheered as we holstered our weapons and powered down, and we headed to the gym at Lynn's Table.

Superman: We did it, Lex Luthor is finally gone forever.

Nico: We've seen the last of The Justice League's Public Enemy Number 1.

Lincoln: And come tomorrow, it'll be The Joker's turn to get The Black Abyss, and we're gonna make sure he suffers horribly for what he's done. Alright, now there's one last thing to do and one last loose end to tie up: Argus the Unmaker and Sargeras.

We then turn our attention to Argus the Unmaker and Sargeras who tried to get out, but couldn't.

But, then, Lincoln freed Sargeras, only for Lincoln to morph the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and stabbed them into Sargeras' chest, and he began absorbing him and he assimilated Sargeras' Nigh-Invulnerability which was converted and absorbed by Lincoln's True Invulnerability, Godly Strength, Immortality, Intelligence, Telepathy, and Illusion Casting, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips of his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH!

And he also flexed his muscles even more which really aroused his harem even more, and at the same time, Sargeras began growing weaker as all his powers were being sucked out of him one at a time and was pumped into Lincoln.

Sargeras: (Groans in pain) He's sucking me dry and absorbing me, I can't take much more of this!

Then, when Lincoln was done and the stingers changed back, nothing was left of Sargeras, and Lincoln sucked out all of the remaining energy in Sargeras' soul and banished him to The Black Abyss, and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and he flexed his massive muscles as fire and elemental forces burst out of his massive biceps and massive muscles!

This pissed off Argus.

Argus the Unmaker: DAMN YOU, TEAM LOUD PHOENIX STORM! I WILL DESTROY YOU FOR WHAT YOU DID TO SARGERAS!

When all is said and done, what did you even achieve through your heinous actions? You walk the path of a coward creeping your way through the dark, that's a lonely path, and it's one that will follow you into death. Argus the Unmaker, may you suffer for all eternity with not a kindred soul to give you solace, it's time to put an end to this once and for all.

And he also flexed his muscles even more which really aroused his harem even more, and at the same time, Argus the Unmaker began growing weaker as all his powers were being sucked out of him one at a time and was pumped into Lincoln.

Argus the Unmaker: (Groans) He's sucking me dry and absorbing me, I can't take much more of this!

Then, when Lincoln was done and the stingers changed back, nothing was left of Argus the Unmaker, and Lincoln sucked out all of the remaining energy in Argus the Unmaker's soul and banished him to The Black Abyss, and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and he flexed his massive muscles as fire and elemental forces burst out of his massive biceps and massive muscles!

We cheered as we holstered our weapons and powered down and Luna Gutierrez's new body, clothes, weapons, jewelry, Third Eye, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long yellow wolf tails, large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold star ring-shaped frame around it with embedded yellow gems behind the gold halo with four large orbiting gold rings on each corner and four large Amaterasu's Heavenly Mirrors of The Four Holy Beasts with gold star ring-shaped frames around them with embedded yellow gems behind the gold rings behind her head, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large golden yellow planets orbiting around her legs, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 smaller golden yellow planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized golden yellow planets orbiting around her wrists and ankles, and enormous yellow angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large yellow angel wings underneath her enormous yellow angel wings are permanent.

Luna Gutierrez: This where it ends for you, Argus the Unmaker, and this is goodbye and good riddance. Thanks for helping me get rid of him, Lincoln. You too, guys.

Lincoln: (Smiles Warmly) You're welcome, Luna.

Me and Nico: Our pleasure, Luna.

Suddenly, Luna Gutierrez wrapped her arms around Lincoln's waist as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Luna Gutierrez's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Luna Gutierrez sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Lincoln: And that's it for Argus the Unmaker and Sargeras.

Me: You just prevented another threat from arising, that was so awesome. So, Lincoln, who's the next girl we're meeting on your next rescue tomorrow?

Suddenly, we saw the symbol of The Volcanic Laval Masters of Courage and Laval Volcano Handmaiden.

Lincoln: (GASPS) The symbol of The Volcanic Laval Masters of Courage and Laval Volcano Handmaiden.

Adara Vulcania: There's only one person who fits this: Sunniva Vulcania, Avatar and Gene-Slammer of Laval Volcano Handmaiden, and you guys are going to love meeting her, Sunniva Vulcania, Avatar and Gene-Slammer of Laval Lakeside Lady, is Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval Volcano Handmaiden. She's The Volcanic Lava Dancer Master and member of The Volcanic Laval Masters of Courage, a group of courageous girls who are the Avatars and Gene-Slammers of The Laval Duel Monsters and they're born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and their goal is to protect and defend Lincoln from his enemies, and they are the bravest, strongest, and courageous of Lincoln's Guardian Angels. No one was able to defeat them in battle, and if they dared to anger them, they were going to get burned in a pretty nasty way. Sunniva Vulcania came to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval Lakeside Lady, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Pyrokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval Lakeside Lady, and Lincoln was already born with immortality and invincibility, and she also helped him grow and seriously bulk up in muscle mass and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really grow and bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a fire greatsword and he also gave her a phoenix tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lynn and Lola a lot with using lava and fire, and Sunniva Vulcania despises The Joker with a blazing passion because of everything he's done and swore to end him.

Me: Uh oh, we're not the only ones out to end that homicidal clown.

Lincoln: She's been wanting that bastard dead ever since we first fought him years ago. Tomorrow is actually the day we go after him.

Nico: Oh man, which means, we better get ready for tomorrow.

Me: Joker's time in this world is up, he's going to die for everything he's done.

Brain: That's right. Me and Pinky helped kill Lex Luthor. Never forget that!

Evil Green Ranger: We won't.

Count Spankulot: Luthor was very bad!

SkullMeramon: And now he's gone.

Me: Good fucking riddance.

Black Spider: Where should we celebrate?

Superman: I know a good restaurant around here.

Killer Croc: I'm game!

Me: Me too.

Nico: Great job today everyone.

Me: Now we've seen the last of the Justice League's public enemy number 1.

Xenia: You got that right.

Superman: (To the viewers) This was an epic and fun adventure and now Lex Luthor is finally gone.

Camie: He sure is.

Ymir: Good riddance.

We went to the good restaurant they knew and had a good meal.

We returned home, and hours later, night fell on the city, and Lincoln's harem and Guardian Angels were heading to the hot springs in Lincoln's room.

Lily the Mermaid: We finally did it, Lex Luthor is finally gone forever!

Anna Anyanova: He got what he deserved, we destroyed Lex Luthor and banished him to The Black Abyss and got rid of The Justice League's Public Enemy Number One.

?: (Beastly Gruff Manlier Voice) Now, all that's left is The Justice League's Public Enemy Number 2 and Gotham's worst criminal and homicidal lunatic clown: The Joker.

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there in the hot waters of the now expanded hot springs was Lincoln in the hot waters, but they also saw his towel was on the rack along with his orange speedo, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Beastly Gruff Manlier Voice)(Flexes his massive arms and his massive biceps bulged even more with more veins forming)(Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln as they stripped off their clothes leaving them in their two-piece bikinis and they

joined Lincoln and the hot water's minerals really did wonders for them. Then, they went to the massive expanding sauna, and the hot steam really did wonders in opening their pores.

Finally, they got out and the girls were on top of Lincoln as they kissed passionately.

Girl Jordan: (Rubs Lincoln's massive pecs)(Seductive Voice) My God, you're still the same intense kisser from long ago, and getting pumped full of Regina Fessterox's Perfect Gene-Slammer serum and Perfect God serum and Savage Serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility and fertility growth serums and potions has already gotten you ready for another...passionate night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Then, Lincoln wrapped his arms around Lily the Mermaid's waist and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and she had her hand on his towel around his waist about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Beastly Gruff Manlier Voice)(Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

END OF THE JOKER COMEDY

IN HONOR AND MEMORY OF KEVIN CONROY.

And in Honor and Memory of Heath Ledger.

This is for the End of The Joker

I couldn't sleep. It was 11:57 PM and I was reading a book in front of the fire.

Me: (In my head) I feel like something is missing from someone.

I looked around and glanced at Anakin's room door.

Me: Hmm...

I looked at a video clip on the computer and had my headphones on. I saw a video of Darth Vader's path to redemption at Padme's Tomb.

I saw Anakin as Darth Vader seeing the conflicts in him. He was seeing himself as a kid. Then his mother and he said he misses her so much. Then saw Qui-Gon Jinn and Obi Wan helping him too. Including what Anakin was like before he turned into Darth Vader. Then he knelt before Padme's coffin and saw what looked like he was crying.

Me: (In my head) Poor Anakin. He had it worse than anyone I know. Damn that Palpatine. He did all that to him. But maybe it's not too late to help him and return someone important to him.

I made a note for Nico and left for Tatooine.

I was on the planet Tatooine in Mos Espa.

Me: Mos Espa sure has gotten bigger. Much better without Palpatine and without the terror of the Empire.

I walked around and got to Shmi Skywalker's grave.

Me: This is it.

I then snapped my fingers and then there was a bright light and beams of light came down from the sky and the divine singing of angels was heard. A figure came and it was Shmi Skywalker.

She landed.

Shmi Skywalker: You brought me back?

I took of my hood.

Me: Yes I did.

Shmi Skywalker: Who are you?

Me: I'm J.D. Knudson, 2nd in Command of Team Loud Phoenix Storm and Jedi of the Planet Earth.

Shmi Skywalker It's a pleasure to meet you. What happened?

Me: So much has changed over the years. I brought you back so I can help Anakin heal. He went through hell because of Palpatine.

Shmi Skywalker: Oh Anakin. I saw everything he did from Heaven. Palpatine made him into a monster. And you saved him from himself.

Me: Yes I did and it took the battle on Mustafar to help him realize the truth. And we killed Palpatine. Palpatine was no match for all of us together. The war is over. The galaxy is now at peace. Anakin is now married to Padme Amidala and have 2 kids. Luke and Leia.

Shmi Skywalker: I'm so happy for him and Padme.

Me: We are too. But he is missing you more than anything.

Shmi Skywalker: Oh Anni. I will leave with you for Earth. He needs me.

I went and helped her pack her stuff still there.

We teleported back.

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, but then, he felt six massive and incredible energy signals in his room. Lincoln woke up.

Lincoln: Whoa! What did I just sense?!

Fabian Firaira: (Through The Thunderbird and animals and Third Eye on Lincoln's forehead) It's our daughters, looks like they decided to make their appearance.

Lincoln: And in my bedroom, oh man...!

?: Well, we've caught you reading comics in your underwear back when you were eleven, and when you got older, we didn't forget about the times you've had sex with us before and you were truly an incredible beast when it came to intense sex.

Suddenly, Lincoln scanned the room, and he spotted them: six beautiful girls who were tall at 250'11" in height, they had the bodies of goddesses and large breasts, blue eyes, and they have long hair matching the colors of fire, wind, water, earth and nature, light, and darkness, and they also have on two-piece colored bikinis matching the colors of fire, wind, water, earth and nature, light, and darkness.

Lincoln: (GASPS) Fiona Firaira, Queen of The Firairans of Planet Firaira, Allie Aeroaira, Queen of The Aeroairans of Planet Aeroaira, Helen Hydroaira, Queen of The Hydroairans of Planet Hydroaira, Gina Gaiaira, Queen of The Gaiairans of Planet Gaiara, Lucy Luxaira, Queen of The Luxairans of Planet Luxaira, and Selene Shadowaira, Queen of The Shadowairans of Planet Shadowaira.

Fiona Firaira: Seems like we were way too late, you'd already underwent the rite when you went to Almightairaira and met Alana's father along with our fathers and absorbed them and their people, the planets and their cores, and their Suns into your body.

Allie Aeroaira: But, we're glad you already did so.

Helen Hydroaira: And you also met with Alan Almightairaira, Alana's dad. (Sees Alana Almightairaira sleeping and she's nude) And you've been pretty busy with having sex with her and your harem and giving birth to tons of kids, you hulking, virile wolfman stud.

Lincoln had a massive blush on his cheeks, as they giggled. But, then, they got into bed with him and were aware that he was stark butt naked.

Gina Gaiaira: Well, in any case, it's so good to see you yet again, Lincoln. We knew you'd grown a lot, but wow. You're even taller than our fathers. (Rubs Lincoln's massive pecs and twelve-pack abs) And you've been busy getting even more buff with even more muscle mass and you're even more ripped than ever.

Lucy Luxaira: Growing from a cute little 11-year-old into a 950'11" extremely tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive bulging and powerful upper and lower body muscles and twelve-pack abs with enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails.

Selene Shadowaira: You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Fiona Firaira: (Felt Lincoln's crotch) Uh oh, and someone's clearly aroused seeing us again. I think our man needs help with some...pent-up ferocity. (Smirks) Ready to go wild once again, Linky?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Lincoln: (Seductive Beastly Gruff Manlier Voice)(Smirks) And who am I to deny a lady's request? But, first.

Suddenly, Lincoln pinned Fiona Firaira, Allie Aeroaira, Helen Hydroaira, Gina Gaiaira, Lucy Luxaira, and Selene Shadowaira to the bed with him on top of them and he kissed all six of them passionately on the lips, and then, Lincoln slowly sank his fangs into their right trapeziuses and he began feeding on Fiona Firaira, Allie Aeroaira, Helen Hydroaira, Gina Gaiaira, Lucy Luxaira, and Selene Shadowaira, and Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and

the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched our fangs from their right trapeziuses as they healed and the puncture marks sealed up, and he also kissed where he bit them, and then, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Fiona Firaira, Allie Aeroaira, Helen Hydroaira, Gina Gaiaira, Lucy Luxaira, and Selene Shadowaira with colored gems on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklace of Shangdi along with six white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks and six rainbow Thunderbird wedding rings on their left pinkies.

But, then, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and

rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Fiona Firaira: (Seductive Voice) Go ahead, Linky, make us all yours...!

Lincoln: (Seductive Beastly Gruff Manlier Voice) With pleasure...!

Lincoln, Fiona Firaira, Allie Aeroaira, Helen Hydroaira, Gina Gaiaira, Lucy Luxaira, and Selene Shadowaira, and the rest of his harem who just woke up had another intense and passionate lovemaking session, and they went back to sleep a few hours later. Then, as morning came, Lincoln, his harem, and his kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night, Lincoln, all of us did.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) I knew you'd be the first to react, J.D., let me explain.

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Uh oh, so you met your six Guardian Angels from the six planets that were with Almightairaira.

Me: And in your bedroom.

Lincoln had an embarrassed blush on his cheeks and muzzle. Then, Fiona Firaira, Allie Aeroaira, Helen Hydroaira, Gina Gaiaira, Lucy Luxaira, and Selene Shadowaira came in and they sat with Lincoln and they took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

Shanan: So, they're the ones whom you caught in your room last night.

He went and got dressed went to the table.

We gave him a good breakfast.

Me: Anakin, you need this more than ever. I went to Tatooine last night and did this. You can come in now!

In came Shmi.

Anakin: (GASP) Mom?

Shmi: Hello Anni. It's me.

Eli: This is no trick Anakin. She is back.

Anakin went and hugged her for the first time in years.

Venipede: Hi, Anakin's mommy!

Shmi: Hello Venipede..

Me: I resurrected her. We have so much to tell you.

We did so and it was shocking.

Shmi: Palpatine did all this? And even got to Anakin?

Me: Yes.

Ahsoka Tano: Palpatine killed countless lives.

Nico: Yeah.

Shmi: Oh no. I can't believe he did all that.

Lola: Yeah but he is gone forever.

Camie: That's or sure.

Shmi: You all saved everyone.

Anakin: We have a lot of catching up to do.

Xenia: You sure do.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the rainbow eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his large gold halo and smaller halo with intricate designs made of light and The Sun and The Moon in it in the center and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Lazlo Valentin A.K.A. Professor Pyg, he's back from the dead and he's on the planet of Bloodmoonaira.

Me: You got to be fucking kidding! Professor Pyg's back?!

Lincoln: Which proves it: Batman's big day is today, and the person we're going after...!

Buster Bunny: Is none other than The Joker!

Lincoln: And he's on the planet of Bloodmoonaira!

THE GOTHS OF DARKNESS, ESPECIALLY BRITTNEY, GASPED!

Brittney: Bloodmoonaira?! That planet is a planet of eternal darkness only lit by the blood moon, and inhabited by The Bloodmoonairans and werewolves that live there! No one dared to go there as well because like in the case of Werewolfaira and Vampiraira, if you get bit by a Bloodmoonairan or worse, a Bloodmoonairan Werewolf, you'll remain one forever!

WE GASPED IN HORROR!

Nico: (GULPS) That's pretty horrible! But, we got to go there to kill Professor Pyg! That is if none of the Bloodmoonairans and Bloodmoonairan Werewolves kill him first.

Lincoln: Don't worry, they won't do so, and I know them all too well. Alright, now let's finish breakfast and head to Bloodmoonaira to kill Professor Pyg.

Nico: Got it.

We finished breakfast, and we headed to Bloodmoonaira to help Carrie White unlock her Rainbow Power and kill Professor Pyg and send him to The Black Abyss

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 14250.1: The U.S.S. Valorous Phoenix is en route to the forbidden planet of Bloodmoonaira and we're heading there to take down Lazlo Valentin A.K.A. Professor Pyg and send that insane wacko to the Black Abyss forever.

Qin: This is gonna be a fun one.

Lola: It sure is.

Xenia: I hope we make him suffer for all the pain he caused to so many people.

Electrocutioner: Our old friend Lazlo has always been a really nasty piece of work to deal with and we had to kick him out of the Legion because of his insane and wacko ideas.

Me: He is REALLY fucked up in the head.

Lola: Yeah.

Overdrive Ostrich: I'm ready for this.

Nico: Overdrive Ostrich, I want to thank you, Moon Ming, and your teams for coming,

Overdrive Ostrich: No problem Nico. I'm ready for some fun and action.

Qin: Me too.

Black Panther: I'm glad this will be fun for us.

Nico: T'Challa, how are things in Wakanda?

Black Panther: Doing great Nico. We formed a bunch of trade and merchant routes with America and Japan and many countries. Our country is prospering great.

Nico: I'm glad about that.

Me: We are happy for you T'Challa.

Ymir: Same here.

Camie: I agree there.

Qin: Yeah.

Poromon: That's where Vibranium comes from, right?

Black Panther: It sure is.

Qin: Wow!

Me: Yep and it's very abundant there too.

Camie: It sure is.

Anakin: I remember that.

Shmi: That is amazing.

Qin: It sure is and Anakin are you happy for having your mother back?

Anakin: I sure am. J.D. put me on the first step to healing.

Me: Aw it was nothing.

Nico: Damn that Palpatine.

Nico: That had nothing to do with Palpatine.

Me: Maybe not but Palpatine did add fuel to the fire with those terrible nightmares and all that.

Nico: Good point. So Palpatine in a way was indirectly involved.

Me: Yes.

Qin: Yeah.

Anakin: I have a lot of catching up to do though.

Me: I know.

Ahsoka Tano: We're just glad you're back though Shmi.

Shmi: I am too Ahsoka. Now I can be there for Anni and my grandkids too.

Me: Awesome.

Superman: That is for sure. Also guys thank you for helping me destroy Luthor.

Nico: No problem Kal. Now the world knows who Luthor really is.

Me: You've should have seen what's been going on worldwide. All of Luthor's towers and buildings were demolished and torn down and all his money was taken and his empire was destroyed.

Nico: Wow! Luthor had a big hold on the world. But Karma really tore him down. Well done J.D. Your plan worked perfectly.

Me: It sure did.

Poromon: Someone has to take control of Lexcorp though

Nico: I will do that.

Me: You think you can do it Nico?

Nico: I know I can. Besides my dad wants me to run a business too.

Me: I know you can do it better than Lex can.

Nico: And from now on I'll have LexCorp turned into NicoPhoenix Industries.

Me: I like that.

Flash: And now, my death by Luthor's hands won't happen

Me: Nor will he run for president. Lex Luthor in a matter of minutes became the most hated man ever next to anyone we hate. Emphesis on the word EVER!

Nico: Yep!

Qin: Good riddance.

Me: I got a call earlier from Ms. Waller too before Bruce woke up. She said congratulations to killing Luthor.

Nico: I'm glad she is rid of him too.

Me: Especially for all that shit he pulled with Project Cadmus.

Nico: That is for sure. Now the world is a much better place without him.

Vypra: No kidding.

Horsea: Now all of Clark's major enemies have been wiped out

Superman: But it's Lex Luthor that caused me the most trouble.

Me: That is true. And it was awesome seeing the Daily Planet. We saw many amazing stories too.

Nico: And you guys found out an amazing secret about me too. Where I helped Superman long before I joined the team.

Me: You did really well too Nico.

Qin: That was so cool.

Lola: It sure was.

Vypra: That is amazing Nico! We didn't know all about that.

Nico: There are still many things you haven't seen about me yet.

Xenia. Yep. Also Superman's Good Akuma was a REALLY awesome Death Star Station!

Me: No kidding! That was cool!

Lola: I agree there. It was amazing.

Nico: Brain worked on the weapon he used there

Me: He sure did. That was awesome.

Pinky: EGAD Brain you were amazing today! NARF!

Me: He sure was Pinky.

Qin: Yep.

Brain: That was a fun adventure. Now we must prepare for tomorrow night.

Pinky: Want are we going to do tomorrow night?

Brain: Same thing we do every night Pinky. TRY TO TAKE OVER THE WORLD!

Chorus: (SINGING) THEY'RE DINKY! THEY'RE PINKY AND THE BRAIN BRAIN BRAIN BRAIN BRAIN BRAIN BRAIN BRAIN...

Pinky: NARF!

Qin: Never gets old with that.

Brain: Sorry old Force of Habit. Or at least, that's what we used to do. But right now, I'm content with the kill we achieved

Me: That is true. Still is funny though.

Qin: Yep.

Camie: It sure is.

Lola: Yeah.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw the planet and it was a scary planet.

Me: So that's Bloodmoonaira.

Nico: Yep.

We arrived on Bloodmoonaira, and it was everything Lincoln said and his rainbow energy aura exploded as he grew stronger, same with all of us.

Me: Whoa! So, this is Bloodmoonaira, this place sure is scary!

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) I've heard of the stories of Bloodmoonaira, and like many other planets that hadn't been invaded by The Infernairans, it's a place full of life.

Lincoln: And guarded by the warrior angels, The Bloodmoonairans.

It was really scary and more.

Me: Wow look at the blood red full moon in the sky.

Nico: Creepy.

Qin: Yeah.

Horsea shivered in fear.

Horsea: Scary!

Maria: It sure is.

Me: Yep. I think we know why we're here.

Lincoln: Yep. To destroy Professor Pyg and help Carrie unlock her Rainbow Power.

Me: Yep.

?: (Strong Beastly Manly Voice) (Divine Heavenly Godly Voice) You have arrived, Lincoln Loud.

Suddenly, Lincoln saw a strong-looking wolfman who was really tall at 950'11" with abnormally massive and powerful upper and lower body muscles covered in warm tan brown fur and twelve-pack abs, brown tail, and muzzle covered in tan fur, he was shirtless with a blood red sun and moon on his chest, he has long blood red hair going down to his shoulders, blood red eyes with slit pupils, massive blood red angel wings, he has on a blood red loincloth, and black sandals, and this was someone Lincoln recognizes all too well.

Lincoln: (GASPS) Brendan Bloodmoonaira, King of The Bloodmoonairans of Planet Bloodmoonairaira.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln, you know him?!

Lincoln: I do, he's the father of my Guardian Angel, Brenda Bloodmoonaira, and I've also been here to Bloodmoonaira eight years ago.

Then, all of the other septillions of male Bloodmoonairans came to Lincoln.

Brendan Bloodmoonaira: (Strong Beastly Manly Voice) That's correct, you came here eight years ago when my daughter wanted to introduce me to you. (Smiles) You've grown that much stronger and taller, you're just as tall as me, and you're also even more muscular than all of us males, and it's no wonder my daughter couldn't even keep her hands off you as you grew into the man they and the others had helped you become.

Lincoln had an embarrassed blush on his cheeks and muzzle as Brendan Bloodmoonaira chuckled.

?: Oh man, Linky, you're here!

Suddenly, we saw a beautiful girl who was tall at 250'11" in height, she as the body of a goddess and large breasts, fair skin, long blood red hair, blood red eyes, she was dressed in a blood red two-piece bikini, she has massive blood red angel wings, and she has a darkness greatsword in her right hand.

Lincoln: (GASPS) Brenda Bloodmoonaira, Queen of The Bloodmoonairans of Bloodmoonaira.

Me: You know her, Lincoln?

Lincoln: Indeed I do, J.D.

Anna Anyanova: And so do we, this is Brenda Bloodmoonaira, Queen of The Bloodmoonairans of Planet Bloodmoonaira, she's Lincoln's Guardian Angel from the planet of Bloodmoonaira, she's the Queen of The Bloodmoonairans of Bloodmoonaira, a planet of eternal darkness only lit by the blood moon, and she's also far more powerful than her own people: in addition to being a natural born fighter and having immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, The Dark Arts, Dark Magic, Black Magic, Satanic Magic, and the immense omnipotent powers of The Blood Moon times infinity, and the ability to grow even stronger, but she was also born with angel wings, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, The Dark Arts, Dark Magic, Black Magic, Satanic Magic, and the immense omnipotent powers of The Blood Moon times infinity, and just like with Almightairaira, her people also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to Bloodmoonaira where he would meet The Bloodmoonairans and when he'd arrived, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the male Bloodmoonairans into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, The Dark Arts, Dark Magic, Black Magic, Satanic Magic, and the immense omnipotent powers of The Blood Moon times infinity, and the ability to grow even stronger, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb Bloodmoonaira and its core into his body and Bloodmoonaira's Sun into his body to preserve their legacy. Brenda Bloodmoonaira came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the immense powers of immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, The Dark Arts, Dark Magic, Black Magic, Satanic Magic, and the immense omnipotent powers of The Blood Moon times infinity, and the ability to grow even stronger, and all the powers of her people, and over time, Lincoln gained even more immense superhuman strength, immense regeneration, immense superhuman durability, immense superhuman senses, immense superhuman speed, and immense superhuman endurance, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, and the immense omnipotent powers of The Blood Moon times infinity, and the ability to grow even stronger, and all the powers of The Bloodmoonairans times infinity, and he was already born with immortality and invincibility and his powers also grew infinite-times stronger, and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility and male fertility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln had undergone the rite of The Reincarnation of Amaterasu absorbing the septillions of trillions of male Bloodmoonairans gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, The Dark Arts, Dark Magic, Black Magic, Satanic Magic, and the immense omnipotent powers of The Blood Moon times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, Lincoln absorbing Bloodmoonaira and its core and Bloodmoonaira's Blood Sun and Blood Moon into his body to preserve their legacy. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's female enemies with a blazing passion, and she swore to have them banished to a forest lit only by The Blood Moon and forced and cursed to be bred and raped by the werewolves of Bloodmoonaira and forced to bear their children for eternity.

Lincoln: And there's something I need to tell you.

Brendan Bloodmoonaira: I know. You had the vision, it's time.

Lincoln: Yes, it is.

Suddenly, Brendan Bloodmoonaira chanted an ancient incantation and a magic circle appeared below Lincoln's feet and it glowed with incredible power.

Brendan Bloodmoonaira: Do not worry, we will always be with you, Lincoln, now and forever. Our legacy will be preserved within you.

Suddenly, Brendan Bloodmoonaira and the other septillions of male Bloodmoonairans embraced Lincoln, and one by one, they began entering his body and they merged with him as he absorbed them: mind, body, and soul, and that led to Lincoln suddenly gaining an infinitely astronomical massive power boost and he gained their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, The Dark Arts, Dark Magic, Black Magic, Satanic Magic, and the immense omnipotent powers of The Blood Moon times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo with intricate designs and The Sun and Moon made of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs and The Sun and The Moon made of light hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! This feels incredible. RRGH!

When it was all done, Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces, animals, and mythological beasts and rainbow protective aura and holy white aura was raging like a really massive wildfire and he has a blood red aura with shadows and blood moons surrounding him as he pounded his chest like a gorilla.

Lincoln: Whoa...! This feels so incredible!

Suddenly, Lincoln flexes his massive muscles as his massive biceps bulged even more with veins forming and the image of tank turrets firing formed and volcanoes erupting on his massive biceps and the image of cannons firing and volcanoes erupting formed on his massive pecs.

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln: (GROWLS) RRGH! Ooh yeah, this is so awesome!

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Brendan Bloodmoonaira: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Letting the beast out, all the males of the Forbidden Zone planets including us do tend to do that on many occasions to show our virile dominance which made the many females swoon over us.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln's grown that much bolder and confident thanks to his Guardian Angels.

Nico: That's for certain, and the girls in his harem wind up getting driven wild and wind up getting aroused even more from every

single act of manliness Lincoln displays.

Me: And all that's left is for him to absorb your planet and its core along with its Sun into his body, and wait, you also included immense virility and fertility as well? That means...!

Brenda Bloodmoonaira: We knew Lincoln's quite the virile stud since he was born with hyperpuberty, and the genes of his parents and his own extremely high virility, fertility, testosterone, extreme levels of libido, and excessive sex drive, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes and constant years of training, he gained the powerful and massive body that all bodybuilders could only dream of: the body of all the male Gods and the ancient male warriors of ancient times and bodybuilders of history combined, and that along with his personality, gentleman nature, and noble heart, he'd attracted tons of girls, and every lovemaking session he has with his harem, his future wives winds up getting impregnated by him in less than a second, and it doesn't take long for the effects of pregnancy to kick in, which are much faster than ever.

Rita: We had no idea about it before. But, during Lincoln's check-ups with Dr. Feinstein, he did show us all of what you just told us.

Nico: Wow...!

Brenda Bloodmoonaira: I know that shocked you all especially Regina's journal about Lincoln's health reports, but everything I told you is all true, and it's good to see you again, Lincoln, but wow, you've really grown a lot in height and muscle mass since last I saw you.

Suddenly, Lincoln pinned Brenda Bloodmoonaira to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Brenda Bloodmoonaira with blood red gems on the gold lightning bolts and blood red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up and he kept her close to his body as she took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

Eli: Those two, I don't understand why they have to be violent.

Ren heard a Pokemon cry.

Ren: Look guys!

We saw a Diggersby!

Me: Cool a Diggersby!

Xenia: Cute!

Diggersby: This place is scary.

Ren: I know. Here.

He gave it carrots.

Diggersby: Ooh carrots.

He ate them.

Diggersby: Thank you.

Ren: You're welcome.

Me: Are there any pokemon that like carrots too besides apples?

Nico: Not... sure.

Ren: Want to come with me?

Diggersby: I would be honored.

Poromon: YAY!

Ren: Looks Jacques Schnee's time is coming up

Me: Yep.

Weiss: Soon he will die. After getting that trial in front of everyone.

NIco: Good idea.

Poromon: It was worth the wait

Me: Yep.

Lola: Hey look guys!

We saw a Froakie in Lola's arms.

Me: Hey a Froakie.

Nico: What a cute little guy.

Qin: Yep.

Nico: Where did it come from?

Me: Must be one of Dark Gale's work.

Sheena: Her name is Giselle Rogers. She is also half Galvin.

WE GASPED!

Albedo: I heard about a human Galvin among us and she was really gifted and smart in many things.

Me: She must be really smart like many of the Galvin before you.

Albedo: It's true and she really is gifted.

Me: Wow! I see.

Grey Matter: Lets go help her then.

Me: Okay.

We went over and I held her in my hands.

Me: It's okay Giselle. You're among friends.

She tried to kiss Nico.

Nico: Whoa! I'm not a prince!

Me: And I don't think she's a princess.

Grey Matter: That would be silly though.

Me: Yeah.

I snapped my fingers and she reverted back. She had green hair and green eyes and had green angel wings and had Froakie on her forehead and had the Omnitrix Symbol and Grey Matter on her arm.

We wrapped her in a blanket and brought her over.

She woke up.

Giselle Rogers: (Groans) What happened? I feel like I was hit by a Canderian Zap-Wing.

Jim Hawkins: That would have been scary.

Me: You were turned into a Froakie by Dark Gale.

Giselle Rogers: Oh man. I was working on a new project for Master Azmuth and we are working on a Quantum Destroyer ray to destroy the Annihilarrgh.

Qin: The What?

Shanan: Oh man! The Annihilarrgh is a powerful device that will destroy the entire universe if it is activated.

Ben: I remember destroying that thing! I used Alien X's power to do that.

Me: Wow!

She saw Albedo and glared at him.

Giselle Rogers: I know that's you Albedo. I would say it's nice to see you again but I won't.

Albedo: You have every right to be angry at me Giselle. Especially for all the trouble I put Azmuth through.

Giselle Rogers: I even heard about how you betrayed Team Buktu and it lead to them being destroyed the first time and for that you have my forgiveness for that.

Albedo: I also helped destroy them the second time this year

Giselle Rogers: I heard all about that. And I'm proud of that. But I'm not sure if the Galvan, our people are willing to be so forgiving of you.

Albedo: I know.

Me: He's working to earn forgiveness and he's on the road to redemption.

Anakin: After we destroyed Team Buktu I told him that Forgiveness is not something he earns, it's something you accept and you start by forgiving yourself.

Me: Yep.

Giselle Rogers: I'm glad he is trying to prove how much he changed.

Me: Yeah. We heard you are very gifted in a lot of things Giselle.

Giselle Rogers: You would be amazed at what I have learned at a young age. I was born with an IQ of 10,000. I graduated all of my top schools at a really young age. I graduated Grade School, Middle School, High School and College all at the age of 3 Which makes me the youngest ever to graduate school.

Lisa Loud: WOW! That is an absolutely amazing and impressive achievement.

Giselle Rogers: It sure is. And I won the Nobel Prize for Physics for decoding the Boolean Pythagorean triples problem. Which asks if you can color all positive integers with two colors (e.g., red and blue) in a way that no Pythagorean triple (a, b, c where $a^2 + b^2 = c^2$) has all its numbers colored the same color.

Many of our heads sparked and then...

KRASPLAT!

NICO'S HEAD EXPLODED!

Me: Um OW!

Giselle Rogers: You okay?

Me: Yeah. Sometimes we have hard times figuring out all that complex information in Pythagorean Theorum. Sometimes it makes our heads explode.

Qin: Yeah. Other times we just get red crash screens in our eyes and our brains spark and short out.

Nico's head regrew back.

Nico: WHOA! That is complex!

Me: No kidding.

Lisa Loud: I must admit though that I am very impressed with how far you've come in all that.

Giselle Rogers: I can tell.

Nico: Same here.

Giselle Rogers: I take it I tried to attack one of you?

Poliwag:...I wouldn't say that

Me: You tried to duplicate something out of the Frog Prince.

Giselle Rogers: And I tried to kiss Nico to get me to change back?

Me: That's pretty much the whole thing in a nutshell.

Nico: Yep.

Giselle Rogers: Also I know all about the Navier-Stokes equations that describe the flow of fluids, from simple flows like water running from a faucet to complex turbulent patterns like those seen in hurricanes.

Me: Wow! That is massively complex.

Nico: No kidding.

Qin: Yeah.

Manaphy: Better than Mama being attacked.

Nico: True.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new green clothes and a powerful sword.

Giselle Rogers: I look amazing.

Me: You sure do.

Qin: Yep.

Me: Now we have a job to do. And if I know Professor Pyg, he has a love for Opera Music.

Lincoln: (Sensed for Professor Pyg) AHA! Gotcha, I just spotted Lazlo Valentin, he's 20 yards away, and he's been surrounded by Bloodmoonairan Werewolves!

Professor Pyg, a whacko serial killer who murdered innocent people for his sick dream of achieving perfection.

Lincoln flew right at Professor Pyg and grabbed him by the throat with his right hand and threw him into a massive rock with really immense godly superhuman strength and the rock shattered into many pieces.

Then, we landed as Professor Pyg got out of the rubble.

Me: Lazlo Valentin A.K.A. Professor Pyg!

Professor Pyg: Pyg make people better than ever!

Me: You are really fucked up in the head!

Electrocutioner: Why do you think we kicked him out of the Legion? This guy makes Jeffery Dahmer look like a joke!

Professor Pyg: So, you've all come again. Just in time for Pyg to make your flesh pretty after death!

Let my song bring forth the judgement of The Heavens and send this abomination to his eternal resting place!)

I sang a heavenly song and let out a howl as immense light shined down from the sky, The Sun, and from the Heavens and flames rose from the ground and they formed into red wolves with glowing orange and golden yellow markings on their paws that look like flames and they ran at Doomsday and attacked him with fierce fury.

Then, I held out my left hand and fired 999 massive balls of fire at Professor Pyg, and they collided and exploded as they hit him, and I also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more along with the immense divine powers of The Gods and Goddesses of The Ancient World.

Finally, I formed a massive blue fireball in my left hand and I threw it down, and then, it sunk into the ground unleashing a storm of lightning bolts and raging fire, and...!

KRABOOM!

IT EXPLODED IN A MASSIVE FIERY EXPLOSION OF BLUE FIRE AS IT ROSE UP INTO THE AIR AND THE EXPLOSION ALSO HIT PROFESSOR PYG AND PILLARS OF BLUE FIRE ROSE FROM THE GROUND AND HIT HIM AND HE GOT BURNED!

When we are all different

But one and the same

Like starlight and moonshine

We all have our place

We can't make a rainbow without all the colors

And we can't make a friendship without one another

'Cause there is nopony quite like you

So let your magic run wild

Let your magic run wild

If you could only see everything you could be

You would spend your whole life shinin'

Let your magic run wild

Let your magic run wild

(Now it's the time to light up the sky)

Let your magic run wild

(Now it's the time)

Look at the night sky, filled up with stars

Each one is perfect, just as they are

But they're brighter together, each leaving their mark

So beautifully different, all lighting the dark

'Cause nopony sparkles quite like you, ooh

So let your magic run wild (now it's the time to light up the sky)

Let your magic run wild (now it's the time)

If you could only see everything you could be

You would spend your whole life shinin'

So let your magic run wild

Inside a rainbow sphere with intense flames and elemental forces, Carrie White-Loud-Knudson underwent an intense and amazing transformation! The Three Sisters and Samus had Rainbow Flame patterns and rings appear on her sides and obliques and rainbow sun and moon on her shirt and she also gained intense rainbow flame patterns and rainbow suns on her forearms, she also got rainbow lines on her hair. She then had her Cutie Mark change into many rainbow suns, and her massive angel wings had intense rainbow fire on them.

CARRIE WHITE-LOUD-KNUDSON UNLOCKED HER RAINBOW POWER! THE RAINBOW SUN AND LIGHT OF REDEMPTION!

And we heard the banshee shrieks of the Chris Hargensen clone and Margaret White from far away along with screams of neverending agony.

Lincoln explained that he made some improvements and that now these curses will feed on their neverending hatred of Carrie and us and the curses will make their suffering even worse than ever!

Maria: (LAUGHING) Now, that's what I call karma biting them in their asses!

Carrie White-Loud-Knudson: This is more than they deserve for what they've done.

Then, Lincoln, Nico, and I charged out and we smashed our rainbow energy infused left fists into the stomach of Professor Pyg and a cluster of rainbow, white and blue heavenly flames exploded out behind his back, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 950'11" massive, wide, double-edged gold blade of his massive greatsword, I formed a very massive glowing rainbow energy blade surrounding the 620'11" massive, wide, double-edged gold blade of my massive greatsword, and Nico formed a very massive glowing rainbow energy blade surrounding the 620'11" massive, wide, double-edged gold blade of his massive greatsword.

Lincoln, Nico, and I attacked him with two powerful energy slashes, and then...!

Lincoln, Nico, and I: NOW, GO TO HELL, PROFESSOR PYG!

Lincoln, Nico, and I did one final powerful energy slash that hit Professor Pyg hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Professor Pyg was on his last legs and he was really really mangled.

Then, Lincoln formed a massive ball of darkness and dark fire in his left hand and fired it at Professor Pyg and he got hit by the ball of darkness and dark fire and he was obliterated in less than a second and he was sent to The Black Abyss. We cheered wildly as we holstered our weapons and powered down.

Nico: That should do it, now we're finally rid of Professor Pyg forever, and we also met your Guardian Angels, Lincoln.

Lincoln: You sure did. Now, there's one last thing to do.

Then, Lincoln flew into the core of Bloodmoonaira, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core and the planet itself into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting Amaterasu's Heavenly Mirrors of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips of his large brown wolf ears, and the rainbow tips and rainbow flame patterns and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura and holy white aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space.

Then, he flew into Bloodmoonaira's massive Blood Sun and Blood Moon and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, second smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips of his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla and he was sweating even more.

Lincoln: Now, that was so incredible! (Flexes his massive arms and his massive biceps bulged even more with veins forming) (GROWLS) RRGH!

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Suddenly, Lincoln pounced on his harem and he was on top of them.

Lily the Mermaid: Whoa...! (Thinking) Now, he's really REALLY

AROUSED!

Then, he kissed all of them passionately on the lips as they engaged in a hot make-out session, and when they were done making out, the girls had massive atomic red blushes on their faces, hearts in their eyes, and their noses were gushing out blood like fountains!

Girl Jordan: And that much more passionate and even more hotter than ever.

We laughed!

Luna: I can't even keep count of the many times that's happened to Lincoln! He also came home with his nose gushing out blood like a fountain along with getting covered in kisses and his tails wagging.

Nico: That's happened before? That must've been some intense make-out sessions Lincoln's had.

May: Just like ours, and it always ends with him engaging in one intense session of lovemaking and sex!

WHOOSH! CLANG!

Lynn almost whacked her in the head with a baseball bat.

Lynn: I thought I warned you not to say that!

May: YIPE!

Nico: Maybe you shouldn't say that out loud especially in front of Lynn who's the most physically aggressive of Lincoln's sisters.

Lincoln: Lynn, put the bat down, otherwise, you're gonna have problems with Caleb again.

Lynn did so.

Lincoln: (Sensed Joker's goons) Nice try, clowns!

Lincoln fired energy blasts at the bushes and exposed Joker's goons who got killed by Lincoln.

Me: Joker's goons, why were they?

Lincoln: If I had to guess, they were gonna try and kidnap our harems and put detonators in them to trigger a bomb to destroy not only Gotham Royal York and Gotham City all at once, but all the cities in the world!

WE GASPED!

Nico: That homicidal clown! He is so dead when we get after him in Gotham.

Lincoln: We will, but this isn't just Joker we're dealing with, the next Anti-Underground Girl will be with him, and she might be the one responsible for suggesting that plan to Joker.

Nico: (sighs in relief) There. No more of his singing

Lisa: And I will also be keeping his opera music for myself.

Ultra Humanite: A good decision there. I always did like his taste in opera.

Me: I know you do Gerard.

Lisa Loud: And I do too.

Me: Yep.

Diggersby: That was fun.

Me: That's one of Batman's most fucked up archenemies destroyed.

Batman: I never did like Pyg.

Electrocutioner: Me neither.

NIco: Nice job Diggersby

Diggersby: Thanks. Got any carrot juice?

I gave him some.

Diggersby: Thanks.

Poromon: Want some beer with that?

Diggersby: Oh no thank you. I had to learn the hard way when it comes to beer. One time I drank some and got so drunk that I pulled off the clothes of Nurse Joy and girls and Put them in bikinis and made a massive nosebleed tsunami.

Me: Geez!

Diggersby: Yeah it's how I became a pervert pokemon.

Poromon: Ouch.

Nicole: Oh boy. I can't bring myself to hurt a Pokemon.

Me: Good.

Nico: Oh Overdrive Ostrich, what do you like to do in your free time?

Overdrive Ostrich: Oh I deliver baked goods for a bakery. It's good money.

Me: Nice.

Qin: Cool.

Nico: Nice job. Now for the Anothers.

Lincoln: (Sensed The Anothers) Ah, and the Anothers are coming.

Eli: (Sensed them) Lincoln's right, the Anothers are coming, and one of them is Another Batman.

Batman: Another Me, that must be someone whom I'd known from long ago.

Lincoln: We'll have to see who it is.

Eli: Whoa, and one of The Anothers is The Guardian of The Shadow Realm and one of Lincoln's Guardian Angels!

Lincoln: (GASPS) (GROWLS) MEN, YOU BETTER COVER YOUR EYES WITH J.D.'S BLIND MAN SUNGLASSES BECAUSE IF I SEE SO MUCH AS ONE OF YOU EVEN PEEK AT HER, I'M GONNA POUND YOU INTO THE DIRT AND SEND YOU TO THE HOSPITAL WRAPPED UP IN BANDAGES LIKE A MUMMY!

ME, NICO, AND THE BOYS SCREAMED IN HORROR AS WE GOT OUT BLIND MAN SUNGLASSES AND PUT THEM ON!

Eli: Whoa, and one of The Anothers is The Guardian of The Shadow Realm and one of Lincoln's Guardian Angels!

Lincoln: (GASPS)(GROWLS) MEN, YOU BETTER COVER YOUR EYES WITH J.D.'S BLIND MAN SUNGLASSES BECAUSE IF I SEE SO MUCH AS ONE OF YOU EVEN PEEK AT HER, I'M GONNA POUND YOU INTO THE DIRT AND SEND YOU TO THE HOSPITAL WRAPPED UP IN BANDAGES LIKE A MUMMY!

ME, NICO, AND THE BOYS SCREAMED IN HORROR AS WE GOT OUT BLIND MAN SUNGLASSES AND PUT THEM ON!

Me: (GULPS) I think Nicole is starting to rub off on Lincoln.

Nico: You're telling me...! I almost peed my pants because of him yelling like that! (SHUDDERS)

Luna: Well, you heard from his Guardian Angels that Lincoln despises perverts, right?

Laney: And we've kept records of how many times Lincoln's beaten up Lewis Travolta and Brad Uppercrust III for that.

Luna Ludenberg: Especially beating up Minoru Mineta, and I couldn't forget when he exposed him to all of U.A. Academy.

Kurumu: And when he yelled at those obsessed so-called monsters who targeted us, and he really scared them when he went Lincoln the Nocturnal on them, and I think he even scared Ginei as well.

Nicole: I remembered, he really scared him big time. Ginei may be a werewolf, but to me, he's a perverted puppy, and Lincoln showed him who's the True Alpha.

Me: And let's not forget what he did in terrifying those lizard lip Lizardmen Student Body Presidents.

Lincoln: Lizard lipped cowards. If they so much as step out of line and try to bully Yukari, (CRACKS KNUCKLES AND MUSCLES BULGE) I'm gonna give those lizard lipped brain-dead morons another lesson in pain.

The Lizardmen Student Body Presidents literally pissed their pants!

Nico: There they are!

Me: WAIT! We haven't said who we're facing yet.

Nico: Sorry force of habit.

Me: So Overdrive Ostrich, Black Panther, Expresso, Sheila Dodo, Sheila Melbourne Cooper and Sheila MacDouglas are up and we're facing Moon Ming, Whirnado, Smokey the Dragon, Octopus Villain D'Artagnan, Mask of Dark Earth (X-Squad) and Universe 666 Orochimaru (White Scaled Snake Form)

Nico: Oh wow.

Me: Yep. NOW they are here.

We saw Another Whirnado, Smokey the Dragon, Octopus Villain D'Artagnan, Mask of Dark Earth (X-Squad) and Universe 666 Orochimaru (White Scaled Snake Form)!

Me: WHOA!

Qin: This will be intense.

Lola: Yep.

Another Whirnado: (In a girls voice) It sure will be.

They reverted back and it was the gene-slammer of Evil HERO Wild Cyclone! And The Guardian of the Shadow Realm!

Nico: Serena Savagecyclone!

Lincoln: And Nina Yamisekai I knew it!

Serena Savagecyclone: Good to see you again Nico.

Nico: You too. Serena and I went to school together. But she had a rough life. Her mother and father were gangsters and she threw them in jail and vowed to kill all of her men.

Me: Geez!

Serena Savagecyclone: I never want to see those monsters again. I vowed to kill them.

Me: I don't blame you one bit. And care to introduce us?

Anna Anyanova: Sure this is Nina Yamisekai, Guardian of The Shadow Realm, she's Lincoln's Guardian Angel from Japan and his classmate in English, and she's also a Goth and is one of the most beautiful of Lincoln's Guardian Angels, she possesses a massive bust clocking in at 320 inches, and she outright hates perverts and will instantly castrate them. She was also born with black angel wings, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of Cosmic Umbrakinesis, omnipotent powers of darkness, dark magic, Black Magic, Satanic Magic, and the forbidden dark magic of The Shadow Realm and The Millennium Items, and the reason for that is: she's The Guardian of The Shadow Realm, and her job is to judge souls whether they enter The Shadow Realm through getting sent there as punishment or were sent there through evil means by use of The Millennium Items, and she knew what that bastard, Zorc Necrophades, had done over 5,000 years ago, and when Zorc was destroyed forever, she became The Guardian of The Shadow Realm and decided to undo the damage he'd done back then. Nina Yamisekai moved to Royal Woods where she met Lincoln and she taught him everything she knows in mastering the powers of immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of Cosmic Umbrakinesis, omnipotent powers of darkness, dark magic, Black Magic, Satanic Magic, and the forbidden dark magic of The Shadow Realm and The Millennium Items, and over time, Lincoln gained even more incredible superhuman strength, Omnipotence, Omniscience, Cosmic Awareness, the powers of Cosmic

Umbrakinesis, omnipotent powers of darkness, dark magic, Black Magic, Satanic Magic, and the forbidden dark magic of The Shadow Realm and The Millennium Items, and Lincoln was already born with immortality and invincibility, and she also helped him grow and seriously bulk up in muscle mass and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really grow and bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she's also good friends with Lucy and the Goths of Darkness, and she despises perverts with a passion so much so, she will instantly castrate them, and she despises all of Lincoln's enemies with a bloody passion, and she swore that if they so much as hurt Lincoln one more, she will personally banish them to The Shadow Realm for all eternity!

Me: WHOA MAN!

Nicole: I can see why I was rubbing off on Lincoln.

Nina Yamisekai: I can tell.

Nicole: And you hate perverts too!? Welcome to the party.

Me: By the way are the rest of the Anothers friendly or hostile?

Serena Savagecyclone: Friendly and the Another Batman is going to be a surprise for Bruce.

Me: This will be interesting.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

She glowed and the anothers were separated. We saw Another Toothpick (X-Squad), Universe 666 Kars, Rollodillo, Army (Donkey Kong) and Glypton Phantom Griplius.

Me: Action time!

Rolf: YOU HAVE BROKEN THE CELERY STALK ON THE SPINE ON THE SEA URCHIN!

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Rolf: MAY THE FLEAS FROM YOUR COW INFLAME YOUR RHUBARB!

Qin: YEAH!

Nico: And now, we wait

Me: We don't have to wait long.

We saw Another Moon Ming and Batman!

Me: WHOA! This will be good.

Qin: Yep.

Another Moon Ming: (In a girls voice) It sure will be fun.

She reverted back and it was the gene-slammer of Dark Valkyria.

Nico: Denise Valkyria!

Denise Valkyria: Good to see you Nico.

Nico: Denise and I went to school together and she hated a girl that made my life hell. Her name was Brooke Asterwell.

Me: Wait the former Heiress to the Fortune of the Asterwell house? She was banished to Siberia years ago.

Nico: Yep. And she was disowned and made penniless and now lives on the streets.

Me: Geez! She must really hate your guts.

Nico: She did. But she is now living on the streets in total sadness.

Me: Well I hope she doesn't come after you for revenge.

Nico: I know. And your friend?

Another Batman: (In a girls voice) Someone who wants to share her uncle's vendetta.

She reverted back and was a girl with orange and black hair and had blue eyes and had orange and black clothes and had Black and Orange Angel Wings.

Batman: (GASP) Tigerr!

She and Batman hugged.

Me: Wait Tigerr Wayne A.K.A. Lady Nighttiger? Wow!

Batman: And my niece too. My brother is a dangerous man you should know.

Me: Wait I think I know who it is. Thomas Wayne Jr. A.K.A. Owlman!

Batman: That's right!

WE GASPED!

Me: The Prime Universe Version of him! We faced the Lego version not too long ago.

Nico: Yeah we sure did.

Batman: Yeah.

Kaito: (gets out Ryusoulger gear) Did Swartz promise you anything?

Zocks: (gets out Kiramager gear) Because we can grant it instead

They got weapons for said teams.

Denise Valkyria: Not for me but Tigerr here.

Tigerr: I was promised revenge on my father. But on the condition that I kill Joe Chill for hurting Uncle Bruce.

Me: I don't blame you one bit. Joe Chill will die for his crimes.

Tigerr: I know.

Sakura Knudson: I hated Joe Chill for everything he did. That was awful.

Sougo (gets out Dino Fury Ridewatch): Bruce has the Batcave

Geiz (gets out Kiramager Ridewatch): Does that mean you have a Tiger Cave?

Sougo got DinoFuryRedArmor while Geiz got KiramaiRedArmor.

Tigerr: (LAUGHS) No. I lived in Wayne Manor for a long time. I decided I wanted to fight alongside my uncle and Robin and Batgirl. I helped them beat the Joker numerous times. I'm also immune to the Joker's laugh poison.

Me: This I got to see. Sorry about this Bruce.

I went over and pulled out some powder.

I blew it in her face.

Me: Sorry about that.

Tigerr: What was that?

Me: Powdered Joker Venom.

Tigerr: I see.

I waited a few seconds.

Me: Well what do you know! Wow it doesn't affect you at all.

Tigerr: Nope.

Me: Joker's in for a surprise when he see's that.

Nico: He sure is. Tigerr you should help Black Adam kill him. Do you have any other powers besides your wings?

Tigerr: This.

She held out her hand and fired a blast of orange lightning and it hit a tree and blasted it into splinters!

Me: WHOA! Intense lightning powers!

Lincoln: Welcome to the party.

Me: Your lightning powers will be beneficial to help out against Joker.

Maria: Don't we have an Owlman in the MOE?

Nico: That one isn't Tigerr's father. In fact, we don't know the name of that one.

Yusuke Amamiya: And he's my archenemy. That is weird.

Me: So it might be a different version of it. So Lincoln March is still out there somewhere.

Nico: Yep.

Me: Lets separate you first.

We did so.

Me: Lets dance.

Nico: (Gets out Moon Ming's ridewatch) Time for some fun under the moon!

May: (Gets out Smokey the Dragon's ridewatch) SMOKIN!

Universe 666 May: (Gets out Octopus Villain D'Artagnan's ridewatch) ALL FOR ONE AND ONE FOR ALL!

Maria: (Gets out Mask of Dark Earth (X-Squad) ridewatch) THIS MASK MAKES YOU GROW TO RAGING HEIGHTS!

Black Panther: (Gets out Whirnado's ridewatch) FOR WAKANDA!

They used the powers of Moon Ming, Whirnado, Smokey the Dragon, Octopus Villain D'Artagnan, Mask of Dark Earth (X-Squad) and Universe 666 Orochimaru (White Scaled Snake Form) and blasted the Anothers all over the place!

Me: YEAH!

Then Ugly Monster, Crustor, Empress Blublax, Volcano Sisters, Whale Undead (Kamen Rider Blade) and Tiki Aliens (SpongeBob) came.

Me: WHOA!

Finn: Ugly Monster! What the Grod!

Ugly Monster: Good to see you again Finn.

Nico: Nice Team!

Ugly Monster: Thanks Nico!

Squidward: (Sees the Tiki Aliens) OH NO! IT'S THOSE TIKI ALIENS! THEY CAME TO ABDUCT ME AGAIN!

Shanan: (GASP) Oh man! Those are Moaidranians! They come from the planet Moai IV.

SpongeBob: (GASP) I remember those guys!

Patrick: Me too!

Lily: I do too!

Me: Wait you guys saw these aliens before!?

Lily: We sure did! SpongeBob and Patrick were trying to contact aliens and it worked! They summoned these Tiki Aliens!

Nico: It worked too well!

Me: REALLY well.

Whale Undead: Glad you're back safe Kazuma.

Kazuma: I was far away because of the Joker Undead.

Me: And for good reason too. We found him on a planet made entirely out of Sweet Potatoes.

Whale Undead: I see.

Nico: It's true.

Me: Yep.

Whale Undead: I can tell.

Me: Yep. Also Magma Dragoon's team is up.

Magma Dragoon: Damn right it is!

Me: Yep!

?: Awesome!

Then Elemental HERO Escuridao came!

Me: WHOA! Elemental HERO Escuridao!

Jaden: Sweet!

Elemental HERO Escuridao: (In a girls voice) And ready to have some fun.

Nico: Elaine Escuridao!

She reverted back.

Elaine Escuridao: Good to see you again Nico. I got this. DARK DIFFUSION!

She fired a massive blast fo darkness and it hit the Anothers and blasted them and I caught the Ridewatches and purified them!

Me: YEAH!

Nico: Nice job!

Elaine Escuridao: Thanks! That was cool.

Black Panther: Do you have any good memories of Nico?

Elaine Escuridao: I sure do. When me and Nico were in school and we saw a bunch of kindergartners being picked on by the sixth graders and we bashed those jerks faces in and saved those kids.

Me: Man not cool!

Qin: Those jerks!

Nico: Yeah.

Nico and Elaine hugged.

Nico: I've missed you.

Elaine Escuridao: Same here.

We went back home.

And Lincoln, Nico, Super Brother, and I also flexed our muscles even more which really aroused our harems even more, and at the same time, the thugs began growing weaker as their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone were being sucked out of them one at a time and was pumped into Lincoln, Nico, Super Brother, and I.

Then, when Lincoln, Nico, Super Brother, and I were done and the stingers changed back, we drained the werewolves' souls of the last bit of their energy and sent them to The Black Abyss and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and he flexed his massive muscles as fire burst out of his massive biceps and massive muscles same with me, Nico, and Super Brother!

And Lincoln, Nico, Super Brother, and I also flexed our muscles even more which really aroused our harems even more, and at the same time, the thugs began growing weaker as their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone were being sucked out of them one at a time and was pumped into Lincoln, Nico, Super Brother, and I.

Then, when Lincoln, Nico, Super Brother, and I were done and the stingers changed back, we drained the werewolves' souls of the last bit of their energy and sent them to The Black Abyss and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and he flexed his massive muscles as fire burst out of his massive biceps and massive muscles same with me, Nico, and Super Brother!

We cheered as we holstered our weapons and powered down and we returned home to The World Tree Estate.

Nico: That was one wild bloody battle!

Me: You said a mouthful.

Lincoln: Either way, we finally got rid of Eddie and Marsha Quist along with their entire colony of werewolves, and on a Super Blood Moon as well. Man, we really went wild.

?: Aw, I missed out on the fight.

Then, we saw a beautiful girl who was tall at 250'11" in height, she has the body of a goddess and large breasts, long crimson red hair with yellow streaks with orange flower in her hair, crimson red eyes, massive fire colored angel wings, she has The Volcanic Laval Masters of Courage symbol on her right arm and the pendant on her necklace, The Laval Crest on her forehead, and Laval Lakeside Lady on her crimson red skirt, crimson red short-sleeved blouse, orange sleeveless midriff top with Laval Lakeside Lady on it, crimson red bridal gloves, orange stockings, crimson red knee-high boots with butterfly buckles, long white sleeveless trenchcoat with stars, fire, flames, lava, phoenixes, and angels on the coattails, and on the back is Laval Volcano Handmaiden, and she has a fire greatsword, and with her are the three girls.

Lincoln: (GASPS) Sunniva Vulcania, Avatar and Gene-Slammer of Volcano Handmaiden.

Sunniva Vulcania: That's right, and I got the girls away from those werewolves, and you guys really caused a lot of havoc on them.

Me: Along with absorbing them.

Lincoln: That was one of the most bloodiest battles ever, but we got rid of Eddie Quist, Marsha Quist, and the werewolves forever. (To Sunniva Vulcania) And it's so good to see you again, Sunniva.

Sunniva Vulcania: You too, Lincoln, it's been eight years since we last met, but wow, you've really grown that much.

Suddenly, Sunniva Vulcania had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Sunniva Vulcania was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent)(Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Sunniva Vulcania: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Sunniva Vulcania's waist and hugged her, and Sunniva Vulcania was very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more enormous white angel wings and

Lincoln: It sure has been a long time, I haven't seen you two since you were seventeen, and as you can see, I really grew a lot since then.

Sunniva Vulcania: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 950'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath your enormous white angel wings, that's so awesome, and the large brown wolf ears on your head and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive

(Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same true immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Anna Anyanova: And so do we, this is Sunniva Vulcania, Avatar and Gene-Slammer of Laval Volcano Handmaiden, she's Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval Lakeside Lady. She's The Volcanic Lava Dancer Master and member of The Volcanic Laval Masters of Courage, a group of courageous girls who are the Avatars and Gene-Slammers of The Laval Duel Monsters and they're born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and their goal is to protect and defend Lincoln from his enemies, and they are the bravest, strongest, and courageous of Lincoln's Guardian Angels. No one was able to defeat them in battle, and if they dared to anger them, they were going to get burned in a pretty nasty way. Sunniva Vulcania came to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval Lakeside Lady, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Pyrokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval Lakeside Lady, and Lincoln was already born with immortality and invincibility, and she also helped him grow and seriously bulk up in muscle mass and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really grow and bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a fire greatsword and he also gave her a phoenix tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lynn and Lola a lot with using lava and fire, and Sunniva Vulcania despises The Joker with a blazing passion because of everything he's done and swore to end him.

Nico: Well, you're in luck, we're going after Joker later on today, and we're gonna get rid of him once and for all.

Lincoln: After everything he's done, he needs to be forgotten once and for all, and now that you're here, Sunniva.

Lincoln with his massive muscular arms still wrapped around Sunniva Vulcania's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Sunniva Vulcania: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love

appeared on the neck of Sunniva Vulcania with crimson red gems on the gold lightning bolts and crimson red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and a rainbow Thunderbird wedding ring on her left pinkie.

Sunniva Vulcania: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Sunniva Vulcania.

Sunniva Vulcania had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Sunniva Vulcania's waist, and he leaned down to her face and kissed her on the lips, and with Sunniva Vulcania's hands still on his massive hairy pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Sunniva Vulcania had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Sunniva Vulcania: (In Heaven) My God. And Lincoln, tell the guys to run to their rooms, the three girls I rescued are...!

Red Savarin and Travis Tackett: GUYS, YOU KNOW THE SIGNAL! MOVE!

We ran into our rooms leaving Lincoln, Nicole, and his harem, then they went up to the three girls, and when Lincoln saw them, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the three girls are Chalsarda Daesys the Elf, Tsunade Axebrute the Amazon, and Amelia Drach the Sorceress from Dragon's Crown.

Lincoln: Oh whoa, it's Chalsarda Daesys the Elf, Tsunade Axebrute the Amazon, and Amelia Drach the Sorceress from Dragon's Crown.

Nicole: Uh oh, Red and Travis were right telling the guys to run.

These girls are voluptuous and sexy, but they're also pretty good fighters.

Lincoln: Meaning if anyone tried to kill them, they would meet a painful end. Are you girls okay?

Chalsarda Daesys the Elf: Yes, we're okay, thanks to you.

Then, when Chalsarda Daesys the Elf and the other two girls saw who it was that saved them from Eddie and Marsha Quist and the other werewolves, their faces turned atomic red and their noses gushed out blood upon seeing the 950'11" tall, handsome heartthrob hulking wolfman with abnormally massive and powerful upper and lower body muscles covered in light brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle with beard stubble on his jawline and thick brown goatee on his chin, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair, large brown wolf ears with rainbow markings and rainbow flame patterns on top of his head and large gold halo with embedded gems shaped like The Elements of Harmony and below the gem shaped like The Element of The Magic of Friendship is a gem shaped like The Crystal Heart and a ring of hands made of gold around it with colored gems in the palms and around the ring of hands made of gold is a ring of fire with spikes made of gold resembling The Sun with four gold wolf heads: two on the left and right and two on top and the bottom in the center behind his head and second smaller halo with intricate designs and The Sun and The Moon in it and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with a wolf howling at The Sun and Moon surrounded by images of gods and beasts from Chinese and Japanese myth on the reflective side and on the back of the large mirror is The Black Tortoise of The North, The Vermillion Bird of The South, The Azure Dragon of The East, and The White Tiger of The West accompanied by The Qilin, The Fenghuang, Yinglong, and The Spirit Turtle surrounding a Yin-Yang symbol with gold sun ring-shaped frame around the mirror and embedded colored gems behind the large gold halo and four large orbiting gold rings on each corner with embedded gems shaped like

Amelia Drach the Sorceress: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clone, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Chalsarda Daesys the Elf: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Chalsarda Daesys the Elf, Tsunade Axebrute the Amazon, and Amelia Drach the Sorceress with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: That was one brutal and bloody battle against the werewolves.

May: Thank goodness we don't have to deal with them ever again.

Lincoln: That's for sure, now Eddie Quist and Marsha Quist are gone forever.

Caleb Maxwell: Along with their entire colony of werewolves, good riddance.

Marlene Maxwell: After that night when you watched The Howling, you immediately ran back home and you had your guns at the ready in case. Thank goodness you didn't get the attention of the NYPD Nightshift.

Roxy Drake: That movie scared the daylights out of a lot of teens back then, Marlene, and Caleb was one of them.

Jack Howard: Practically, every last teen in 1981 ran out of the theatres after watching The Howling, it was a mess.

Captain Whitten: That night really scared the daylights out of Caleb, and this was the first time we saw him not being pursued by Drake's thugs.

Nico: The first time? I doubt Drake Maxwell would back off that easily, from what we saw from the tapes, Caleb's had to deal with him every single night.

Marcus Mackenzie: And you are correct, Nicholas. Not a single night has been peaceful for Caleb, the only thing that's haunted him every night is thinking when this night would be his last.

Caleb Maxwell: That haunted me for eight straight years since this nightmare began for me in 1979, and I was only twelve years old. Who does Drake think he is? He thinks that with all that money and power, he could do whatever he wants, that imbecile! He knows that I'm the older brother and that it's my responsibility to look after him and our entire family, but he betrayed all of us when he chose a life of crime and blood, and he tried to kill me. He destroyed my life and my future, everything I'd ever achieved, it was taken from me, and he left me to suffer in eternal darkness and blood. Despite that, I wanted to make sure he was punished accordingly by the law, but even the law wouldn't be enough, not for someone like him or Dad's scumbag family.

We felt the darkness rising again.

Cuffs Lane: Oh no.

Caleb Maxwell: No matter how much the police have worked hard, those assholes got away with the crimes they committed, and more innocent lives were lost because of them! Those filthy animals, they deserved to die! They deserved to be shot and bleeding out on the streets, they deserved to be strung up and skinned alive for all to see!

WE FREAKED OUT AT CALEB'S DEMONIC ANGER!

Me: Yikes...!

THE MASCOTS DID WILD TAKES AND RAN UP TO THE CEILING!

Mascots: Someone, please put a muzzle on him!

Allie Maxwell: Try that, and I might just give away your beer formula.

Mascots: DON'T YOU FUCKING DARE!

Caleb Maxwell: What was that?! Did you just say an obscene word at my sister?! Come down and face your doom!

THEY FLED INTO THEIR ROOMS!

Caleb Maxwell: Pipsqueak cowards, next time they do that, I'll really give them Hell!

After Lincoln and all of us killed Eddie Quist, Marsha Quist, and their colonies of werewolves and sent them to The Black Abyss forever after Lincoln, Nico, and I absorbed them, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well and we were really sweating up a storm, and when Sunniva Vulcania saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and he was sweating up a storm, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Sunniva Vulcania: My God, I was right that Lincoln's really grown into a 950'11" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 999 septillion-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Sunniva, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Sunniva Vulcania: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Sunniva Vulcania: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get my 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with my enormous rainbow angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large rainbow angel wings underneath my enormous rainbow angel wings, they had an atomic red blush on their faces, hearts in their eyes, and their noses were really gushing out blood.

And when Nico's harem saw Nico doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous yellow angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large yellow angel wings underneath his enormous yellow angel wings and he was sweating up a storm, they had an atomic red blush on their faces, hearts in their eyes, and their noses were really gushing out blood.

Then, Setsuna got into The Simulator and it activated, this time, he was in Nagashino, and we saw it on the big screen.

Setsuna: So, this is Nagashino. Yukimura once told me about this battle, this was the very battle that signaled the end of The Takeda, the clan he, his older brother, Nobuyuki, and his father, Masayuki, once served.

Yukimura Sanada: Yes, that battle is what signaled the end of The Takeda, you must be careful while there, Setsuna.

Setsuna then got a move on and he'd slain many enemy soldiers that Lincoln provided.

Setsuna: That takes care of them, now who's the main enemy I'll be facing here.

Suddenly, the figure appeared: it was the black Darknut knight from The Legend of Zelda: Twilight Princess.

Setsuna: A knight?

Nicole: Uh oh, that's the Darknut knight from The Legend of Zelda: Twilight Princess, these guys are one of the most powerful enemies in Hyrule and even more formidable than their original earlier counterparts. They have removable armor and high defense, but in that incarnation, they now have increased speed and more sword techniques. Vypra told me she found archenemies for you, Shiki, and Tamaki.

Setsuna: A noble taking on a knight, this should be good.

Setsuna went after the Darknut Knight and he fired extremely powerful blasts of cyan blue, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, cyan blue fire, cyan blue flames, light, wolves, phoenixes, and angels and they exploded as they hit him, and he attacked and slashed at him with his massive greatsword and divine blade leaving scars on him.

The Darknut knight was beaten down, but he got back up. Then, the knight left as it heads back to The Masters of Evil. Setsuna holstered his massive greatsword on his back and divine blade on his right hip and powered down and he exited The Simulator.

Setsuna: That was unusual, the knight left.

Lincoln: Apparently, he was satisfied after he fought you, Setsuna. This must've been Vypra's plan, and she's waiting for Tamaki and Shiki to transform as well.

Tamaki: Setsuna transformed when we went after Dong Zhuo, Yuan Shu, and Huang Zu in The Wu Zhang Plains.

Shiki: You mentioned about Hisahide Matsunaga, correct? He's bound to make his move tomorrow, but we'll be ready for him.

Kanetsugu Naoe: Correct. We must be careful, Hisahide is a conniving and manipulative rogue who's skilled in lying to and deceiving others for his own benefits.

Lincoln: And has rebelled against Nobunaga more than once, someone like that doesn't deserve to live, that was why I had him turned to stone eight years ago.

WE GASPED: WE HAD NO IDEA THAT LINCOLN DID THAT TO HISAHIDE MATSUNAGA!

Nico: We're gonna have to hear the whole story on your journey to Sengoku era Japan, Lincoln, sounds like you had quite a challenge there.

Nicole: From what Lincoln just said, I can guess Hisahide did something to piss him off.

We got a shower, and then, Lincoln, Drone Panty, Drone Stocking, and Eternal Sugar Cookie are heading to Onion Ocean, and joining them are the rest of his harem.

Lincoln snapped his fingers, and the 950'11", handsome and extremely muscular wolfman had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Drone Panty, Drone Stocking, and Eternal Sugar Cookie and the rest of Lincoln's harem were dressed in colored two-piece bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Drone Panty, Drone Stocking, and Eternal Sugar Cookie had feelings for Lincoln, and Lincoln also had feelings for them too, and he saved them from a group of musclebound thugs and he sucked out all of their muscle mass, virility, testosterone, strength, and energy which killed them all.

Drone Panty: Wow, we're here in Onion Ocean, it's so beautiful.

Lincoln: You said it, Drone Panty, and it's perfect for our first date. Shall we?

Lincoln, Drone Panty, Drone Stocking, and Eternal Sugar Cookie and the rest of his harem also gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, Lincoln did the same thing giving Drone Panty, Drone Stocking, and Eternal Sugar Cookie and the rest of his harem a deep tissue massage, and when he was done with that, they were relaxed Then, they had an awesome game of volleyball, and they went to a workout area Lincoln created, and Drone Panty, Drone Stocking, and Eternal Sugar Cookie and the rest of Lincoln's harem got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift massive 999 Septillion ton-lb barbells Lincoln summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his extremely massive muscles.

Lily the Mermaid: (Swooning) My God, Linky's still such a handsome and manly wolfman hunk.

Suddenly, they saw The Beast Planet coming after them.

Anna Anyanova: Oh no, The Beast Planet.

Lincoln: From Shadow Raiders?! I got him.

Lincoln went after The Beast Planet and he morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into The Beast Planet and he began absorbing him and he assimilated The Beast Planet's Planetary size, Vast weaponry, Indestructible armor, Interstellar flight, Ability to drain the energy of an entire world, and Fleets of smaller combat drones, and all the energy of the planets it consumed, and Lincoln's abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH!

Then, when Lincoln was done and the stingers changed back, Lincoln's rainbow, white, golden yellow, and blue energy aura flared up even more with elements around him and Lincoln sucked out the last of The Beast Planet's energy and it was sent to The Black Abyss, and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and fire exploded out of his massive biceps and muscles and he generated wind gusts from his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and cooled down his harem.

Then, they had some lunch, and then, as the sun was about to set, Lincoln went up to Drone Panty, Drone Stocking, and Eternal Sugar Cookie and the rest of his harem and he hugged them in his abnormally massive and powerful muscular arms, and Drone Panty, Drone Stocking, and Eternal Sugar Cookie and his harem placed their hands on Lincoln's massive hairy pecs, but Lincoln wasn't done.

Then, Drone Panty, Drone Stocking, and Eternal Sugar Cookie and the rest of his harem lying down on a massive beach towel with Lincoln on top of Drone Panty, Drone Stocking, and Eternal Sugar Cookie and the rest of his harem.

And then, Lincoln shared a passionate and romantic kiss with Drone Panty, Drone Stocking, and Eternal Sugar Cookie and the rest of his harem and Lincoln slowly sank his fangs into their right trapeziuses and he began feeding on the blood of Drone Panty, Drone Stocking, and Eternal Sugar Cookie and the rest of his harem, and Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light hovering above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame markings and phoenix feathers on his

999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln and I slowly unlatched our fangs from the right trapeziuses of our harems as they healed and the puncture marks sealed up, and we also kissed where we bit them. We came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Nico: (Whistles) Wow, it looks like you really had a good time at Onion Ocean, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Drone Panty, Drone Stocking, and Eternal Sugar Cookie with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with three white and gold accented Elemental Thunderbird Chokers of Eternal Love appearing on their necks and three rainbow Thunderbird wedding rings on their left pinkies.

Lily the Mermaid: And now, Drone Panty, Drone Stocking, and Eternal Sugar Cookie are in your harem, Linky.

Drone Panty, Drone Stocking, and Eternal Sugar Cookie showed the marks on their right trapeziuses Lincoln made.

Jenna: We had trouble though.

Lincoln: Unfortunately, we did. The Beast Planet from Shadow Raiders came after us!

EVERYONE GASPED!

Nico: Oh shit!

Lincoln: Don't worry, I used my Cell stingers and absorbed him and assimilated all of his powers and abilities, and I sucked out the last of his energy and sent it to The Black Abyss.

Me: Smart move.

Lily the Mermaid: But, our date went smoothly, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted massive 999 septillion ton-lb barbells he summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous angel wings had spread out and they generated a cool breeze cooling us down and fire and wind exploded from his massive biceps and muscles.

Serena Logan: Lincoln really got that confident and bold, we really made him into a really strong and powerful manly wolfman.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know, we made a clone of that mutant.

Lincoln: That's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Lincoln: We don't have long before our final showdown with The Joker begins, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift an extremely mountain-sized massive 999-septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss

and they'd since healed and repaired things with Lincoln.

The mascots went to the door.

Robin: Have fun at the park.

Poromon: We will.

Nico: Okay.

Me: Some of us should go with you guys.

Poromon: Okay.

Me, Qin, Carrie, Camie, Ymir and Naomi Necroshade went too.

We went down to the surface and went to the park and relaxed.

* * *

At the park it was a nice day.

Me: Ahh! So peaceful.

Poromon: You said it!

Naomi Necroshade was in a hot black bikini and was relaxing.

Me: You look smoking hot like that Naomi.

Naomi Necroshade: Thank you J.D.

Carrie: Boy it sure is awesome.

Poromon: Look. A bunny!

Me: Aw what a cutie.

I grew some carrots for it.

Me: Here little guy.

I gave them to it.

He liked them.

Poromon: What a cutie.

Poliwag: He sure is.

Camie: He sure is adorable.

Back at the estate, everyone was worried.

Batman: Think we should check on the mascots?

Tigerr: I think that's a good idea Uncle Bruce.

Nico: I agree.

They went to the park.

Back at the park, we were resting.

Poromon: Wanna have fun with us?

The bunny nodded.

Poromon: Okay.

The mascots saw a hunter coming that looked like Elmer Fudd.

Me: Is that Elmer Fudd?

Qin: Looks like him.

Me: This will be good.

Everyone arrived.

Nightbird: Is that a bunny?

Nico: It sure is. Cute little guy.

Then they saw the bunny do all kinds of funny stuff.

It blasted the hunter with bombs, cannons and more. It was funny!

WE LAUGHED HYSTERICALLY!

Horsea: Wait. Where did it come from?

Poromon: From that bush there.

Horsea: Okay

But then...

KRABLANG!

A huge anvil fell on the hunter and squished him flatter than a pancake!

Arcee:...ow?

Me: That had to hurt.

Qin: Still funny.

Bugs Bunny: Classic.

Me: Yep.

Ed: Aw what a cutie.

Ed approached it and cuddled it.

[Ed rubbed the bunny on his face.]

Ed: "Bunnies are so furry and so soft."

TOILET FLUSHES!

[Ed's eyes start to water and he sneezes. The rabbit snuck into his jacket and wend his way around Ed's body while Ed laughs.

[Ed laughs, and the bunny scampered away. Ed's nose then starts to twitch, and he lets go of a gigantic sneeze.]

ELEPHANT TRUMPET!

Ed: "I feel funny. Ah-ah–" [He grabs his nose and covers his mouth to keep the sneeze from escaping. This doesn't work: the sneeze instead makes his eyes bulge out.] "I sneezed." [Purple spots which turn into lumps appear all over his body.] "I'm mutating!"

Me: UH OH!

[Various parts of Ed's body begin to swell. First it's his foot, then his nose, then his other foot. His hands swell up, and then the cycle repeats.]

Edd: "Eddy, Ed is showing strange symptoms. I'm concerned."

Eddy: "I've been concerned about Ed from the first day I met him."

Ed: [his entire body ballooning] "Aah! Whoa!"

Edd: "Um, Eddy?"

Eddy: "What?" [Edd points at Ed, who is lighter than air now.]

Edd: "Look!"

Ed: "Help! I am a blimp!"

Eddy: "Ed, you maniac! Get down from there!"

Ed: "Help me guys! Wow, I am so itchy."

Eddy: "Let's poke a hole in him and let the air out!"

Edd: "The pressure could cause him to explode."

Poromon: I'll do it!

Poromon flew up to him.

Nico: POROMON... (IN SLOW MOTION) NOOOOOOOOO!

POINK!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMM

Ed exploded into a thousand pieces!

Blood, guts, inards and entrails were splattered all over the place!

Ed's head was left.

Ed: DO IT AGAIN! HAHAHAHA!

Nico: Why did you do that again?!

Poromon: Eddy suggested it!

We gathered all the pieces of Ed.

Qin: Geez. Bloody.

Nico: Ed went through this before.

Daylight Starscout: Oh guys, I have something I need to tell you all.

Me: What is it Daylight?

Daylight Starscout then concentrated and then we got the biggest ever shock of all! We saw her glow and then had a purple horn and purple and red wings form and we saw that she was really an ALICORN!

WE GASPED IN SHOCK!

Me: OH MY GOD!

Qin: Sunny's mom is an Alicorn!?

Sunny Starscout: WOW! Mom you're an Alicorn!?

Daylight Starscout: I had to hide it for a really good reason. Ever since the magic disappeared, I've been able to hold on to some of the magic and it took a lot of energy to bring out.

Me: That must take a lot of energy. But Maretime Bay had an Alicorn living among them and didn't know it!

Daylight Starscout: I know. But if anyone found out about it...

Me: They would probably come after you to get that power.

Daylight Shimmer: Exactly.

Sunny Starscout: Wow! So that means my Alicorndom was coming soon.

Me: I don't really know if it's hereditary.

Twilight Sparkle: Most times Alicorns are made through ascension. Sunny had that happen to her. Same with me and my friends.

Me: That is true. Flurry Heart was born an Alicorn and that is still enigmatic to us.

Flurry Heart: Yeah. That is unusual.

Me: Yeah. Skyros may have secrets that ponies of Equestria should not know about.

Nico: Maybe.

Daylight Starscout: I know. Sunny I'm sorry I hid this from you but it was for a good reason.

Sunny Starscout: I know mom. I know. But this is amazing!

Daylight Starscout: It sure is.

Laney: Hey look!

We saw a Porygon looking at Ed and Ed laughed as it tickled him.

Me: Hey a Porygon!

Nico: Where did it come from?

Me: Must be one of Dark Gale's work.

Nico: That Pokemon needs more love.

Me: I agree.

Sheena: That one is a girl named Zahlia Upgrade.

WE GASPED!

Me: Whoa! She must be one of Upgrade's kind.

Nico: A Galvanic Mechamorph.

Me: Yep.

Upgrade: Lets go help her.

We went over.

Upgrade: Easy kid. You'll be fine.

She used Conversion on Horsea but she put her clone in front of her

She got the clones powers.

She fired waves of energy and Nico with water.

Nico: (SPITS) HEY!

Horsea: Better you than me!

Nico: Thanks a lot!

Me: Okay then...

I snapped my fingers and she reverted back. She was a girl with green hair, green eyes, green angel wings and had Porygon on her forehead and had the Omnitrix symbol with Upgrade on it on her arm as a cutie mark.

We wrapped her in a blanket and brought her over.

Me: That did it.

Qin: Wow!

Nico: Porygon needs more love.

Naomi Necroshade: I agree there.

She woke up to see Horsea's smiling face

Zahlia Upgrade: (Groans) Huh? A Horsea?

Horsea: You hit my clone!

Zahlia Upgrade: Oh sorry.

Me: You were turned into a Porygon by Dark Gale.

Zahlia Upgrade: Oh man! I was battling the forces of the Forever Knights. I used my powers to make their machines blast them and enhance them.

Me: Wow!

Rex Salazar: Can you do the same to me too?

Zahlia Upgrade: My powers don't work on humans.

Ben: Actually EVO's are totally biomechanical. I did so as Upgrade to him and it worked.

Zahlia Upgrade: Really? Okay.

She touched him and then he glowed and got an AWESOME BLACK AND GREEN battle suit!

Me: COOL!

Nico: That is amazing!

Qin: Yeah!

Zahlia Upgrade: Yeah. Being half Galvanic Mechamorph makes me do that and it's awesome.

Me: That is cool.

Manaphy: (happy) Mama wasn't attacked today!

May: Yeah!

Me: Manaphy don't jinx it.

Manaphy: Sorry.

Me: Also Zahlia, Porygon is considered one of the least favored Pokemon.

Zahlia Upgrade: How come?

Deadpool: Because the episode it was in had a terrible effect on people.

Jamesdean5842: Yeah it was banned because it caused seizures to people because of the Strobe Light Effect.

Laney: Flashing lights can cause seizures in those with epilepsy and seizure problems.

Zahlia Upgrade: Oh man! I can see why.

Deadpool: We're in the 2020 years. People should get over it!

Me: I know Wade they really need to let go!

Nico: Yeah!

Rarity: Lets get you some new clothes darling.

The fashion brigade gave her new green clothes and an amazing sword.

Zahlia Upgrade: I look awesome.

Me: You sure do.

Poromon: Yep and the new bunny is our friend too.

Laney: Yay new pet!

Poromon: Fluffus is liking it.

Me: Fluffus?

Poromon: We named him Fluffus.

Me: Cute.

We went back home.

We were watching TV.

All the TV screens suddenly showed Joker.

Joker: Greetings, Gotham City!

Me: JOKER!

Batman: Joker!

Joker: As you all know, it's my going away party from the Entire Multiverse today. So, I thought I'd go out with a bang!

Joker then revealed Joker Gas bombs in certain places of Gotham City.

Me: I might have known he was doing something FUCKED UP like this!

Joker: I know you're seeing this, Team Loud Phoenix Storm. If you don't deactivate the bombs soon, well, you know what will happen. Tick tock! You're on the clock! (laughs evilly)

The broadcast then ended.

Skallox: It's not a going away party. We're going to kill him!

Me: That's right!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo and second smaller halo of light in the center and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo that's behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was The Joker, he's escaped and he's in Gotham City and he's out for one last spree of mayhem. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: So, you're finally on the move, Joker!

Eli: Finally, now he's dead!

Lincoln: That's for sure.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it's The Joker, he's escaped and he's in Gotham City and he's out for one last spree of mayhem.

EVERYONE GASPED!

Batman: Gordon contacted me about that, and radio feeds reported that he's planted bombs full of Joker Toxin all over, and he intends to detonate them and kill everyone in Gotham City.

Nico: If at first he didn't succeed in kidnapping our harems and planting the detonators in them and make us kill them to detonate the bombs, he intends to do it the old fashioned way. Well, not on our watch! You're dead, clown! Alright, team, let's go, this is the final battle that'll seal The Joker's fate forever!

Lincoln: And where his legacy of death and madness end here and now.

The previous group came.

Evil Green Ranger: We saw the broadcast! Not good!

Gator Ghoul: Can me, Evil Green Ranger, Count Spankulot, SkullMeramon, Black Spider, Killer Croc, Amora the Enchantess, Bizarro, Biowulf, and Titania go with you guys?

Nico: Yes you all can come with us.

Qin: Awesome.

Nico: Yep.

Biowulf: No one in the M.O.E. Likes the Joker. He is the most hated monster we ever laid our eyes on.

Me: I can see why.

Aqua Man (Mega Man): Nico, which Gene Slammer do you think you'll meet next?

Nico: Elemental HERO Terra Firma next.

Me: Earth power.

Nico: Yep.

Deadpool: Also this chapter is to be made in honor of two special people too.

Nico: Really?

Jamesdean5842: Yep. Kevin Conroy who voiced Batman and Heath Ledger who did the Joker in The Dark Knight. Kevin Conroy died in 2022 of Colon Cancer and Heath Ledger died of a drug overdose in 2008.

We gasped

Nico: Lets have a moment of silence for them.

We took off our hats and put our hands on our chests for them.

Kevin Conroy and Heath Ledger will never be forgotten.

When it was done we got ready for the mission.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo and second smaller halo of light in the center and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo that's behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow

energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Innominat the Suppressor, the overarching antagonist and the final boss in Tales of Berseria, and he's come to destroy us. When we saw it, we knew it meant trouble.

Lincoln: Oh no, now we got trouble.

Me: Was that...?

Lincoln: Innominat the Suppressor, the overarching antagonist and the final boss in Tales of Berseria, and he's come to destroy us.

Gina Gutierrez: That monster. Lincoln, I hope you absorb him.

Lincoln: And I will, Gina, right after we tear him apart.

Nico: If there's one thing we can't stand, it's a tyrant who desires to oppress humanity, that sort of person has no place in the world. Alright, team, let's get going to Gotham City, as Lincoln said, this is we end the legacy of The Joker forever.

Lincoln: This shall be the final night The Joker runs free in Gotham City, and once we get done with him forever, you're next, Innominat the Suppressor.

Gina Gutierrez: Your crimes against humanity can never be forgiven, Innominat, this is where you die once and for all.

Lincoln put up a powerful rainbow energy field around The World Tree Estate and we headed to Gotham City to finally destroy The Joker once and for all, and once we send him to The Black Abyss once and for all, Gina Gutierrez and Lincoln are going to take down Innominat the Suppressor, and Lincoln's going to absorb him.

We were off.

We arrived.

Me: We're here.

Camie: Gotham is looking good.

Tigerr Wayne: Good to be in Gotham again.

Evil Green Ranger: Who's the kid?

Batman: My niece Tigerr. She is also known as Lady Nighttiger. She helped me all the time in Gotham from time to time.

Evil Green Ranger: Wow pleasure to meet you Tigerr.

Tigerr Wayne: Thanks!

Count Spankulot: (Transylvanian Accent) Let's call Black Adam.

Me: Good idea Count.

We did so.

Black Adam: I'm ready for this.

Me: Awesome. Also guys I got some funny jokes in store for this. Trust me when I say you're going to get a good treat out of it.

Nico: Oh I get it! You're going to use jokes we know with deadly gags to make it fun and action packed.

Me: Bingo.

Totally Spies Alice: Bruce, we'll deactivate each bomb and you tell us about the location it's in

Batman: Understood.

Me: But finding them is going to be like looking for a needle in a haystack.

Nico: Yeah no kidding.

Poromon came back with a barrel bomb with the Joker on it and it had a Smiley face on it.

Poromon: Found the first one! It was by the door to Wayne manor.

Me: Good work Poromon!

I looked at it and it was hooked up to a timer and there was only 3 hours on it.

Me: Very simple device.

I pulled the battery out of it and it was deactivated.

Nico: How did you do that?

Me: All I did was just pull out the battery.

Nico: Oh.

Me: The Joker sure did a lousy job making this.

Nico: Yep.

We went into Wayne manor.

Batman: Home sweet home

Me: Yep.

Tigerr Wayne: Nice to see this place still in one piece.

Me: Yep.

Alfred came.

Alfred: Master Bruce, thank goodness you're safe.

Nico: We got a few more bombs to find

Me: But it's going to be like finding a needle in a haystack.

Killer Croc: Never did like Joker

Me: Nobody liked him. But we're off to a good start. Poromon already found one.

Poromon: Yep.

Alfred: Thank goodness for that.

We went to the Batcave.

Tigerr: Good to see the Batcave again.

Tomahawk Man: Bat Computer, search how many bombs are left

Computer: Searching.

The computer looked it up and pulled up a map of Gotham.

Computer: Joker Bombs found and located. 7 total.

Bomb 2 was located at Gotham Wharf

Bomb 3 was located at Gotham General Hospital

Bomb 4 was located at Arkham Asylum

Bomb 5 was located at Iceberg Lounge

Bomb 6 was located at Gotham City Hall

Bomb 7 was located at Gotham Zoo

And Bomb 8 was located somewhere in the Batcave!

Me: OH MAN! There's a bomb in the Batcave!

Laney: And I think I found it!

It was underneath the Bat Computer.

Me: Good work Laney!

We got it out and I pulled the battery out.

Amora: Now there's 6 bomb left

Me: We'll have to split up and cover more ground.

Nico: Good idea. Eli, you take a group and head to Gotham Wharf.

Eli: We're on it.

Nico: Ruby you take a group and head to the Iceberg Lounge.

Ruby Rose: You can count on that!

Nico: J.D. you take a group and head to Arkham.

Me: Right and we'll kill any bad guys that make a move there.

Nico: May you come with me and we'll go to Gotham City Hall.

May: Right!

Nico: Varie you and Maria take a group and head to Gotham General.

Varie: You got it.

Nico: and Fluttershy you take a group to Gotham Zoo.

Fluttershy: We're on it.

Me: Okay then,

Nico: Lets move!

We were off.

At Gotham Wharf, Eli, Headstrong and his group were looking for the bomb.

Eli: It should be here somewhere.

They got to looking.

Laney: It has to be here.

Headstrong: I see a bomb in my sights

Eli: I sense it.

It was in a warehouse.

They went in and found a bunch of Gotham Mafia men dead and had fucked up grins on their faces from the Joker's poison. Nico got the bomb and disarmed it.

Eli: (To Nico on the Radio) Eli to Nico.

Nico: (On the Radio) Nico here.

Eli: We found the 3rd bomb and disarmed it. But The Joker's been at this warehouse. Numerous gangsters and mobsters all dead from Joker Venom poison.

Nico: Well can't say they deserved it. Good work though. Burn that warehouse and leave no trace. Rendezvous back at Wayne Manor shortly.

Eli: Roger. Eli out.

Eli fired Force Lightning and ignited the place and they got out.

At the Iceberg Lounge, Ruby Rose, Biowulf and group were there.

Ruby Rose: Sure is awesome here.

Biowulf: I can smell the next bomb. It's behind the bar counter.

They went back there.

Penguin: Ah welcome everyone.

Ruby Rose: Sorry to bother you Penguin but we got a problem.

Ruby went and opened a drawer and found the bomb!

Ruby Rose: Found it!

Penguin: One of the Joker's toys! That freak!

Ruby pulled the battery out.

Penguin: Thank you Ruby.

Ruby Rose: Anytime. (On the Radio to Nico) Ruby Rose to Nico. Bomb 4 disarmed at Iceberg Lounge. No people poisoned thank goodness.

Nico: (On the radio) Good work Rose. Rendezvous back at Wayne Manor and if Penguin is there have him come too.

Ruby Rose: Roger that. Over and out. Penguin would you like some payback on the Joker?

Penguin: Count me in.

He joined in.

At Arkham Asylum, me, Poison Ivy, Clayface, Poromon and the mascots and Camie and Ymir and Carrie were looking for the next bomb.

Me: I always hate coming to Arkham. Every villain here is REALLY Fucked up.

Camie: I don't blame you.

Me: Makes me want to kill all of them.

Poromon: Where are you, Mr. Bomb?

Me: It has to be in here.

I looked with my X-Ray vision and peered into each cell.

Ymir: I'm sure there's also a villain that Nico also wants dead in here besides the Joker.

Me: Now that you mention it there has to be. (To Nico on the radio) J.D. to Nico.

Nico: (On the radio) Nico here. Find the bomb there?

Me: Negative. But I've been wanting to ask. Is there any villain here in Arkham that you want dead besides the Joker?

Nico: Well pretty much all the major villains are all dead and some are in the M.O.E. But I do have some ideas.

Me: Which are?

Nico: Kill Zsasz if he's there.

Me: Affirmative. I can't really remember if we faced him earlier in previous rescues or not. But it will be done.

Nico: Roger that. Nico out.

We went to Victor Zsasz's cell.

Camie: This it?

Me: Yep.

We looked in and saw VICTOR ZSASZ!

Victor Zsasz: J.D. Knudson. I knew you would come. Your death will be my final mark.

Me: Not going to happen.

I fired a blast of energy and obliterated him into nothing and he was banished to the black abyss.

Me: There.

Ymir: He was really messed up!

Me: Tell me about it.

Ymir: What were all those scars on him?

Me: Tally marks to show how many people he killed. He was REALLY FUCKED up.

Poliwag: And look what was in his cell under his table!

He pulled out the next bomb!

Me: The next bomb! Good work Poliwag.

I disarmed it.

Me: (To Nico) J.D. to Nico.

Nico: Nico here.

Me: Victor Zsasz was killed and the next was under the table in his cell. Poliwag got it.

Nico: Good job guys. Head back to Wayne Manor.

Me: Roger that.

We left.

Poliwag: How many left?

I looked it up.

Me: Scans show three more.

Ymir: This is gonna be interesting.

At Gotham General Hospital, Varie and her group were looking for the next bomb.

Varie: It has to be in here.

Maria: I'm looking around.

Horsea: I see it!

It was in a plant pot in the lobby.

Maria: Hiding in plain sight.

Varie went over and disarmed it.

Varie: There.

Maria: Good work Horsea.

Varie: (To Nico on the radio) Varie to Nico. Bomb at Gotham General Disarmed.

Nico: (On the radio) Excellent. Rendevous back to Wayne Manor.

Varie: Roger that.

They did so.

At Gotham City Hall, Nico, May and a group were searching.

Manaphy: How many bombs left?

Nico: 2. I think the next one is in the mayor's office.

They went into the Mayor's office.

May: Hmm.

Manaphy: Hey look!

They saw a bomb on the desk!

May: That was easy.

They grabbed it and disarmed it.

Nico: Great! One left.

Manaphy: With Fluttershy and her group.

Nico: Lets head back.

They did so.

At Gotham City Zoo, Fluttershy and her group were looking around.

Lilja: (Icelandic Accent) I have a feeling it's here in one of the animal cages.

Fluttershy: It might be.

Lilja: Lets see here.

Meowscarada: Look there! It's in the monkey cage.

Lilja: I got this one.

Lilja went over.

Lilja: That is a bomb in your cage. Can you bring it to us please?

The monkeys agreed and grabbed it and opened the cage and gave it to them.

Fluttershy: Oh good work Lilja.

Lilja: Thanks mom.

Meowscarada: I got this.

She disarmed it.

Fluttershy: Oh thank goodness. (To Nico on the radio) Fluttershy to Nico.

Nico: (On the radio) Nico here Fluttershy.

Fluttershy: All bombs disarmed. Lilja had the monkeys bring it over to us.

Nico: Great job guys. Rendezvous back to Wayne Manor.

Fluttershy: We're on our way.

They went back to Wayne Manor.

The monkeys looked at each other before following Fluttershy.

We regrouped.

We all regrouped.

Me: All bombs have been disarmed.

Nico: Nice try Joker.

Fluttershy: The last one was in the monkeys at the zoo.

Me: I think the monkeys followed you here.

They came and were talking to Fluttershy and Lilja.

Fluttershy: (LAUGHS) They sure did.

Lilja: (LAUGHS) Yeah.

Me: Your love of all animals is such an amazing thing.

Lincoln: That is for sure.

Batman: (smiles) Dick. Alfred. Barbara. Jason. Terry. Despite everything, you all chose to stand with me all these years even before meeting Team Loud Phoenix Storm. And for that, I'll always be grateful.

Robin: Think nothing of it Bruce.

Alfred: We're glad to help you out.

Me: Including all of us too.

Jason Todd: This is awesome.

Me: Yep.

Qin: This will be epic.

?: Wait what are all of you doing here.

We saw a figure come and it was Bruce Wayne in a Scientist Outfit?

Me: Wait Bruce? How the?

Dark Bruce: I'm Bruce as a scientist. But you can call me Dark Bruce.

Me: Interesting. You know funny thing, you look like a black hair version of Dr. Kirk Langstrom.

Dark Bruce: Funny you should say that. Because I want to be like the Batman.

Me: You want to be a crimefighter just like your prime universe counterpart?

Dark Bruce: No J.D. Knudson, I want to be feared!

Me: Figures you would say something as fucked up as that!

Dark Bruce: You forced me to accelerate my testing schedule.

He pulled out a vial full of a pink liquid.

Dark Bruce: And it's such a treat that you all can be here to witness... (Drinks the serum) THE BIRTH OF VENGEANCE-BAT!

His eyes turned pink and then he knealt down and his ears grew pointy and his hands grew webbed and his teeth turned fanged and his shirt ripped and then he spread his wings and SCREECHED AND HE TURNED INTO BATMAN'S AKUMA, VENGEANCE-BAT!

Me: WHAT THE FUCK!?

Stacy Stalactite: AND I THOUGHT MY ARCHENEMY WAS FUCKED UP!

Lincoln: OH MAN! That's Batman's Akuma, Vengeance-Bat! The Hypothetical Akuma of Batman. He is a scientist that specializes in Bats and is motivated by revenge and has the ability to turn into a humanoid bat creature by drinking a serum. He was made because of Joe Chill killing his parents and vowed to kill ALL OF GOTHAM

CITY'S CRIMINALS and drench the city in their blood and become the most feared monster in the city!

WE GASPED IN UTTER SHOCK!

Me: Oh dear god!

Undermine: Batcomputer, activate defenses!

It did so!

I flew at him and kicked him in his face and we flew into the air silhouetted against the light of the moon and punched and kicked at each other!

I punched him in his face!

Nico: Boy he sure is frightening!

Xenia: It's like two of the most vicious predators fighting for the night!

Nico: No kidding!

I punched him in his face and knocked him down.

Vengeance-Bat: (Demonic Voice) That really hurt!

Me: So you can talk after all. Funny thing about that is that Kirk Langstrom can't speak when he's like this.

Vengeance-Bat: Maybe but I'm just that special.

Me: Not that special if you ask me.

Titania: Bruce? Is that stll you in there?

Me: I think him talking like that shows that it's still him.

Titania: I see.

Vengeance-Bat: And I will kill all criminals!

He flew and went and grabbed a criminal robbing a woman by taking her purse nearby and he grabbed the man and then...

SQUELCH!

HE RIPPED HIM INTO PIECES AND SPLATTERED BLOOD, GUTS, INARDS AND ENTRAILS AND ORGANS EVERYWHERE AND RIPPED HIM TO PIECES!

Me: OH SICK!

Twilight and friends threw up all over!

Black Adam: You need to calm down!

Vengeance-Bat: NEVER!

I fired waves of lightning and blasted him intensely

Black Adam fired waves of lightning and blasted him all over.

Vengeance-Bat: I'll kill you too!

He went at Black Adam!

I kicked him and blasted him down and he reverted back!

Me: The formula wore off.

I put him in a straitjacket.

Me: Boy no offense Bruce but your Akuma is just as fucked up as the Joker.

Tigerr Wayne: Maybe not that far.

Me: Yeah maybe I was exaggerating a bit.

Batman: (smiles) In case something happens to me during this battle, it's been an honor fighting alongside all of you

Robin: Same here Bruce.

Batgirl: I agree there.

Jason Todd: You still have more fight left in you.

Me: We're ready for this.

I pulled out a box and in it was a bunch of the pranks the Joker used.

Me: I'm going to fight fire with fire against the Joker.

Nico: I get it. Give him a taste of his own medicine.

Me: Yep. Along with a bunch of jokes we can use on him.

Lily: I Got a lot of them.

Luan: Me too.

Eddy: Same with me.

Me: If you want to beat a fucked up monster prankster like The Joker, you got to use the very tools a fucked up monster like The Joker can use against him.

Nico: Good idea.

Bizarro: Bizarro always loved Joker.

Eli: Translation: He's always hated him.

Me: I loved him too.

Naomi Necroshade: Huh?

Me: Bizarro talks in opposite.

Naomi Necroshade: Oh I get it.

Lincoln: Alright, everyone, gather around.

Lincoln pulled up a hologram of Gotham City, and he zoomed in on our target.

Lincoln: Now, as we already figured out, our main target is our old enemy, The Joker, and like I said, he's escaped from prison and he's in Gotham City and he's out for one last spree of mayhem, and as Bruce mentioned, Joker has planted bombs full of Joker Toxin all over, and he intends to detonate them and kill everyone in Gotham City.

Me: And I have a feeling I know where he's hiding out.

Me: Too obvious.

Lincoln: That's for sure, Setsuna. But, of course, Joker also has one of the Anti-Underground Girls with him, and she was the one who helped him plant the bombs. So, we need to take her down, separate her monster form, scan it and destroy it, and send her to prison. Now, then.

Suddenly, Lincoln's pupils turned into slits, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of

Lincoln let out an extremely massive and savage roar as he pounded his chest like an Alpha Male Gorilla.

Lincoln: (Beastly Gruff Manlier Voice) Not quite yet. Now, we've got The Clown Prince of Crime to deal with.

Suddenly, the spirits of Batman and his family appeared and they attacked The Joker with fury along with sudden blasts of red, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, elemental forces, magic, mythical beasts, phoenixes, and angels from Alexander Avalon. Then, the spirits converged and a massive explosion erupted as a Thunderbird Screech, Dragon Roar, Wolf Howl, Tiger Roar, and Phoenix Cry was heard, and we appeared and that pissed off The Joker even more.

Joker: YOU! How dare you ruin everything for me! I was so close to seeing everyone in Gotham City laughing themselves to death as I spread my lovely Joker Gas all over the place.

POW!

Lincoln, Nico, and I punched Joker in the face.

Buster Bunny: You caused so much death and chaos all over Gotham City, and all for your own so-called amusement, you make me sick, Joker!

Me: You disgust us, Joker! But, that ends here.

Nico: Damn straight!

Lincoln: Your legacy of chaos and death ends tonight, Joker.

Suddenly, the skies turned dark and the full moon was shining down on Gotham as bats flew all over the city: The Joker's legacy of chaos and death was about to end tonight.

Batman thought to himself for a few minutes before grabbing Joker by the collar.

Batman: I care, Joker. About Gotham. About Justice. And if this is my last stand, at least I go out like this: BEING BATMAN!

And with those words being said, he punched Joker in the face

Black Spider: Well said!

Me: YEAH!

I went over to him.

Me: Hey Joker!

I put my hand on the Joker's shoulder.

Me: I got a joke for you. Want to hear it?

Joker: Oh what is it?

Me: What's faster - lightning, light, or diarrhea?

Joker: I don't know! What?

I held out his joy buzzer and grabbed his hand!

Me: ((ZAPS HIM)) Diarrhea. Because I ran like lightning to the bathroom, turned on the light, but the diarrhea was already there.

RIMSHOT!

Lily drank down a Mississippi Queen.

Lily: Ahh! Hey Joker! Listen to this one!

She pointed her butt at him and then...

LOUD NASTY HORRIBLE AND POWERFUL LONG FIERY FART OF INTENSE POWER!

Lily Loud: Stinkerbell!

The fire burned his face!

Nico: Good ones!

I punched him in his face and kicked him in his crotch!

The Joker: Funny guy...

Me: Can't say the same for you.

The Joker: Impudent brat... who do you think you're talking to?

Me: Not a comedian, I'll tell you that.

The Joker: [draws a laser pistol] Shut your mouth!

[fires at me]

I deflected it and flew.

Me: [retreats into the rafters] The real Batman never talked to you much, did he? That's probably why you were so fixated on him.

[tossing a batarang, knocking the pistol out of the Joker's hand]

The Joker: Don't play psychoanalyst with me, boy!

Me: Oh, I don't need a degree to figure you out.

[hits the lights with a batarang, plunging the room into darkness]

Me: The real reason you kept coming back was you never got a laugh out of the old man.

The Joker: I'm not hearing this...

Me: Get a clue, clownie! He's got no sense of humor! He wouldn't know a good joke if it bit him in the cape... not that you ever had a good joke.

The Joker: Shut up... shut up!

Me: I mean, joy-buzzers, squirting flowers, lame! Where's the "A" material? Make a face, drop your pants, something!

The Joker: Show yourself!

Me: You make me laugh. But only 'cause I think you're kinda pathetic.

[mimics the Joker's laugh]

The Joker: Stop that!

Me: [still laughing] So you fell in a tank of acid, got your skin bleached and decided to become a supervillain. What? You couldn't get a job as a rodeo clown?

[continues laughing]

The Joker: [pulling out some grenades] Don't you dare laugh at me!...

Me: [laughs some more] Why? I thought the Joker always wanted to make Batman laugh!

[continues laughing]

The Joker: [screaming in a fit of rage] SHUT THE FUCK UP!

HE THREW THE GRENADES AND I THREW THEM BACK AND THEY HIT HIM AND EXPLODED!

KRABBBBBBBBOOOOOOOMMMM!

Me: Take that!

Nico: Nice one!

Qin: YEAH!

Batman 2039: I did the same thing before and it was awesome.

Me: Yep.

Joker continued laughing evilly.

Long John Silver: What be so funny now, clown?

Joker: Oh, nothing. It's just that you guys seeing my jokes in action pushed you morons to become reckless in the first place. That counts as a small victory for me in my book. That's still going on right now too. And that means even in death, I still win, Team Loud Phoenix Storm!

I smirked.

Me: HEH! You would like to think that would you? Your fucked up mind games won't work on us anymore.

Nico: That's right!

Nico punched him in his face.

He fired a blast of blue fire and burned him bad.

Me: Hey Joker! I just got my doctor's test results and I'm really upset about it. Turns out, I'm not gonna be a doctor!

I put a stethoscope in his ears and had him listen to my heart.

Me: Hear that?

I then screamed in the probe!

Burst Man threw honey all over Joker.

Burst Man: While we're waiting for the attracted animals to show up, you should know that you weren't even the one who got J.D. his powers. It was Kang.

Joker: WHAT!?

Me: That's right! It was Kang the Conqueror that did it!

But then bears came and mauled him all over!

Evil Green Ranger: You know Joker? You at least deserve some water.

Joker then drank from Evil Green Ranger's hand what he thought was water.

He drank it down.

Joker felt weird.

Joker: Wait. What is this stuff?!

I pulled out a bottle of laxatives.

Me: My omega super laxatives. Give you deadly diarrhea attacks in seconds and it's EXPLOSIVE DIARRHEA!

He ran to the bathroom.

WE HEARD GROANS AND SCREAMS AND EXPLOSIVE FARTING AND DIARRHEA!

Qin: GEEZ!

Nico: Okay, he's just delaying his death right now!

Me: When you got to go you got to go! Even if it's from laxatives.

Nico: True.

Joker came out relieved.

Just in time for Mega Crobat to charge at him and blast him with darkness.

Zahlia Upgrade: And this too!

She touched a candy maker and it turned into a bunch of machine guns and blasted him all over the place with taffy and candy and bashed his face in.

Qin: YEAH!

Joker: What the Hell are you?!

Batman: Let me tell you.

Batman throws a smoke batarang at Joker

Batman: I am vengeance.

Batman quickly inputs his co-ordinates to the Batmobile, then shocks Joker with two tasers and follows up with a knee to the face.

Batman: I am the night.

He then throws an explosive batarang at Joker

Batman: I am Batman!

Batman jumps out of the way as the Batmobile drives in to run over Joker

SMASH!

Me: Never forget it Joker!

Tigerr Wayne: And I'm the panther of the night! Lady Nighttiger!

She flew and kicked him in his crotch and he screamed like a little girl!

We noticed that Deadpool had tears of joy in his face.

Nico: You alright, Wade?

Deadpool: (in denial) It's fine. I just got something in my eye

Jamesdean5842: He's just happy that we're remembering Kevin Conroy like this.

Nico: Oh.

Deadpool: Yep.

We fired waves of lightning and blasted him all over.

I fired fire blasts and burned him.

Zahlia Upgrade: Lets make this fun!

Upgrade: You got it!

Zahlia and Upgrade: GALVANIC LASER STORM BURST!

They fired waves of lasers and blasted him all over.

Me: Take that Joker Loser!

Nico: Ooh nice!

Lincoln went at The Joker and he slashed at that miserable clown all over the place, and he even made sure to punch him right in the nose and give him a black eye as well before he threw him into a wall.

Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and Super Brother morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and Nico, Eli, and I morphed the tips of our 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long wolf tails into Cell's stingers and we stabbed them into the chests of Joker's men, and we sucked out and assimilated their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone, and Lincoln's abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and his enormous white angel wings and 9999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos of light above his Bracers, ankles, and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips of his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed, and our abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and our enormous angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large angel wings underneath our enormous white angel wings spread out and our large gold halos and second smaller halos of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind our heads and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos of light above our Bracers, ankles, and beside our thighs glowed and the rainbow flame patterns and rings on our obliques and sides and the rainbow flame patterns on our forearms, the rainbow tips of our large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on our 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoos on our bare chests glowed.

Lincoln: (Beastly Gruff Manlier Voice)(GROWLS) Ooh yeah, this feels incredible. RRGH!

And Lincoln, Nico, Super Brother, and I also flexed our muscles even more which really aroused our harems even more, and at the same time, the thugs began growing weaker as their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone were being sucked out of them one at a time and was pumped into Lincoln, Nico, Super Brother, Eli, and I.

Then, when Lincoln, Nico, Super Brother, Eli, and I were done and the stingers changed back, all of Lex Luthor's hired thugs were sucked bone dry of their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone and left as desiccated mummified corpses and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and he flexed his massive muscles as fire burst out of his massive biceps and massive muscles same with me, Nico, Eli, and Super Brother!

Batman: It's finally over for you, Joker, your men are gone, and your bombs have been disabled. Now, you are all alone with no one to help you.

Joker: I am still going to end you, Bats! One way or another!

Then, more vampires from Sunnydale charged at us, but we stabbed them in the heart with some stakes and killed them as they turned to dust.

The Joker lost it, and me, Lincoln, and Super Brother pulverized The Joker with our extremely and excessive massive godly superhuman strength and he got brutally pulverized.

Lincoln went wild on The Joker as he punched, kicked, and slashed at him like a wild beast, and he left scars on him, and I also did the same as well.

Then, Lincoln held out his left hand and fired 999 massive balls of fire at The Joker, and they collided and exploded as they hit him, and he also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more along with the immense divine powers of The Gods and Goddesses of The Ancient World.

Finally, Lincoln formed a massive blue fireball in his left hand and he threw it down, and then, it sunk into the ground unleashing a storm of lightning bolts and raging fire, and...!

Lincoln, Nico, and Me: NOW, GO STRAIGHT TO HELL FOR ALL ETERNITY, JOKER!

Lincoln, Nico, and I attacked The Joker with a last and powerful downward swing of our massive greatswords and that caused a massive explosion to erupt and the chains broke and The Joker was on his last legs as Lincoln, Nico, and I landed in front of the team, and it also exposed Innominat the Suppressor, our secondary target who was then put into suspended animation until later.

Buster Bunny: All right, that's it, Joker! You've been asking for it for a long time!

Ed Cowart, The Looney Tunes, and Tiny Toons all proceed to insult The Joker.

Daffy Duck: You're the worst, and by far, the most unoriginal clown ever! Why don't you go back to being a rodeo clown? At least, it pays well!

Bugs Bunny: I bet Elmer can beat you in 5 minutes as he handled hunting me for a long time!

Babs Bunny: Hope you like your ugly face obliterated because that's the option we have for you! You stupid dull and ugly clown!

Plucky Duck: Ha! I bet you would get the Wile E Coyote treatment, by that I mean failing miserably at getting Road Runner! Or in your case, failing to kill Batman, Joker!

Ed Cowart: You're about to get schooled on comedy, you stupid failure of a clown!

Ed Cowart, Looney Tunes, and Tiny Toons: And one last thing?!

Porky Pig: Hope you like this!

Porky Pig triggered a trap where sharp needles landed on joker then a boulder landed on Joker, then fire came out and roasted Joker into a chicken drumstick, then a chandelier fell on Joker, then two logs squashed Joker.

Joker: Ouch!

Elmer Fudd: Oh boy, my turn! Now, you're gonna get it, Joker!

Elmer Fudd blasts Joker with a shotgun which removed his shoes, then it launched Joker first into a cactus which, then it launched him onto a water tower, then The Joker fell onto a swimming pool which was empty as Bugs Bunny drained it. Then, Joker clogged a pipe which burst sending him up, then he landed painfully on the floor. Then, Joker got up only to step on a rake, then he stepped on caltrops, then he stepped on mouse traps, then he stepped on thumb tacks, and then, he stepped on lemon juice.

Elmer Fudd: Hahahahaha! How's that, you sorry excuse of a clown? Now then, it's Joker Season!

Joker: No, it's Batman Season!

Batman: Joker Season.

Joker: Batman Season!

Batman: Batman Season.

Joker: Joker Season! Fire!

Elmer Fudd fired at Joker which made him as bald as Lex Luthor.

Then, Buster and Babs Bunny dropped first a giant piano, then an anvil which dropped Joker onto a dynamite factory, and when Buster lit a match...!

Joker: Ah, cheese puffs...!

The dynamite factory exploded launching Joker 5,000 feet into space, then Joker landed back on the ground Wile E Coyote style. Then, a boulder landed on Joker, and then, Ed Cowart, the Looney Tunes, and the Tiny Toons finished by firing hyper hot nacho cheese and hyper hot sauce at Joker and Ed Cowart wedgied Joker and pulled his underwear over his head.

Ed Cowart, Looney Tunes, and Tiny Toons: WEDGIE!

Time to die, Joker!

Zahlia was surprised as her body started trembling. She yelled out in surprise as her body started expanding

Same with Giselle.

Giselle Rogers: NO! We control the power. It doesn't control us.

They concentrated and reigned in the powers of Froakie and Porygon and they transformed and blasted Joker all over the place.

Qin: Take that!

Me: And we know you aren't alone Joker!

Joker (playing dumb): I guess all that stress is cutting off the oxygen to your brains

Me: Oh hahaha! Come on out!

We saw a girl come out and she had red hair and blue eyes and had a dark red jumpsuit!

Rice: (GASP!) Sloan Langstrom!

Sloan Langstrom: Been a while Rice!

Me: You know her?

Rice: Yes. Her name is Sloan Langstrom, no relation to Dr. Kirk Langstrom. She is a librarian that worked with me. But I lost my balance on a ladder as I was putting books away and knocked over the bookshelf and it crashed on top of her! It hurt her bad and broke both her legs and she got a nasty brain injury that made her a spiteful monster and vowed to destroy destroy! She did all kinds of terrible crimes and was in jail a lot. She vowed to kill me!

WE GASPED!

Nico: Oh man! She needs a lot of help.

Sloan: You did this to me Rice!

Nico: Ever consider that it was a fucking accident?!

Rice: Yeah Sloan! It was an accident! I didn't do it intentionally!

Sloan: You made me this way!

Me: She didn't do it on purpose!

Sloan: I don't care!

Her eyes turned red and then she turned into a black version of Razorfist!

Anti-Razorfist: I am ANTI-RAZORFIST!

Me: WHOA!

Rice: Okay then.

Eon Kid: I'll help you!

Nicole Hernandez: Me too!

Lynn: I'll help too!

They went at her.

Joker: (laughs evilly) Like I've said before, all it takes is one bad day!

Me: We deal with many of those all the time!

Lincoln: That's right!

I fired waves of lightning and blasted Joker all over.

Rice, Eon Kid and Nicole blasted Anti-Razorfist all over.

I separated her from Anti-Razorfist and we scanned the creature and banished it to the Black Abyss.

Me: Take that!

Rice: Sloan listen to me. I would never hurt you like that.

She then hugged her and comforted her as she was hurting inside.

Rice: Because I love you like a sister. Please sis get help for me.

Nico: I guess not all the Evil Underground Girls are bad after all

Me: Nope.

Then Deker, Abis Mal, Nergal, Motor Ed, Mojo Jojo, Po Kong, Radioactive Man, Gizmo, Private HIVE and Xiao Fung came.

Nico: Deker, Abis Mal, Nergal, Motor Ed, Mojo Jojo, Po Kong, Radioactive Man, Gizmo, Private HIVE and Xiao Fung.

Joker: Oh good!

POW!

They smashed the Joker down with a powerful punch.

Me: Nice one!

Private HIVE: After all Joker did, no way are we helping him, Sir!

Me: Well said soldier!

Po Kong: In fact-

Po Kong flattened Joker by hopping on him.

KRASMASH!

HE WAS SQUISHED FLATTER THAN A PANCAKE!

Radioactive Man: Nice one!

Me: He'll be squished flatter later on!

Xiao Fung: (to Nico) We heard you fought Professor Pyg

Nico: Yep we sure did,

Gizmo: (to Ren) You should take care of that Diggersby

Ren: I will.

Fragra came.

Me: Fragra for another round.

Fragra: Yep that's right.

Me: Awesome!

Fragra: Harley, did you get a chance for payback on Joker yet?

KRABLAM!

She bashed him in his face with her hammer!

Harley Quinn: This good enough?

Me: It sure is!

Fragra: I agree!

Nico: LETS GET IT ON!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!?

We got the battles underway

Ruby Rose, Mismagius, Sir George, Takumi Inui, Bolin, Jessica

Cruz, Ibuki, Twilight Sparkle, Stellar Sparkle, Harmony Sparkle, Starshine Sparkle, Magic Skylanders, Vice and Skallox VS Deker, Black Knight of Merlin, Dreadtrux, Rock Doggler, Gra Doggler, and Earth Imperials Ninja Fumin, Steeleto and Scaramouche (Theme including Mismagius) - Nico's rescue on Bloodmoonaira and we faced Professor Pyg

Deker was first.

Deker: (to Ruby) Nico's rescue was on Bloodmoonaira. He faced Professor Pyg

Ruby Rose: Yes we sure did and you should have seen what went down! He was REALLY THAT MESSED UP IN THE HEAD! I remember us facing him the first time and he was really a monster!

Mismagius: Yeah no kidding! This guy was a really messed up piece of work and it's no wonder why the Legion of Doom kicked him out.

Sir George: We really destroyed him all over the place.

Takumi Inui: Yeah he had it coming.

Twilight Sparkle: I remember the first time we faced him and it was really nasty and gruesome there. He really was insane!

Stellar Sparkle: Yeah no kidding! He really discombobulated many people all over there.

Harmony Sparkle: He sure did!

Starshine Sparkle: Yeah that was crazy!

Spyro: But we destroyed him and banished him to the Black Abyss.

Deker: I can see why the Legion Of Doom kicked him out and hated him. Lets do it!

Ruby Rose used Deker's ring and they fired waves of energy and magic and smashed them down.

Weiss, Buzz McCallister, IM Weasel, Flynn McCallister, Summer Landsdown, Dillion, Gem, Sunset Shimmer, Firestorm Shimmer, Sunset Shimmer (G5), Pipsqueak, Chalcanthite Aurora, Fire Skylanders, Grenade Man and Aqua Man (Mega Man) VS Abis Mal, IR Baboon, Prawn, Warrada, Anchor Man, Asriel Dremurr, Pharaoh and Shukaku (Theme including Buzz McCallister) - The Anothers were the gene-slammers of Evil HERO Wild Cyclone and Dark Valkyria

---

Abis Mal was next.

Abis Mal: (to Weiss) The Anothers were the gene-slammers of Evil HERO Wild Cyclone and Dark Valkyria. Nico, Overdrive Ostrich's team, Moon Ming's team, and the others did good battling them.

Weiss: We sure did and it was really awesome!

Buzz McCallister: Yeah no kidding there. It was fun.

I M Weasel: I agree there and it was cool. We also met a Froakie Gene-slammer. Her name is Giselle Rogers of the Galvan. She is half Galvan and she is really smart and athletic too.

Abis Mal: WOW! One of Albedo and Grey Matter's kind. Was she upset at Albedo for what he did?

I M Weasel: She was but was glad he changed his ways when he helped the team destroy Team Buktu.

Summer Landsdown: She's proud of him for that.

Sunset Shimmer: I agree there too. Giselle has a REALLY POWERFUL high IQ and it was at 10,000. She said all kinds of REALLY complex Quantum equations that made Nico's Head explode!

Abis Mal: WOW! She must be really smart!

Firestorm Shimmer: Oh she is. She graduated all of her top schools at a really young age. She graduated Grade School, Middle School, High School and College all at the age of 3! Which makes her the youngest ever to graduate school. Something Lisa Loud would be absolutely proud of. And she won the Nobel Prize for Physics for decoding the Boolean Pythagorean triples problem. Which asks if you can color all positive integers with two colors (e.g., red and blue) in a way that no Pythagorean triple (a, b, c where $a^2 + b^2 = c^2$) has all its numbers colored the same color.

Their heads started sparking and they were drooling like braindead monkeys and had red crash screens in their eyes.

Eli came and kicked them in their butts.

Abis Mal: UM OW! That is really hard!

Warrada: OW! That is really complex! But that is impressive for her to figure that out!

Abis Mal: I'll say!

Sunset Shimmer (G5): That sure is something and we were amazed too.

Pipsqueak: (British Accent) We sure were.

Chalcanthite Aurora: (British Accent) No kidding.

Sunburn: Yeah no kidding there.

Abis Mal: WOW! We're really proud of her. Lets do it!

Weiss used Abis Mal's ring and they fired waves of jewels and fire and smashed them down.

Nergal was next.

Nergal: (to Blake) I heard Lincoln's rescue was in the world of the 1981 werewolf horror movie, The Howling. How was it?

Blake: It was really cool and awesome! You wouldn't believe what went down. We battled Eddie Quist, the bloodthirsty werewolf and serial killer, along with Marsha Quist, the leader of the werewolf colony, and the werewolves were no match for us! It was all under a Blood Moon and as we know, werewolves are even more vicious and savage when a blood moon is out.

THEY GULPED!

Nergal: OH MAN! What a bloodbath!

Wind Drake: I know! It was brutal and gruesome!

Strawberry Sunrise: Yeah no kidding! But we had a lot of fun!

Applejack: It sure was fun!

Emily Douglas: I agree there too and it was really awesome.

Apple Star: Yeah it was a battle of Werewolves.

Wolf Moon Bloom: No kidding there.

Apple Bloom: It was bloody too.

Flashwing: I agree there on that.

Nergal: That is for sure! Lets do it!

Blake: After this we all could use some pizza.

Blake used Nergal's ring and they fired waves of lightning, earth, rock, mud, boulders, meteors, lava, crystal, dust and apples and smashed them down.

Motor Ed was next.

Motor Ed: (to Yang) The Mascots met a bunny. ...how bad are the damages?

Yang: None. But Ed got too close to the bunny and suffered a massive allergic reaction. Ed was as big as a blimp and Poromon poked a hole in him and he exploded!

Volt Kraken: That was crazy!

Motor Ed: Again! Seriously the Mascots need to learn how to not take things that Eddy says literally.

Zipp Storm: That is something they should learn. But Ed will be okay. Also we learned a shocking secret from Sunny's mom. She is an Alicorn!

THEY GASPED IN SHOCK!

Rarity: We were absolutely shocked ourselves too Darlings. Maretime Bay had an Alicorn living among them the entire time but they didn't know it.

Erica Tala: We found out that Alicorns can retain some sort of residual magic in them, but it takes so much energy and effort to even light a spark. Sunny's mom had to keep it secret from the rest of Maretime Bay.

Sapphire Ocean: And for really good reason. Because of Opaline finding out that some magic might still exist and she doesn't get her hands on it.

Motor Ed: That must've been seriously shocking for Sunny! But it's cool that she has an Alicorn for a mom.

Rarity (G5): It sure is and we were amazed too.

Dioptase Angel: We had no idea that Sunny's mom was an alicorn.

Sweetie Belle: No kidding there.

Gill Grunt: No kidding.

Motor Ed: Wow! Boy what an eventful time for the mascots, Ed and Sunny's mom. Lets do it!

Yang used Motor Ed's ring and they fired waves of fire, water, ice, jewels, lightning and energy and smashed them down.

---

Mojo Jojo was next

Mojo: (to Jaune) You guys met a gene-slammer for Porygon. That Pokemon really needs more love!

Jaune: No kidding and it was all because of the Strobe Light Effect causing seizures that lead to it becoming the most least shown Pokemon. But also it's fitting for the Plumber Kid of Upgrade's kind to be the gene-slammer of Porygon.

Super Roboyarou: We were amazed on that.

Miti: We sure were. Her name is Zahlia Upgrade and she can make amazing machines and more.

Rainbow Dash: Yeah and she demonstrated her power by touching Rex Salazar and it gave him a REALLY AWESOME battle suit! It enhanced his power 100-fold and made his weapons more powerful and cool.

Mojo: That must be because Rex is totally biomechanical.

Comet Thunder: That's right and it was so awesome!

Sprite Thunder: Yeah no kidding! Even Upgrade's powers work on EVO's because they are biomechanical.

Thunder Rainbow Zoom: I wonder how all of Rex's friends would react to the powers of Upgrade.

Scootaloo: That would be awesome.

Mojo: It most sure would! Lets do this for I, MOJO JOJO, am ready!

Launch Octopus: Yeah no kidding there!

Radioactive Man: I hope J.D. does a poetic thing on Joker. Like how Tim Drake killed him the first time.

Sheila Kelsall: (Australian Accent) I agree there mate. That would be a very fitting and poetic end to him. But Black Adam said he has his own way of destroying him.

Pinkie Pie: Eli once said that Luan's pranks every April Fools day were something that the Joker would have liked because it would have made Luan like him if she hadn't stopped.

Radioactive Man: That is too true on that.

Maud Pie: (Monotonously) I may be a geologist but I also do comedy as well. But not the kind of jokes that the Joker does.

Citrine Pie: I loved Maud's jokes!

Pinkie Pie (G5): They are funny!

Featherweight: They sure are!

Sprocket: They sure are funny.

Radioactive Man: Yeah! Lets do it!

Valerie Gray: You hit the nail right on the head on that.

Moonlight Glimmer: That is for sure.

Starlight Glimmer (G5): No kidding there! What a horrible monstrosity!

Cozy Glow: I agree there.

Raven Bishop: You got that right. Kirk Langstrom destroyed that formula for Man Bat thank goodness.

She vowed to kill Rice!

Private HIVE: That is a bad injury!

Ennui: It was.

Flashwing: Boy that really must've hurt her bad. But it was an accident and it damaged her mind to the point where Rice was to blame for it.

Dew Gayl: But in truth Rice didn't do it on purpose.

Princess Celestia: Sloan needs really big time professional help there.

Dawn Eclipse: So not all the Evil Underground Girls were made by the Underground Girls beating them. There were some accidental means as well.

Princess Luna: Yeah no kidding there! It was awesome!

Me: Remember this Joker?

I pulled out a gun and pointed it at him.

BANG!

A Bang Flag came out of it.

Joker: Oh I know that gag?

Me: I'm not finished yet. Here comes the Punchline!

BANG!

I fired and it skewered him through his black heart and pinned him to the wall!

Joker: That's not funny!

Black Adam: No but this is!

He fired waves of lightning and I fired waves of lightning. So did Lincoln, Static Shock, Eli and Linka and Nico and many lightning users and he screamed in agony as the lightning hit the pin of the flag and he was electrocuted with intense voltage!

Tigerr fired waves of lightning and blasted him too!

Joker: (to Batman) I guess this is the part where you arrest me.

Mega Crobat: You really are insane if you think Bruce is throwing you in jail after everything you've done.

Joker: Oh, c'mon! I made millions of people die laughing, killed Andrea Beaumont's daddy, offed Jason Todd the first time, possessed Tim Drake in the future, made your Team Loud Phoenix Storm buddies reckless before they killed me the first time, and even helped Super Warumono World a few years ago. (to Batman) But so what? We all know you'll throw me in prison in the end!

Batman clenched his fists while deciding what to do while turning his back to Joker.

Batman: Every decision you've ever made ends in death and misery. People die. I stop you. You'll just break out and do it again

Joker: Just think of it as a running gag!

Me: Some Running gag!

He tried charging at Batman with a knife only for Black Adam to grab him by the throat.

Black Adam: (smirks) Oh, I'm going to enjoy this so much. When you see Lex Luthor in the Black Abyss, tell him the man in black sent you!

Black Adam dashes and punches Joker, then uppercuts him with a lightning charged punch, knocking Joker into the air where he follows up with a knee to his jaw before grabbing him

Black Adam: SHAZAM!

LOUD THUNDERCLAP!

MASSIVE LIGHTNING STRIKE HIT THE JOKER AND

ELECTROCUTED HIM INTENSELY

We placed the Black Abyss symbol on him and the spirits of all those he killed came and judged him.

Spirits: GUILTY!

Joker: (starts to fade away) Are you happy now?!

Batman: Do you want to know something funny? Even after everything you did, I still would've sent you to prison.

Joker: (laughs) Oh, Bats. I have to admit. That really is... very funny!

With that, Joker faded from existence forever with Batman actually giving a smile.

HE WAS BANISHED TO THE BLACK ABYSS FOREVER!

FINALLY, THE JOKER WAS DESTROYED FOREVER, AND HIS LEGACY OF DEATH AND CHAOS WAS NO MORE!

Rockers: GOOD NIGHT, GOTHAM CITY!

We cheered as we holstered our weapons and powered down, and we headed to the gym at Lynn's Table.

Batman: It's finally over, Joker is gone for good.

Nico: His dark shadow is no longer haunting Gotham.

Me: And his legacy of death and chaos is gone forever.

Lincoln: After what Joker's done, death is all that he deserves. Now, there's one last thing to do and one last loose end to tie up: Innominat the Suppressor.

We then turn our attention to Innominat the Suppressor who tried to get out, but couldn't.

Innominat the Suppressor: Curse you, Team Loud Phoenix Storm. I will destroy you all and this world will be mine.

Lincoln, Gina Gutierrez, Super Brother, Nico, and I went after Innominat the Suppressor, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Innominat the Suppressor, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many

more by firing rainbow energy slashes with his gold-plated claws and wolf claw and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Gina Gutierrez did the same by firing teal blue, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Gina Gutierrez, Super Brother, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was really pissing Innominat the Suppressor off.

Suddenly, Lincoln's enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and four massive halos of rainbow energy with intricate designs formed behind him and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Innominat the Suppressor and we all found ourselves not only in Heaven, but also, in space.

Then, Lincoln charged and smashed his rainbow energy infused left fist into Innominat the Suppressor and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind him. Then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 950'11" massive, wide, double-edged gold blade of his massive greatsword.

RRGH!

And he also flexed his muscles even more which really aroused his harem even more, and at the same time, Innominat the Suppressor began growing weaker as all his powers were being sucked out of him one at a time and was pumped into Lincoln.

Innominat the Suppressor: (Groans) He's sucking me dry and absorbing me, I can't take much more of this!

Then, when Lincoln was done and the stingers changed back, nothing was left of Innominat the Suppressor, and Lincoln sucked out all of the remaining energy in Innominat the Suppressor's soul and banished him to The Black Abyss, and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and he flexed his massive muscles as fire and elemental forces burst out of his massive biceps and massive muscles!

We cheered as we holstered our weapons and powered down and Gina Gutierrez's new body, clothes, weapons, jewelry, Third Eye, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long yellow wolf tails, large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold star ring-shaped frame around it with embedded blue gems behind the gold halo with four large orbiting gold rings on each corner and four large Amaterasu's Heavenly Mirrors of The Four Holy Beasts with gold star ring-shaped frames around them with embedded blue gems behind the gold rings behind her head, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large blue and golden yellow planets orbiting around her legs, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 smaller blue and golden yellow planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized blue and golden yellow planets orbiting around her wrists and ankles, and enormous yellow angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large yellow angel wings underneath her enormous yellow angel wings are permanent.

Gina Gutierrez: This where it ends for you, Innominat the Suppressor, and this is goodbye and good riddance. Thanks for helping me get rid of him, Lincoln. You too, guys.

Lincoln: (Smiles Warmly) You're welcome, Gina.

Me and Nico: Our pleasure, Gina.

Suddenly, Gina Gutierrez wrapped her arms around Lincoln's waist as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Gina Gutierrez's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Gina Gutierrez sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Lincoln: And that's it for Innominat the Suppressor.

Me: You just prevented another threat from arising, that was so awesome. So, Lincoln, who's the next girl we're meeting on your next rescue tomorrow?

Suddenly, we saw the symbol of The Volcanic Laval Masters of Courage and Laval Warrior.

Lincoln: (GASPS) The symbol of The Volcanic Laval Masters of Courage and Laval Warrior.

Adara Vulcania: There's only one person who fits this: Pele Vulcania, Avatar and Gene-Slammer of Laval Lakeside Lady, and you guys are going to love meeting her, Pele Vulcania, Avatar and Gene-Slammer of Laval Warrior, is Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval Lakeside Lady. She's The Volcanic Lava Warrior Master and member of The Volcanic Laval Masters of Courage, a group of courageous girls who are the Avatars and Gene-Slammers of The Laval Duel Monsters and they're born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and their goal is to protect and defend Lincoln from his enemies, and they are the bravest, strongest, and courageous of Lincoln's Guardian Angels. No one was able to defeat them in battle, and if they dared to anger them, they were going to get burned in a pretty nasty way. Pele Vulcania came to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic

Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval Warrior, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Pyrokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval Warrior, and Lincoln was already born with immortality and invincibility, and she also helped him grow and seriously bulk up in muscle mass and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really grow and bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a fire greatsword and he also gave her a phoenix tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lynn and Lola a lot with using lava and fire, and Pele Vulcania despises Chandler, Artie, and Trent with a blazing passion because of all the pain they caused to Lincoln, his friends, and family, and she swore to throw them into a pit of lava and let them be melted by the lava.

WE GASPED!

Me: Yikes...!

Nico: We already took down Artie and Trent along with Dodge and the Dodgeball Bullies and Lincoln turned them into gold statues months ago.

Lincoln: That's true, but Pele knew that Artie and Trent were never going to change at all, and what we saw months ago proved it.

Me: That is true.

Deker: I don't know what's more scary. Batman smiling, Batman telling a joker or Joker going into the Black Abyss with a laugh

Abis Mal: Possibly all 3

Motor Ed: Either way, Joker's gone. Seriously

Me: And we got justice and avenged all those that the Joker killed! The Joker can never terrorize all of Gotham ever again. Now Gotham and us can rest easy now that the Joker is dead forever.

Nico: Thank God!

Batman: I know a good restaurant at Gotham we can celebrate in

Tigerr: I would like that Uncle Bruce.

Nergal: And I'll bring pizza too

Me: Good idea. I'm starving.

Nico: Me too. Great job today everyone.

Me: Thanks.

Batman: (To the viewers) This was a really awesome adventure everyone. Hope you all liked it.

We then started walking towards where Batman was going. All except Deadpool, who was looking at the sky

Mojo: (to Deadpool) Deadpool? Are you coming?

Deadpool: You guys go. I'll catch up.

Mojo shrugs and went to join us.

Deadpool: (solemnly) We made you proud, Kevin. You can rest now. And you as well Heath Ledger.

With that, Deadpool went to join us

THANK YOU KEVIN CONROY! AND YOU TOO HEATH LEDGER!

THANK YOU!

We went to the Park Row restaurant and had a great meal with pizza too. It was a great time in Gotham now that the terror of the Joker had been silenced forever.

We returned home, and hours later, night fell on the city, and Lincoln's harem and Guardian Angels were heading to the hot springs in Lincoln's room.

Lily the Mermaid: We finally did it, Joker is finally gone forever!

Anna Anyanova: He got what he deserved, we destroyed The Joker and banished him to The Black Abyss forever and ended his legacy forever.

?: (Beastly Gruff Manlier Voice) After so many years of causing death and chaos in Gotham, Joker finally got what he deserved, and now, he will never hurt anyone again.

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there in the hot waters of the now expanded hot springs was Lincoln in the hot waters, but they also saw his towel was on the rack along with his orange speedo, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Beastly Gruff Manlier Voice)(Flexes his massive arms and his massive biceps bulged even more with more veins forming)(Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln as they stripped off their clothes leaving them in their two-piece bikinis and they joined Lincoln and the hot water's minerals really did wonders for them. Then, they went to the massive expanding sauna, and the hot steam really did wonders in opening their pores.

Finally, they got out and the girls were on top of Lincoln as they kissed passionately.

Girl Jordan: (Rubs Lincoln's massive pecs)(Seductive Voice) My

God, you're still the same intense kisser from long ago, and getting pumped full of Regina Fessterox's Perfect Gene-Slammer serum and Perfect God serum and Savage Serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility and fertility growth serums and potions has already gotten you ready for another...passionate night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Then, Lincoln wrapped his arms around Lily the Mermaid's waist and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and she had her hand on his towel around his waist about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Beastly Gruff Manlier Voice) (Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

THE END

Courage, a group of courageous girls who are the Avatars and Gene-Slammers of The Laval Duel Monsters and they're born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and their goal is to protect and defend Lincoln from his enemies, and they are the bravest, strongest, and courageous of Lincoln's Guardian Angels. No one was able to defeat them in battle, and if they dared to anger them, they were going to get burned in a pretty nasty way. Pele Vulcania came to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval Warrior, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Pyrokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval Warrior, and Lincoln was already born with immortality and invincibility, and she also helped him grow and seriously bulk up in muscle mass and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really grow and bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a fire greatsword and he also gave her a phoenix tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lynn and Lola a lot with using lava and fire, and Pele Vulcania despises Chandler, Artie, and Trent with a blazing passion because of all the pain they caused to Lincoln, his friends, and family, and she swore to throw them into a pit of lava and let them be melted by the lava.

Next up is Green Arrow's day to shine and we're going to take on his enemy Malcolm Merlyn.

See you all next time.

ARCHERY OF MALCOLM MERLYN

Green Arrow's day to shine

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, and he had a dream as it took him to a distant galaxy, and there he saw what he couldn't believe: he saw a planet of endless silver and protected by powerful omnipotent angels, the males who spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters, but they also had immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of silver, and the ability to grow even stronger, and they were given incredible godly powers and immense virility and male fertility, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to their planet where he would meet the males and when he'd arrive, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the males into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of silver times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb their planet and its core into his body and their planet's Sun into his body to preserve their legacy.

Lincoln woke up.

Lincoln: Holy moly, what on Earth Omega was that?!

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) No way, that world you saw, that was Silveraira, a planet of endless silver in The Forbidden Zone, and protected by powerful omnipotent angels known as The Silverairans, the males who spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters, but they also had vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, regeneration, superhuman durability, immense virility, superhuman senses, superhuman speed, superhuman endurance, and immense omnipotent powers of silver, and the ability to grow even stronger, and they were given incredible godly powers and immense virility and male fertility, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to their planet where he would meet the males and when he'd arrive, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the males into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of silver, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb their planet and its core into his body and their planet's Sun into his body to preserve their legacy.

Lincoln: Whoa! A planet of endless silver! That's so awesome!

Lincoln got up and got dressed, and he left a note explaining it, and he headed to Thanksgivingaraira.

Lincoln landed on Planet Silveraira, and it was everything he saw in his dream and his rainbow energy aura exploded as he grew stronger.

Lincoln: Whoa! So, this is Silveraira, it truly is an awesome Thanksgiving-themed planet.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) It's still as beautiful as ever.

?: (Strong Manly Voice)(Divine Heavenly Godly Voice) You have arrived, Lincoln Loud.

Suddenly, Lincoln saw a strong-looking man who was really tall at 950'11" with abnormally massive and powerful upper and lower body muscles and twelve-pack abs, he was shirtless with a silver sun and moon on his chest, he has long silver hair going down to his shoulders, silver eyes, silver angel wings, he has on a silver loincloth, and black sandals, and this was someone Lincoln recognizes all too well.

Lincoln: (GASPS) Sawyer Silveraira, King of The Silverairans of Planet Silveraira.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln, you know him?!

Lincoln: I do, he's the father of my Guardian Angel, Sabrina Silveraira. (GASPS) Now, I remember, I've been here before to Silveraira eight years ago.

Then, all of the other septillions of trillions of male Silverairans came to Lincoln.

Sawyer Silveraira: That's correct, you came here eight years ago when my daughter wanted to introduce me to you. (Smiles) You've grown that much stronger and taller, you're now as tall as me, and you're also even more muscular than all of us males, and it's no wonder my daughter couldn't even keep her hands off you as you grew into the man she and the others had helped you become.

Lincoln had an embarrassed blush on his cheeks and muzzle as Sawyer Silveraira chuckled.

Lincoln: And there's something I need to tell you.

Sawyer Silveraira: I know. You had the dream, it's time.

Lincoln: Yes, it is.

Suddenly, Sawyer Silveraira chanted an ancient incantation and a magic circle appeared below Lincoln's feet and it glowed with incredible power.

Sawyer Silveraira: Do not worry, we will always be with you, Lincoln, now and forever. Our legacy will be preserved within you.

Suddenly, Sawyer Silveraira and the other septillions of trillions of male Silverairans embraced Lincoln, and one by one, they began entering his body and they merged with him as he absorbed them: mind, body, and soul, and that led to Lincoln suddenly gaining an infinitely astronomical massive power boost and he gained their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of silver, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, second smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips of his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! This feels incredible. RRGH!

When it was all done, Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces, animals, and mythological beasts and rainbow protective aura and holy white aura was raging like a really massive wildfire and he has a silver aura with silver coins surrounding him as he pounded his chest like a gorilla.

Lincoln: Whoa...! (GROWLS) This feels so incredible!

Suddenly, Lincoln flexes his massive muscles as his massive biceps bulged even more with veins forming and the image of tank turrets firing formed on his massive biceps and the image of cannons firing formed on his massive pecs.

Lincoln: (GROWLS) RRGH! Ooh yeah, this is so awesome! (WOLF ROAR)

Sawyer Silveraira: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Letting the beast out, all the males of the Forbidden Zone planets including us do tend to do that on many occasions to show our virile dominance which made the many females swoon over us.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln's grown that much bolder and confident thanks to his Guardian Angels, now there's one last thing for you to do, Lincoln.

Lincoln flew deeper and deeper into the planet, and he found it: the core of Silveraira, the inner and outer cores of the planet and the million other planets consisted primarily of iron and nickel and are

extremely infernally hot with the temperature at more than 999,999,999,999,999,999,999,999,999,999 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the core of Planet Silveraira, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core and the planet itself into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, second smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals

and his rainbow protective aura and holy white aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space.

Then, he flew into Silveraira's massive Sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, second smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips of his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla and he was sweating even more.

Lincoln: Now, that was so incredible! (Flexes his massive arms and his massive biceps bulged even more with veins forming)

(GROWLS) RRGH! (Smirks) My harem's going to be in for one awesome surprise along with the others.

Lincoln disappeared in a flash of light and came back to his room, and as soon as he did, his harem were up and they got his note along with sensing his sudden energy and power surges.

Lily the Mermaid: We got the note, and you explained everything. Plus, we also felt your sudden energy and power surges. (Smirks) (Rubs Lincoln's massive pecs) And you're even more insanely ripped than ever and full of even more infinite energy.

Lincoln: (Seductive Wolf Growl)

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him, but it suddenly became even stronger due to the powers of the Eroticairans of Planet Eroticaira he has and his primal urges went wild.

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Suddenly, Lincoln pounced on his harem and he was on top of them and they were on his bed.

Lily the Mermaid: Whoa...! (Thinking) Now, he's really REALLY AROUSED!

Then, he kissed all of them passionately on the lips as they engaged in a hot make-out session, and when they were done making out, the girls had massive atomic red blushes on their faces, hearts in their eyes, and their noses were gushing out blood like fountains!

Girl Jordan: And that much more passionate and even more hotter than ever.

Suddenly, Lincoln's room glowed and expanded even more: his gym had expanded with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for him and his expanding harem, and massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Anna Anyanova: That was the surprise you had planned for us. But, you're gonna have to explain it tomorrow.

Lincoln: I will. (Smirks Seductively) Now, then, where were we?

Lincoln and his harem had another intense and passionate lovemaking session, and they went back to sleep a few hours later. Then, as morning came, Lincoln, his harem, and his kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night,

Lincoln, all of us did.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) I knew you'd be the first to react, J.D., let me explain.

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome!

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome!

J.D. 2: This was no ordinary planet. Lincoln, do you have a book about the world you went to?

Lincoln ran to his room and flew to the top of his massive vast collection of libraries and found the very book and brought it to J.D. 2.

J.D. 2: I knew it.

He opened the book, and we saw it: the planet Lincoln saw in his dream.

Me: Whoa! what is that place?

J.D. 2: This, J.D., is Silveraira, a planet of endless silver in The Forbidden Zone, and protected by powerful omnipotent angels known as The Silverairans, the males who spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters, but they also had vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, regeneration, superhuman durability, immense virility, superhuman senses, superhuman speed, superhuman endurance, and immense omnipotent powers of silver, and the ability to grow even stronger, and they were given incredible godly powers and immense virility and male fertility, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to their planet where he would meet the males and when he'd arrive, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the males into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of silver, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb their planet and its core into his body and their planet's Sun into his body to preserve their legacy.

He finished and returned the book to Lincoln's room, but we were immediately stunned.

Me: WHOA! So, now there's also planets based on the metals that The Alchemy Beasts represent?!

Nico: That's actually pretty impressive. Lincoln, do the Silverairans also have the powers of darkness like Alchemy Beast - Moonface the Silver?

Lincoln formed a silver ball and it had darkness surrounding it.

Lincoln: To answer your question, yes, they also have the powers of darkness in addition to silver.

Me: That means, the warrior angels on those planets of the metals The Alchemy Beasts represent, they also have the omnipotent powers of Fire, Wind, Water, Earth, Light, and Dark in addition to the omnipotent powers of Silver, Gold, Tin, Mercury, Lead, Bronze/Copper, and Steel/Iron.

Lincoln: That's right.

Me: We'll be right back guys. Me and Carrie are going to Tartarus Canyon and Carrie has something she wants to say to her so-called mother.

Nico: I have a feeling I know what it is. Be careful.

Me: We will.

We were off.

* * *

At Tartarus Canyon Mental Institute, we walked in and we were greeted by one of the doctors there.

Amy Amygdala: Glad you can come. I'm Dr. Amy Amygdala, Chief Neurologist and Psychologist here at Tartarus Canyon.

Carrie White Loud Knudson: Pleasure to meet you. I'm here to see my mother Margaret.

Amy Amygdala: Ah she is our most violent patient. Right this way.

We followed her.

Amy Amygdala: Margaret is easily one of the most violent individuals here that we have seen. She has the most damaged mind we've ever laid eyes on.

Me: I can see why.

Amy Amygdala: Yeah. She has the worst case of Schizophrenia and the worst cases of Delusional and Religious Ideation Disorders we have ever seen.

Me: Yikes. That is awful.

Amy Amygdala: I know. She is far too dangerous to be let out among the general population.

We arrived at her cell and Amy pressed a code and the wall converted into a talking window.

Me: That is cool.

Amy Amygdala: Margaret you have a visitor.

She came over and saw her daughter.

She was in really bad shape and Carrie saw Chris a mess too.

Carrie: Hello mother.

Margaret: (Laughing crazily) Hello my daughter.

Carrie: I have something to say to you so you better listen good. I believe in God and I won't deny that. But the way you view everything is completely unforgivable and unacceptable! Because of you and your insanity and your abuse made me snap and because of you and Chris, you made me kill 275 innocent people during what should have been one of the happiest days of my life! In a massive bout of rage, I destroyed an entire town and burned it all to the ground! You know what Chris did to me? SHE DUMPED A BUCKET OF PIGS BLOOD ON ME AND HUMILIATED ME AND MADE A TOTAL FOOL OUT OF ME! DROPPED THE BUCKET OF THE BLOOD ON TOMMY ROSS'S HEAD THAT KILLED HIM! YOU MADE MY LIFE A LIVING HELL! ALL I WANTED TO BE WAS NORMAL AND YOU WOULDN'T GIVE ME THE CHANCE TO DO THAT! YOU TORTURED ME, LOCKED ME IN THE CLOSET FOR HOURS, LEFT ME TO STARVE, COVERED ME IN BRUISES AND SCARS AND BROKEN BONES! YOUR INSANITY AND YOUR OBSESSION WITH RELIGION NEARLY KILLED ME! EVERYTHING IS ALL YOUR FAULT! AND TO MAKE THINGS WORSE, YOU TRIED TO KILL ME AND CLAIM IT WAS THE ONLY WAY TO SAVE MY SOUL! IN TRUTH IT WAS YOU THAT NEEDED SAVING! YOU ARE ONE OF THE MOST INSANE AND MOST MENTALLY DAMAGED PEOPLE I'VE EVER KNOWN IN MY LIFE! YOU ARE NOTHING BUT A DAMAGED AND BATTERED WOMAN THAT VIEWS THE WORLD AS HELL AND YOU THINK YOU'RE THE ONLY ONE THAT CAN SAVE IT! WELL NEWS FLASH YOU CAN'T! I am done being your personal punching bag all for your own sick pleasure and your psychotic and delusional beliefs! As of this moment I am no longer your daughter! I am renouncing you as my mother and I am going to be Carrie White Loud Knudson! J.D. is just as amazing as Tommy is and he is strong and amazing and kind and has been there for me like Lincoln and his siblings have been! I don't want to ever see you ever again Margaret! You hold no power over me now! I want you to suffer the same thing I had and I want you to remember this when you're in hell, You lost to me and I am free! You will never control me again! Goodbye forever!

THEN MARGARET EXPLODED INTO A MASSIVE FULL BLOWN PSYCHOTIC MADNESS RAGE! SHE SCREAMED AND YELLED AND WAS ENRAGED BEYOND ALL WORDS!

The guards came and held her and they knocked her out. Over 1,000 tranquilizer darts then fired and hit her and she was knocked out more.

Me: GEEZ! She is really fucked up in the head.

Carrie: She deserves to rot in here.

Me: Well done though Carrie.

Carrie: Thanks.

Chris Hargenson: You..

Carrie: Shut up Chris! I don't have anything to say to you bitch! Fuck off!

Me: Yeah!

We left and the wall reverted back.

Amy Amygdala: Way to tell them both off guys.

Carrie: Thanks. That felt really good.

Me: Yep.

We left and went back home.

Me and Carrie went to get some coffee.

We came out of the coffee shop.

Me: Feel better Carrie?

Carrie: I sure do.

Me: You know what would make this more awesome? Crackhouse Goofy getting his butt kicked all over. The guy is an ugly cow and he is such a complete and stupid moron! No wonder why Disney fired him! He's such a freak and buttfaced moronic mule with a brain the size of a subatomic particle and he is dumb as Richard Watterson.

WE LAUGHED!

Crackhouse Goofy came and he was REALLY PISSED!

Crackhouse Goofy: I WILL FUCKING KILL YOU!

But then...

LOUD MASSIVE THUNDEROUS CRASHES!

He was hit all over by a cruise ship, a bus, a dead giant, numerous dead whales, depth charge mines that exploded and was mauled ferociously by bears, lions, tigers and more animals.

HE WAS REALLY MANGLED UP BRUTALLY!

Me: OUCH!

Carrie: Nice one!

We went back home.

Green Arrow woke up to see Mega Decidueye staring at him.

Mega Decidueye: Morning Ollie!

Green Arrow: Morning Mega Decidueye.

Mega Decidueye: It's time for breakfast.

Green Arrow: Be right there.

He got up and got dressed and went to the table.

Me: Morning Ollie.

Black Canary: Morning Ollie.

Green Arrow: Hey guys.

Me: You ready to make evil fail this city?

Green Arrow: You better believe it!

Me: Awesome!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his large gold halo and smaller halo with intricate designs made of light and The Sun and The Moon in it in the center and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Alec Cataldi's Akuma, Wishmaker, and he's on the planet, Brambledaira.

Adrien: Oh no, Wishmaker!

Lincoln: Let me separate Alec Cataldi from Wishmaker.

Lincoln's eyes glowed, and we saw in a one-way viewing mirror Alec Cataldi being separated from Wishmaker.

Nico: Nice one, Lincoln, and the way your eyes glowed, I would've thought you'd snap your fingers for that.

Me: This is one of his new purifying powers when it comes to Akumas.

Lincoln: That's right, I also now have the power to purify those who were turned into Akumas, along with purifying those infected by darkness, and for the planet, he's on Brambledaira.

Shanan: Brambledaira?! Oh man, that's another scary jungle planet!

Lincoln: Yep, so I'll be guiding you guys through Brambledaira since I'd been there eight years ago and have a Guardian Angel there as well.

Braeden Carnes: Just how many Guardian Angels do you have on the planets of The Forbidden Zone?!

Lincoln: You don't want to know. Alright, now let's finish breakfast and head to Brambledaira to take down Wishmaker.

Nico: Got it.

We finished breakfast, and we headed to Brambledaira to help The Sailor Soldiers unlock their Rainbow Power and take down Wishmaker.

We were off.

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 14252.4: The U.S.S. Valorous Phoenix is en route to the scary jungle planet Brambledaira and we're heading there to battle Wishmaker. Our mission is to battle him and send him to the M.O.E.

Me: Boy this will be interesting.

Xenia: I know.

Carrie: I'm going to have fun on this one.

Qin: We all are.

Me: Yep.

Magma Dragoon: I'm ready for some action.

Nico: Magma Dragoon, I want to thank you, Ugly Monster, and your teams for coming.

Magma Dragoon: No problem Nico. I'm ready for some action.

Me: Awesome.

Flannery: I'm ready for some fun too.

Qin: We all are.

Flannery: This is gonna be hot hot hot!

Nico: Flannery, how are things at the Gym?

Flannery: Very fun and hot. I check up on the gym and make sure everything is okay there.

Me: That's good.

Flannery: Yeah it sure is.

Me: Being a Fire Pokemon master you must get sweaty a lot.

Flannery: I do. And it's good.

Me: Yeah. But sweat stinks.

Lola: Yep.

Nico: Yeah.

May: I remember when we first visited there

Ash: That was so awesome.

Brock: I'll say!

Me: I can tell you guys had a lot of fun on that one.

Qin: Yeah.

Ash: We sure did.

Me: (Sighs in happiness)

Nico: What is it?

Me: I'm just happy now that we never have to see Lex Luthor and The Joker ever again.

Nico: We're you okay, Deadpool? You lagged behind while we were in our way to dinner.

Deadpool: Don't worry about it. I'm fine now.

Jamesdean5842: He was just paying his respects to Kevin Conroy and Heath Ledger because of how they did Batman and The Joker long ago.

Deadpool: Yes it's true.

Nico: Oh man.

Maria: Now people will be less afraid of going to bed knowing that monster is finally gone

Me: And that Gotham is rid of the shadow of the terror of The Joker.

Batman: He was a very formidable foe.

Tigerr: And a dangerous one. But he put up a good fight with us uncle Bruce.

Batman: He sure did.

Me: Yep.

Ymir: How did the Joker become like that?

Me: He fell into a vat full of chemicals and it made him COMPLETELY Insane! Turning him into the most fucked up monster Gotham ever had, THE JOKER!

Nico: Yep.

Ymir: Geez!

Qin: Yeah.

Batman: His real name was Jack Napier

Ymir: I heard about him being a gangster before too.

Me: That's right. This was before he became The Joker.

Ymir: Oh man. I can't believe he was that evil.

Me: That is an understatement.

Spike the Dragon: You know who else was like the Joker? The Mane-iac.

Ymir: The Mane-Iac?

Spike showed the Power Ponies Comic.

Spike the Dragon: The Power Ponies most evil archnemesis. She was the powermad owner of a cosmetics factory. A tragic accident at her shampoo factory not only caused her mane to get strange new powers but also caused her to become COMPLETELY INSANE!

It showed that she was a purple pony with blue hair and blue eyes and fell off a balcony after the rail broke and she fell into a vat of shampoo and electrical wires fell into it too and electrified her and she became a Pony-esque version of the Joker! Green skin, piercing red eyes and flailing green hair surging with intense electricity and she had a Joker Grin on her face.

Ymir: Oh man! That is awful!

Me: She's not as dangerous but she is just as fucked up in the head as the Joker.

Qin: Yep.

Twilight: We fought her before

Me: Yep. Rarity no offense but I don't think you should go into the world of Shampoo or Cosmetics in the future.

Rarity: None taken but I would much rather stick to fashions.

Pipp Petals: Just leave all that stuff to me. I know just what to do.

Me: Yep. And Spike you know what I think, The Power Ponies would be perfect for the team too.

Spike the Dragon: I agree there. The Mane-iac would be perfect for the M.O.E. too.

Me: We only fought her a couple of times. But yeah she is not as evil as the Joker though.

Nico: No the Joker was worse. But we'll consider it.

Spike the Dragon: Awesome!

Me: Yep. And Bruce your Akuma was as fucked up as Dr. Langstrom!

Stacy Stalactite: The one I normally face.

Nico: How the Hell did we not see him?

Me: Actually we did Nico. He can take on different forms.

Nico: Oh. Yeah.

Me: That was crazy though.

Nico: It was.

Lisa Loud: We have arrived at our destination!

Nico: On screen.

We saw that we were at a green planet.

Me: Whoa so that's Brambledaira.

Nico: Cool!

We got to landing and got out.

We arrived on Brambledaira, and it was everything Lincoln said and his rainbow energy aura exploded as he grew stronger, same with all of us.

Me: Whoa! So, this is Brambledaira, this place sure is an immense jungle!

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) I've heard of the stories of Brambledaira, and like many other planets that hadn't been invaded by The Infernairans, it's a place full of life.

Lincoln: And guarded by the warrior angels, The Brambledairans.

Me: Yep.

Qin: Wow! Look at this place.

Nico: Amazing.

Me: Wonder why it's a forbidden planet.

May: Yeah.

May then tripped and fell into a BRAMBLE BUSH!

STAB STAB STAB STAB SHEEN SHEEN SHEEN!

May: YEOW! OWOWOWOWOWOWOW! OW OW OW OW!

May emerged covered in bramble thorns and vines and she was really hurting all over!

Me: Oh that's why!

Nico hugged May.

Me: Geez!

We got the bramble thorns and vines off her and healed her up.

Varie: Boy these are sharp aren't they.

Me: No kidding!

May: Boy this place really hurts a lot.

Me: You thought that was painful remember what Eddy, Lincoln, Rolf and Carmen went through when they had to crawl through a bramble bush naked?

Nico: How can I forget?

Me: That hurt like a son of a bitch!

Naomi Necroshade: YIKES!

Carrie: Ouch!

Eddy: Yeah no kidding!

POINK!

May: OW!

May had a stickerball pulled off her.

Varie: Yeah no kidding there.

Manaphy: Are you okay, Mama?

May: I'll be fine.

We pulled out the stickerballs and thorns and vines.

We put iodine on them.

Me: There. These hurt bad as getting hit with Cactus Balls.

Nico: You're telling me.

?: (Strong Manly Voice) (Divine Heavenly Godly Voice) You have arrived, Lincoln Loud.

Suddenly, Lincoln saw a strong-looking wolfman who was really tall at 950'11" with abnormally massive and powerful upper and lower body muscles and twelve-pack abs, he was shirtless with a green sun and moon on his chest, he has long green hair going down to his shoulders, green eyes, massive green angel wings, he has on a green loincloth, and black sandals, and this was someone Lincoln recognizes all too well.

Lincoln: (GASPS) Branden Brambledaira, King of The Brambledairans of Planet Brambledairaira.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln, you know him?!

Lincoln: I do, he's the father of my Guardian Angel, Bridget Brambledaira, and I've also been here to Bloodmoonaira eight years ago.

Then, all of the other septillions of male Brambledairans came to Lincoln.

Branden Brambledaira: (Strong Manly Voice) That's correct, you came here eight years ago when my daughter wanted to introduce me to you. (Smiles) You've grown that much stronger and taller, you're just as tall as me, and you're also even more muscular than all of us males, and it's no wonder my daughter couldn't even keep her hands off you as you grew into the man they and the others had helped you become.

Lincoln had an embarrassed blush on his cheeks and muzzle as Branden Brambledaira chuckled.

?: Oh man, Linky, you're here!

Suddenly, we saw a beautiful girl who was tall at 250'11" in height, she as the body of a goddess and large breasts, fair skin, long green hair, green eyes, she was dressed in a green two-piece bikini, she has massive green angel wings, and she has a nature greatsword in her right hand.

Lincoln: (GASPS) Bridget Brambledaira, Queen of The Brambledairans of Brambledaira.

Me: You know her, Lincoln?

Lincoln: Indeed I do, J.D.

Anna Anyanova: And so do we, this is Bridget Brambledaira, Queen of The Brambledairans of Planet Brambledaira, she's Lincoln's Guardian Angel from Planet Brambledaira, a scary jungle planet inhabited by powerful warrior angels known as The Brambledairans, the males who'd spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters, but they also had vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, regeneration, superhuman durability, immense virility, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of brambles, animals, plants, jungles, forests, flowers, and nature, she's The Queen of The Brambledairans of Planet Brambledaira, and she's also far more powerful than her own people: in addition to being a natural born fighter and having vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, regeneration, superhuman durability, immense virility, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of brambles, animals, plants, jungles, forests, flowers, and nature times infinity, and the ability to grow even stronger, but she was also born with angel wings, vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, regeneration, superhuman durability, immense virility, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of brambles, animals, plants, jungles, forests, flowers, and nature times infinity, and like with Almightairaia, her people drove off The Infernairans, and they had the dream: when The Reincarnation of Amaterasu was forever purified, the Almightairairans would send a message to him in a dream inviting him to Almightairaira where he would also meet The Brambledairans and when he'd arrived, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the septillions of trillions of male Brambledairans into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, regeneration, superhuman durability, immense virility, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of brambles, animals, plants, jungles, forests, flowers, and nature times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb Brambledaira and its core into his body and Brambledaira's Sun into his body to preserve their legacy. Bridget Brambledaira came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the immense powers of immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, regeneration, superhuman durability, immense virility, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of brambles, animals, plants, jungles, forests, flowers, and nature times infinity, and the ability to grow even stronger, and all the powers of her people, and over time, Lincoln gained even more immense superhuman strength, immense regeneration, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of brambles, animals, plants, jungles, forests, flowers, and nature times infinity times infinity, and the ability to grow even stronger, and the ability to grow even stronger, and all the powers of The Brambledairans times infinity, and he was already born with immortality and invincibility and his powers also grew infinite-times stronger, and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility and male fertility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln had undergone the rite of The Reincarnation of Amaterasu absorbing the septillions of trillions of male Brambledairans gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, regeneration, superhuman durability, immense virility, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of brambles, animals, plants, jungles, forests, flowers, and nature times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, Lincoln absorbing Brambledaira and its core and Brambledaira's Sun into his body to preserve their legacy. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a blazing passion, and she swore to use the power of Brambledaira to make them suffer all the terrors of Brambledaira.

Lincoln: And there's something I need to tell you.

Branden Brambledaira: I know. You had the vision, it's time.

Lincoln: Yes, it is.

Suddenly, Branden Brambledaira chanted an ancient incantation and a magic circle appeared below Lincoln's feet and it glowed with incredible power.

Branden Brambledaira: Do not worry, we will always be with you, Lincoln, now and forever. Our legacy will be preserved within you.

Suddenly, Branden Brambledaira and the other septillions of male Brambledairans embraced Lincoln, and one by one, they began entering his body and they merged with him as he absorbed them: mind, body, and soul, and that led to Lincoln suddenly gaining an infinitely astronomical massive power boost and he gained their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, regeneration, superhuman durability, immense virility, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of brambles, animals, plants, jungles, forests, flowers, and nature times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and incredible godly powers and immense virility and male fertility, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo with intricate designs and The Sun and Moon made of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs and The Sun and The Moon made of light hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! This feels incredible. RRGH!

When it was all done, Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces, animals, and mythological beasts and rainbow protective aura and holy white aura was raging like a really massive wildfire and he has a green aura with leaves and brambles surrounding him as he pounded his chest like a gorilla.

Lincoln: Whoa...! This feels so incredible!

Suddenly, Lincoln flexes his massive muscles as his massive biceps bulged even more with veins forming and the image of tank turrets firing formed and volcanoes erupting on his massive biceps and the image of cannons firing and volcanoes erupting formed on his massive pecs.

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln: (GROWLS) RRGH! Ooh yeah, this is so awesome!

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Branden Brambledaira: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Letting the beast out, all the males of the Forbidden Zone planets including us do tend to do that on many occasions to show our virile dominance which made the many females swoon over us.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln's grown that much bolder and confident thanks to his Guardian Angels.

Nico: That's for certain, and the girls in his harem wind up getting driven wild and wind up getting aroused even more from every single act of manliness Lincoln displays.

Me: And all that's left is for him to absorb your planet and its core along with its Sun into his body, and wait, you also included immense virility and fertility as well? That means...!

Bridget Brambledaira: We knew Lincoln's quite the virile stud since he was born with hyperpuberty, and the genes of his parents and his own extremely high virility, fertility, testosterone, extreme levels of libido, and excessive sex drive, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes and constant years of training, he gained the powerful and massive body that all bodybuilders could only dream of: the body of all the male Gods and the ancient male warriors of ancient times and bodybuilders of history combined, and that along with his personality, gentleman nature, and noble heart, he'd attracted tons of girls, and every lovemaking session he has with his harem, his future wives winds up getting impregnated by him in less than a second, and it doesn't take long for the effects of pregnancy to kick in, which are much faster than ever.

Rita: We had no idea about it before. But, during Lincoln's check-ups with Dr. Feinstein, he did show us all of what you just told us.

Nico: Wow...!

Bridget Brambledaira: I know that shocked you all especially Regina's journal about Lincoln's health reports, but everything I told you is all true, and it's good to see you again, Lincoln, but wow, you've really grown a lot in height and muscle mass since last I saw you.

Suddenly, Lincoln pinned Bridget Brambledaira to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Bridget Brambledaira with green gems on the gold lightning bolts and green crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up and he kept her close to his body as she took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

But, then, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle and beside his left and right thighs and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Eli: What's this?! Lincoln's power is rising even more like what happened.

Bridget Brambledaira: That's my special gift to him: Brambledaira's Blessing of Divine Nature Jungle Power Justice, and each of the Forbidden Zone Planet Queens have given him our individual blessing when he fed on our blood. (Still rubs Lincoln's massive pecs) And who could've guessed the 11-year-old boy I met long ago would grow up into a 950'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln let out a wild growl as he wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Bridget Brambledaira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Brambledairans both males and females were extremely passionate when it came to sex and lovemaking.

Lily the Mermaid: Ooh boy.

Lincoln: That'll be for much later.

Poliwag was about to lick them

Nico grabbed him.

Nico: Poliwag don't like the thorns and vines. Those will hurt.

Me: Yeah no kidding.

Lincoln: Okay, guys, we're in for one intense battle, we're here on the planet of Brambledaira to help The Sailor Soldiers unlock their Rainbow Power and take down Wishmaker.

Me: With what you did in separating Alec Cataldi from Wishmaker, that makes things much easier.

Nico: That's for sure. Time we showed that evil Akuma what happens when he crosses us.

We had all of TLPS and The M.O.E. with us.

Eli: Those two, I don't understand why they have to be violent.

Nuju heard a Pokemon cry.

Nuju: Look guys!

We saw a Shellder.

Me: Hey a Shellder.

Misty: Aww it's cute.

Ash: Reminds me of the one I had to help Nurse Joy with in Sunny Town.

Me: With that bridge that was being terrorized by that biker gang?

Ash: That's it.

Me: I remember meeting Tyra and her gang on my Rapidash going over there.

Qin: Wow!

Nico: Yeah.

Nuju: Oh the poor thing looks hungry.

Shellder: I sure am.

Nuju gave it apples.

Shellder: Thank you.

Shellder ate them.

Nuju: You're welcome. Want to come with me?

Shellder: I would be honored.

Poromon: YAY!

Poliwag: Wanna have a lick off?

Shellder: Depends on what you have.

Poliwag: Okay then. I'll think of something.

But then a roar was heard and out came a Rillaboom!

Me: WHOA! A Rillaboom!

Nico: Where did that come from!?

Me: Must be one of Dark Gale's work.

Sheena: And that one is a girl named Valaria Wildmutt. She is half Vulpimancer.

Me: WHOA! She's one of Wildmutt's kind!

Wildmutt roared!

Nico: Gonna be hard to talk to her

Me: If it were an Evolved Vulpimancer it would be understood.

Nico: Yep.

We went over.

Wildmutt talked.

Me: Calm down kid.

She used Drum Beating on Horsea but she put her clone in front of her

BONG BONG BONG BONG BONG BONG BONG BONG!

Donkey Kong: A drumming partner!

Donkey Kong bashed and pulverized Rillaboom!

BONG BONG BONG BONG BONG BONG BONG BONG BONG BONG BONG!

Me: COCONUTS AND DRUMS GALORE!

Qin: YEAH!

Horsea: HA!

I snapped my fingers and she reverted back. She had orange hair and orange eyes and had orange angel wings and had Rillaboom on her forehead and had the planet Raxus Prime and Wildmutt on her arm as a cutie mark.

We wrapped her in a blanket and brought her over.

Me: There we go. Wait.

I looked at her arm.

Me: That's the planet Raxus Prime.

Anakin: Raxus Prime is a garbage dump world.

Me: So is Vulpin so that does make sense though.

She woke up to see Horsea's smiling face.

Valaria Wildmutt: (Groans) Huh? A Horsea?

Horsea: You hit my clone!

Valaria Wildmutt: Oh man sorry.

Me: You were turned into a Rillaboom by Dark Gale.

Valaria Wildmutt: Oh man I was battling those rogue members of my kind that escaped from the Null Void.

Ben: You mean those Vulpimancer Criminals? I remember them.

Me: I heard Phil released them a long time ago.

Nico: Yeah.

Poromon: Good thing you can speak English

Valaria Wildmutt: I know. Also I gave a keen sense of smell and can use thermal imaging.

Me: Cool!

Valaria Wildmutt: Yep and Nico I can smell sandwiches and chowder on you. You ate May's food when she wasn't looking did you.

Eli: Excuse me you two but I must discipline the nannygoats!

KRABLANG!

He bashed their heads together!

May and Nico: OW!

Nico kissed her.

Smooch!

May: Aww Nico.

Me: May not now.

Rarity: Lets get you some new clothes darling.

The fashion brigade gave Valaria new orange clothes and an orange sword.

Valaria Wildmutt: I look amazing.

Me: You sure do.

Nico: We're back to fighting Akumas on rescues

Me: Yep. But it's fun.

Lincoln: That's enough, stand down.

They obeyed him and stood down.

Fluttershy: Amazing.

Then, Lincoln flew right at Wishmaker and grabbed him by the throat with his right hand and threw him into a nearby massive tree with really immense godly superhuman strength and the tree was immediately uprooted and it fell down to the ground with a thunderous thud.

Me: WHOA!

Then, we landed as Wishmaker got out of the rubble.

Wishmaker: (Growls) How dare you get in my way, Team Loud Phoenix Storm?!

Me: We have that kind of impression.

Qin: Yep.

Ruby Rose, Weiss, Blake, Yang, Jaune, Nora, Pyrrha, Ren, Emerald and Ulrich Used their rings and blasted him all over.

Valeria Wildmutt: Lets show him some Vulpimancer power.

Wildmutt agreed.

Valeria and Wildmutt: VULPIN CLAW BLAST!

They fired waves of claw energy and slashed Wishmaker all over.

Shellder charged at him and blasted him with energy balls.

Me: YEAH!

NIco: Show me what you got!

Wishmaker: My pleasure!

He then showed us a window into the future and we saw us in the White House and I am the president and Nico was right beside me and May, Maria, William, Lincoln and us were there.

Me: Wait is that me sitting in the Oval Office!?

Wishmaker: Yep. In 1 year you guys destroyed Anti-Monitor. And J.D. You are 50th President of the United States and Nico is the Vice President.

Nico: COOL!

Me: WOW! But to be honest I don't know ANYTHING about Politics.

William: Hey, you've helped defuse plenty of conflicts before.

Me: That's true. But I don't know how to run a country or the government or anything about being president.

Wishmaker: Maybe so but you are leader here. Maria is the

Secretary of Agriculture, May is the Secretary of Education, Lincoln is the Attorney General, William is the Secretary of the Department of Homeland Security and Aylene Carter is made as Secretary of Defense.

Me: WOW!

Lincoln: Wow me as United States Attorney General!? That is cool! My backup plan in case I failed to be a comic book author was to work for the police force.

Me: That is awesome!

Varie: And me and J.D.'s wives are all the first ladies.

Wishmaker: That's right.

Me: Cool!

Wishmaker: You brought world peace and ended world hunger and brought thousands of planets together with Earth Omega.

Me: Wow! That 2nd one we already did thanks to Flint Lockwood and his invention and our ingenuity.

Wishmaker: True and Nico your daughter Videl has taken the position of Leader of the team while you guys are in the white house.

Nico: WOW! I passed the torch on to Videl! That is awesome!

Mevya saw this.

Mevya: Uh oh.

Mevya hid with Kevin.

Me: Oh boy.

Me: She's a cat digimon what did you expect?

Wishmaker: True.

Me: Yeah.

Wishmaker: Anyone else want a turn or should we continue?

Poromon: How about me and the mascots?

Wishmaker: Sure.

He used his powers on the mascots.

Poromon saw himself on an island made of beer!

Poromon: YAY! BEER!

He drank it all over.

Poliwag saw himself an island of popsicles and he was licking them all.

Poliwag: Yummy!

We laughed!

Me: Poliwag is happy on an island of popsicles.

Nico: He sure is!

Maria looked at Horsea.

Horsea: I actually don't know what I want to wish for.

Manaphy: Me neither.

Me: Darn.

But then, Horsea saw her personal wish. So did Manaphy

Horsea was on an island of Gummy Fish!

Horsea: GUMMY FISH!

Manaphy was on an island with Samiya the Sea Temple and it had LOTS OF POKEMON and May was with her as a mermaid!

Manaphy: WOW! This is amazing!

May: Wow is that me as a mermaid!? I look amazing!

Nico: I knew there was something you two would wish for!

Me: Horsea sure loves gummy fish doesn't she?

Maria: She can't eat enough of them.

Me: I knew it was going to be a planet of twinkies!

Nico: (LAUGHS)

Tentacool's wish was shown. It was her and her fellow Tentacool bashing and blasting Nastina with lasers and water blasts and making sure she gets what's called JELLYFISH TOXIC SHOCK SYNDROME! Even the Jellyfish Members of the M.O.E. Were helping out. We saw Big Lenny stinging her.
